Look no further than Kingston Park, a perfect place to picnic, visit the water park for the kids to play, or get your daily exercise on the trails around the park.

The leadership & community of Chatham-Kent have a vision for the area outlined in their CK Plan 2035. Over the next 20 years, Chatham will strive to improve its agricultural business opportunities, overall business infrastructure, accessibility and quality of life for all. The plan also details how Chatham will promote culture & diversity to work towards a more unique and creative economy to ensure economic prosperity for all.
