Look no further! Your Riverside home is here and located in the highly desirable Orangecrest area! This home has been lovingly maintained and updated throughout. It boasts a beautifully remodeled kitchen with corian countertops, soft-closing and self-closing cabinets and drawers, and tile flooring. The living room, dining room, stairs and upper hallway have beautiful grey toned laminate flooring and the interior has been recently painted. The home has dual pane windows, lovely french doors and ceiling fans in every room! The master bath has a gorgeous walk-in, tiled shower, wood-look floor tiles and an upgraded vanity with dual sinks. The upstairs bath also boasts dual sinks and newly installed wood-look vinyl flooring. There is a covered patio in the backyard which provides ample shade and a space to relax or host parties. The exterior was recently painted and the front has a brand new storm door. Additionally, this home offers flexibility and endless options with its large room addition. It can be used as a bonus room, sunroom, mother-in-law space, playroom, daycare room, or whatever suits your needs! The possibilities are endless. A shed in the backyard stays with the property and offers additional storage to meet your needs. Located near the end of a freshly paved cul de sac, this home sits on the ideal location as it offers the benefits of cul de sac living, but is also close to shopping and restaurants. Call for your private showing today!
