Each office independently owned and operated.

Unit 52 in Phase 10 of The Residences at Sunrise Ridge presents an enticing opportunity for those seeking both a luxurious coastal retreat and an investment property. This fully furnished townhome boasts 2 bedrooms, 3 bathrooms, and a host of upscale features, including granite countertops, a cozy fireplace, stainless steel appliances, and in-suite laundry facilities. The bathrooms exude opulence with their tile and glass walk-in showers.

Residents can indulge in resort-style amenities, including a heated outdoor pool and hot tub, a fitness area, a business center, and more. With no rental or age restrictions and the allowance for up to 2 pets, this property offers flexibility for owners and renters alike.

Situated in Parksville, on the scenic Vancouver Island, this exclusive waterfront resort enjoys a prime location with direct walk-on access to the gorgeous Rath Trevor beach and within walking distance of restaurants, spas, coffee shops, mini golf courses, and much more. The community of Parksville provides a serene coastal lifestyle with easy access to urban conveniences.

Unit 52 offers the potential for income generation as a nightly / weekly or long term rental or as your family home. The homes in The Residences at Sunrise Ridge are meticulously crafted, ensuring unparalleled quality and comfort.

Whether you seek a profitable investment opportunity, a vacation home, or a permanent residence, Unit 52 presents a compelling proposition in one of British Columbia's most desirable coastal destinations.
