Welcome home to 83 Winding Lane. This 6-bedroom, 4.5 bathroom offers an attached in-law suite with separate living quarters. The property is situated on .79 of an acre on a cul-de-sac in the Mardot Village neighborhood. You will be greeted into the main house by the foyer with hardwood floors that flow into the living room with views of a country setting, which then transitions to the dining room with access to a deck overlooking the backyard and pool. The kitchen has granite countertops, a new stove, a stainless steel refrigerator, and tile flooring. Upstairs, you will find a primary suite featuring a sitting room, which leads you into the bedroom, which features engineered hardwood flooring with a full bath and a separate laundry room with ceramic tile flooring. A room in this suite is used as a nursery, but it could be easily converted and repurposed into an ample sized walk-in closet. This suite also features a balcony to enjoy the sights and sounds of Mother Nature. To finish the upper level, Bedroom #2 features hardwood floors and a bathroom with a standup shower. There are 3 additional bedrooms with hardwood floors and a hallway bathroom. Access to the private in-law suite is to the left of the entry foyer, which features a well equipped kitchen, living, and dining areas, plus a large room currently used as an office. The generously sized bedroom has a walk-in closet and a bathroom with a walk-in shower and granite countertops. The in-law suite also has a separate patio and easy access to the pool.
