Welcome home to this stunning 3rd-floor corner unit in the highly sought-after Peekskill Towers, offering spectacular year-round views of the Hudson River and mountains from every western-facing window.

Step inside to find a gorgeous, sun-drenched living and dining area, freshly painted and featuring rich cherry wood floors. The open-concept dining and living room create a bright, airy space, perfect for entertaining or relaxing. A covered private balcony extends your living space, accessible through sliding glass doors.

The updated kitchen flows seamlessly into both rooms, making mealtime and hosting effortless. It shines with wood cabinetry, stainless steel appliances, granite countertops, a tiled backsplash, and an island perfect for meal prep and gathering. A stylish open archway enhances the connection to the spacious dining room.

The oversized primary suite boasts two spacious closets and an en-suite full bath with updated tile floors and a tiled shower. The second bedroom is equally bright and airy, with easy access to the additional full bath.

Enjoy fantastic community amenities, including a sparkling outdoor pool (visible right from your living room window!), two assigned parking spaces, shared storage space, and a same-floor laundry room just steps from your door. The well-maintained, secure building features two elevators and a community room for added convenience.
