THAN ONE AND NOT MORE THAN FOUR RESIDENTIAL DWELLING UNITS are involved. The law defines a number of exceptions where the disclosures

- Transfers to a mortgage lender that result from a buyer's default and subsequent foreclosure sales that result from default.
- Transfers from a co-owner to one or more other co-owners.
- Transfers made to a spouse or direct descendant.

do not have to be made, and these exceptions are as follows: Transfers that are the result of a court order.

- Transfers between spouses that result from divorce, legal separation, or property settlement.
- Transfers by a corporation, partnership, or other association to its shareholders, partners, or other equity owners as part of a plan of liquidation.
- Transfer of a property to be demolished or converted to non-residential use.
- Transfer of unimproved real property.

 Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship, or trust.
- 10. Transfers of new construction that has never been occupied when:
- a. The buyer has a warranty of at least one year covering the construction;
- b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model building code; and

c. A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

Except where these exceptions apply, the Seller is required to satisfy the requirements of the Real Estate Seller Disclosure Law as they may be amended and is required to make disclosures in accordance with the provisions of the Law. Although there are exceptions to the requirements of the Seller Disclosure Law, certain disclosures may still be required under Common Law.

In addition to these exceptions, disclosures for condominiums and cooperatives are limited to the seller's particular unit(s). Disclosures regarding common areas or facilities are not required, as those elements are already addressed in the laws that govern the resale of condominium and cooperative interests

This Statement discloses Seller's knowledge of the condition of the Property as of the date signed by the Seller and is not a substitute for any inspections or warranties that the Buyer may wish to obtain. This Statement is not a warranty of any kind by the Seller or a warranty or representation by the West Penn Multi-List, Inc., any listing real estate broker, any selling real estate broker, or their agents. The Buyer is encouraged to address concerns about any condition of the Property that may not be included in this statement with the Seller and/or by and through an appropriate inspection. This Statement does not relieve the Seller of the obligation to disclose a material defect that may not be addressed on this form.

This form is intended to assist Sellers in complying with the disclosure requirements and/or to assist Buyers in evaluating the property being considered. As such, certain information may be beyond the basic disclosure requirements found in the Law. A Seller who wishes to review the basic disclosure form can find the form on the website of the Pennsylvania State Real Estate Commission. In any event, Seller(s) must disclose all known material defects with the property.

If an item of information is unknown or not available to Seller and Seller has made an effort to ascertain it, Seller may make a disclosure based on the best information available provided it is identified as a disclosure based on an incomplete factual basis.

A material defect is an issue/problem with the residential real Property or any portion of it that would have a significant adverse impact on the value of the residential real Property or that INVOLVES AN UNREASONABLE RISK TO PEOPLE ON THE LAND OR PROPERTY. The fact that a structural element, system, or subsystem is near, at, or beyond the normal useful life of such structural element, system, or subsystem is not by itself a material defect. When completing this form, check "yes," "no," "unknown (unk)," or "not applicable (N/A)" for each question. If a question does not apply to the property, "N/A" should be selected. "Unknown (unk)" should only be checked when the question does apply to the property but the Seller is uncertain of the answer.

Buyer(s) acknowledge their right to investigate any of the rights or issues described within this Seller Disclosure Statement prior to signing or entering into the Agreement of Sale. The Buyer(s) acknowledge they have the option or right to investigate the status of any of the property rights by, among other means, obtaining a title examination of unlimited years, engaging legal counsel, conducting a search of the public records in the County Office of the Recorder of Deeds and elsewhere. 21. COMPLIANCE WITH REAL ESTATE SELLER DISCLOSURE LAW

In Pennsylvania, a Seller is required to satisfy the requirements of the Real Estate Seller Disclosure Law. These requirements are generally described in the notice found on the first page of this document. This law requires the Seller in a residential transfer of real estate to make certain disclosures regarding the property to potential Buyers. The notice is to be provided in a form defined by law and is required before an agreement of sale is signed. The law defines a residential real estate transfer as a sale, exchange, installment sales contract, lease with an option to buy, grant, or other transfer of an interest in real property where not less than one (1) and not more than four (4) residential dwelling units are involved. In transactions involving a condominium, homeowners association, or cooperative, the disclosure is to specifically refer to the Seller's Unit. Disclosure regarding common areas or facilities within such associations are not specifically required in this Disclosure Statement. However, compliance with the requirements that govern the resale of condominium, homeowner association, and cooperative interests is required as defined by the Uniform Condominium Act of Pennsylvania, the Uniform Planned Community Act of Pennsylvania, and/or the Real Estate Cooperative Act as such Act may be amended.

