Stunning home with driveway in the highly desirable Irongate community! This home offers a modern open floor plan with 4 bedrooms, 3 baths and a LOFT with an abundance of natural light. The highly sought-after downstairs bedroom and full bathroom is perfect for your home office or guest room retreat. The exquisite interior features an open family room/kitchen combo. The beautifully appointed chef's kitchen offers a large center island, built-in stainless-steel appliances, custom closets in all bedrooms. Venture upstairs to the generously sized master bedroom suite featuring a spa-like bathroom with dual vanities, walk-in shower, sunken tub and large walk-in closet. Enjoy two additional upstairs bedrooms, full bathroom with upgraded tile flooring. Home features include Plantation shutters, water softener. Close to top rated schools, shopping, BART, Fallon Sports Park, Fallon Gateway shopping, Outlet mall, and easy freeway access. This is the home you have been dreaming about!!

### Features:
