	 a. Defined: The primary purpose of a Community Association is to provide for the community, business, and governance aspects of the Association. The Association administers and maintains operation of the community as provided in the deed, Covenants and restrictions, rules and regulations, declaration, and/or other Community Association documents. b. Examination: Buyer acknowledges that ownership of the Property is subject to declarations, certain restrictions (including the ability to rent the Property), and by-laws, which may include additional costs as a member of a mandatory membership Association. Restrictions are subject to change by actions of the Association. c. Owner Limitations: If repairs and/or replacement of defects in any common element(s) are the exclusive responsibility of the Association, the owner of the Property is unable to make such replacements and/or repairs.

3. ASSESSMENTS

- a. **Disclosure Regarding Fees.** Owners of property in communities where there is a Mandatory Membership Community Association are obligated to pay certain recurring fees, charges, and assessments (collectively "Fee") to the Association. Fees can and do increase over time and, on occasion, there may be the need for a special assessment. The risk of paying increased Fees is assumed by the Buyer in living in a community with a Mandatory Membership Community Association.
- b. **Buyer shall pay** a) any pre-paid regular assessment (excluding Special Assessments) due at Closing for a period of time after Closing; and b) move-in fees, including fees and security deposits to reserve an elevator as these fees are not considered Transfer, Initiation, and Administrative Fees.
- c. **Seller shall pay** a) all Fees owing on the Property which come due before the Closing so that the Property is sold free and clear of liens and monies owed to the Association; and b) any Seller move-out Fees, foreclosure Fees or other fees specifically intended by the Association to be paid by Seller.
- d. **Account Statement or Clearance Letter.** Seller shall pay the cost of any Association account statement or clearance letter ("Closing Letter") including all amounts required by the Association or management company to be pre-paid in order to obtain such Closing Letter. Seller shall not be reimbursed at Closing for any amounts prepaid in order to obtain the Closing Letter. Within two (2) days of notice from the closing attorney, Seller shall pay for the Closing Letter as instructed by the closing attorney. Seller's failure to follow the instructions of the closing attorney may cause a delay in Closing and/or result in additional fees being charged to Seller.

4. SPECIAL ASSESSMENTS

- a. **Under Consideration:** For all purposes herein, the term "Under Consideration" with reference to a special assessment shall mean that a notice of a meeting at which a special assessment will be voted upon, has been sent to the members of the Association. If a special assessment(s) has been voted upon and rejected by the members of the Association, it shall not be deemed to be Under Consideration by the Association. Seller warrants that Seller has accurately and fully disclosed all special assessment(s) passed or Under Consideration to Buyer. This warranty shall survive the Closing.
- b. Liability for Undisclosed Special Assessments: With respect to special assessment(s) Under Consideration or approved before Binding Agreement Date that are either not disclosed or are not disclosed accurately by Seller to Buyer, Seller shall be liable for and shall reimburse Buyer for that portion of the special assessment(s) that was either not disclosed or was not disclosed accurately.
- c. Who Pays for Disclosed Special Assessments: With respect to special assessments, Under Consideration or approved and accurately disclosed above, if an unpaid special assessment is due but may be paid in installments, it shall be deemed to be due in installments for purposes of determining whether it is to be paid by Buyer or Seller. If the special assessment(s) is adopted and due in whole or being paid by installment, installment payments due prior to or on Closing shall be paid by the Seller; and installment payments due subsequent to Closing shall be paid by the Buyer.
- d. **Special Assessments Arising after Binding Agreement Date:** With respect to special assessments that are only Under Consideration after the Binding Agreement Date and are promptly disclosed by Seller to Buyer:
 - i. If the special assessment(s) is adopted and due, in whole or in part, prior to or on Closing, that portion due prior to or on Closing shall be paid by the Seller; and
 - ii. If the special assessment(s) is adopted and due in whole or part subsequent to Closing, that portion due subsequent to Closing shall be paid by Buyer.

5. TRANSFER, INITIATION, AND ADMINISTRATIVE FEES

Advance assessments due at Closing for a period of time after Closing, shall not be Transfer, Initiation, and Administrative Fees and shall be paid by Buyer.
- b. **Seller Pays:** Seller shall pay any amount in excess of the sum disclosed in Section A(5), even in the event of any later disclosures made by the Seller of increase in such Transfer, Initiation, and Administrative Fees. In the event Seller fills in the above blank with "N/A", or anything other than a dollar amount, or is left empty, it shall be the same as Seller filling in the above blank with \$0.00.
- c. **Fees Defined:** All Transfer, Initiation, and Administrative Fees paid by Seller pursuant to this section are considered actual Seller fees and are not a Seller concession or contribution to the Buyer's cost to close.
