Additions Permit Application

Project Information

Type of Project * ?

Residential

Project Category * ?

Additions

Proposed Start Date ?

04/30/2018

Est Project Cost round to nearest \$1000 * ?

40,000

Water Supply * ?

Municipal

Sewage Disposal * ?

On-site

To your knowledge, is there an existing on-site sewage/septic/disposal system that was abandoned, or will be abandoned, as part of this project? ?

No

You have indicated this project will use an ON-SITE sewage disposal OR you have indicated that an existing on-site system will be abandoned. PLEASE NOTE: The construction, maintenance and upgrade of sewage disposal and septic systems is heavily regulated within the Commonwealth. Massachusetts 310 CMR 15.00 (Also known as Title 5) MAY require a separate permit and inspection process. This application DOES NOT automatically apply for that permit. Please see our website for more details (<https://shrewsburyma.gov/Title-V>). *

Is the property owner occupied? In other words, is a Home Improvement Contractor's Registration (HIC) required? *

Yes

Will there be an Electrical Permit submitted for this project? ?

Yes

Will there be a Plumbing Permit submitted for this project? ?

Yes

Will there be a Gas Permit submitted for this project? ?

No

Will there be a Sheet Metal permit submitted for this project? ?

No

Description of work. * ?

Add bedroom and full bath

Addition Details
