Title

Nestled along the waterside of Hwy, this charming 2-bedroom, 2-bath rancher offers a blend of comfort and convenience. Step into the welcoming family room, featuring a cozy gas fireplace ideal for relaxation. Additionally, there is a separate elegant living room complemented by a formal dining area, perfect for entertaining guests. The kitchen, complete with a breakfast nook, flows seamlessly through patio doors into a bright sunroom, which extends to a beautiful yard with a gazebo.

Outdoors, enjoy a spacious yard with professionally landscaped gardens, including garden beds and a greenhouse for gardening enthusiasts. The master bedroom overlooks the private backyard oasis, while an additional bedroom ensures ample space for family or guests. A generous two-car garage provides added convenience.

Strategically located just a few blocks away, nearby Foster Park offers a playground for children, and easy beach access via stairs is just a 10-minute walk away. Shopping at the mall and grocery stores is also within a short walking distance, enhancing the practicality of this picturesque location.

Updates
