

Athena White Steam Shower (WS-112-White)

A high-output 4.5KW steam engine, 12 acupressure body jets, and two retractable hardwood stools are included in this two-person luxury steam bath. The WS-112 is a large, top-of-the-line luxury steam shower with a lot of features. The authentic oak wood ceiling and floor grids, along with a heavy-duty sliding glass door and polished aluminum trim, give any bathroom a distinct look and feel.
