

Home Improvements

Property Address:

47 Peaslee Rd, Weare, NH 03821

Radon mitigation system installed in 2020

New dishwasher, washer & dryer in 2021.

Greenhouse installed in 2022.

State-of-the-art Effecta 40 Smart Wood Boiler connected to back-up oil furnace, capable of providing 100% of the heat for the house using 6 to 7 cords of wood.

Interior paint done in the majority of the house between 2022-2024

Kitchen shelving/cabinets upgraded and/or refinished in 2023

Passive temperature-controlled wine cellar

Space above the garage was turned into a gym: blown in foam insulation, large bay window added and a garage door installed leading to the backyard.

Additional 10x18 ft standalone shed added, used as a chicken coop with a large run attached.
