

NON-WCSA Privately Owned Amenities

THE CLUB AT WINDWARD (formerly WINDWARD LAKE CLUB)

Windward's structure allows homeowners the flexibility to decide for themselves whether they're interested in participating in and paying for swimming, tennis, or the marina. For those who are, the privately owned Windward Lake Club is located within the heart of the community at 2001 Lake Windward Drive. WLC offers a world-class tennis facility with 20 lighted courts and a nationally-ranked tennis academy, and an active league. The swim center features a zero-entry pool, 150-foot waterslide, spray park and a competitive junior swim team, the Windward "Waves."
