Come live on top of the world away from the chaos of the city in a magnificent home with spectacular views. Not a detail missed with this custom-built home with a grand front door entrance, staircase and window trim, all in mahogany. There is exquisite Brazilian black slate heat flooring, an open-beam cedar ceiling in the living room with breath-taking views and a wood stove to warm the winter moments. The chef's kitchen with its high end appliances entices fabulous cooking and entertaining where you can dine inside or out surrounded in pure beauty. The upper level is an oasis with its primary bedroom, luxury bath and walk-in closet, along with an additional second bedroom. The main level enjoys bedrooms, office, hobby room, laundry and two car garage. Find the basement gym and sophisticated control room with extensive solar power and upgraded water storage for living off the grid. More project fun to be had with a 1,320 sq. ft. 4 car garage/workshop on the ten acre property. The driveway is paved with a gorgeous gated entrance. This modern private home is only ten minutes to HWY 49 and 45 minutes to Sacramento.