Seller(s) shall attach additional sheets to this Disclosure Statement if additional space is required for their answer to any section herein and these sheets are considered part of this Disclosure Statement. The undersigned Seller(s) represents that the information set forth in this Disclosure Statement is accurate and complete to the best of the Seller's knowledge. The Seller hereby authorizes the Listing Broker to provide this information to prospective Buyers of the Property and to other real estate agents. DUAL AGENCY CONSENT AND CONFIRMATION AGREEMENT

(To be signed by Buyer before signing offer and to be signed by Seller before reviewing offer.)

- 1. Seller and Buyer acknowledge and agree that the purchase agreement they are considering involves representation by a Disclosed Dual Agent. The following information details the roles of the parties regarding Dual Agency.
 - Note: When the term "<u>DUAL AGENT</u>" is used, it will always mean the Broker (Berkshire Hathaway HomeServices The Preferred Realty) who, by contracts previously entered into, represents the interests of both the Buyer and the Seller in this agreement. The term <u>DUAL AGENT</u> will apply to a Salesperson/Associate Broker only if the same Salesperson/Associate Broker has been previously identified as the Designated Agent to represent the interests of both parties (Buyer and Seller) named in this agreement. If the Designated Agent of the Buyer and the Designated Agent of the Seller are not the same Salesperson/Associate Broker, then the term Dual Agent will apply only to the Broker, and the Buyer and Seller will each continue to be fully represented by their previously identified Designated Agents.
- 2. Description of Dual Agents' Role: Seller and Buyer acknowledge that, prior to the creation of the Dual Agency, the Agent represented either the Buyer or the Seller. The Agent acted as the Agent of Seller or acted as the Agent of Buyer. In those separate roles, the Agent may have obtained information which, if disclosed, could harm the bargaining position of the party providing such information to the Agent. Seller and Buyer agree that the Dual Agent shall not be liable to either party for refusing or failing to disclose information which would harm one party's bargaining position and would benefit the other party. However, this Agreement shall not prevent the Agent from disclosing to Buyer any known material defects in the property or any other matter that must be disclosed by state law and/or regulation. The Agent agrees not to disclose (a) to Buyer information about what price Seller will accept other than the Listing Price, or (b) to Seller information about what price Buyer will pay other than any written offered price. In the event that Seller and Buyer do not enter into an agreement for the purchase of Seller's property by Buyer (the "Purchase Agreement"), or in the event that the Purchase Agreement between Seller and Buyer does not close, the Dual Agency role and this Agreement will be terminated.
- 3. Description of Seller's and Buyer's Role: Seller and Buyer acknowledge that they are aware of the implication of the Agent's Dual Agency role including the limitation on the Agent's ability to represent Seller or Buyer fully and exclusively. Seller and Buyer have determined that the benefits of entering into a transaction between them with the Agent acting as agent for both of them outweigh such implications. Seller and Buyer understand that they may each seek independent legal counsel in order to assist with any matter relating to a Purchase Agreement or to the transaction which is the subject matter of a Purchase Agreement. Seller and Buyer agree that Agent shall not be liable for any claims, damages, losses, expenses or liabilities arising from the Agent's role as a dual Agent. Seller and Buyer shall have a duty to protect their own interests and should read this Agreement and any Purchase Agreement carefully to ensure that they accurately set forth the terms which they want included in said agreements.
- 4. Both Seller and Buyer agree that all "comparable" property information available through the Multiple Listing Service or otherwise, including listed and sold properties, may be disclosed to both Seller and Buyer. Agent will not advise or counsel Seller or Buyer, interpret data, or make recommendations based on this information.
- Both Parties understand and agree that Broker shall have the right to collect a compensation or fee from the Seller or from the Buyer or both.
- 6. Both parties are advised to seek competent legal and tax advice with regard to this transaction, and with regard to all documents executed in connection with this transaction including this Dual Agency Consent Agreement.

7.	Seller and Buyer recognize and agree that this document does not replace those documents signed earlier, i.e. the Buyer Agency
	Contract signed by the Buyer on and the Exclusive Right to Sell Listing Agreement signed by the
	Seller on However, in any areas where this document contradicts or conflicts with those documents,
	this Dual Agency Consent Agreement shall supersede. This agreement hereby becomes a part of the attached Purchase
	Agreement entered into between the parties whose signatures appear below.

I HAVE READ AND UNDERSTAND THE ABOVE AGREEMENT.
