During his years in education, he pioneered the first Home and School Association and promoted the Special Education program in Waterloo County. N. A. MacEachern School is located in the north area of Waterloo. Some of our students take the bus, but the majority walk to school from the surrounding area. We also have a number of students from outside our school's district who participate in the French Immersion program, and our congregated Autism Spectrum Disorder class.

Our goal at Sir Edgar Bauer, is to encourage our students to become the best they can be academically, spiritually, and physically, and to develop their gifts and talents. We attempt to access the best resources, activities and experiences possible for our students. We focus on building community within our classrooms, school, and the greater community at large. Students are encouraged, from their early years at Sir Edgar Bauer, to help others and to build positive relationships with others. We focus school wide on the virtues of faith, empathy, conscience, hope, self-control, respect, kindness, love, acceptance and fairness and recognize students for demonstrating these virtues. We are very fortunate to work closely with St. Michael's Parish. This relationship allows our students to form a strong connection with the church and our faith. Under the guidance of our pastor, Father David, the students have many opportunities to grow as faithful disciples of the Risen Lord. Masses and celebrations are held throughout the year, and parents and guardians are always welcome to attend.
