Sam Chapman Public School is a single track French Immersion school. It was officially opened in 2010. The school has developed its name from one of our former Directors of Education who was a champion of literacy, inclusion and education for all. Our school motto is a symbol of a Champion.... We strive to be champions of learning, equity, inclusivity and the environment. The teaching staff is committed to meeting the needs of our dynamic student population. Both the academic and social development of our students are very important to our staff. We believe that students should like to come to school and want to learn. Technology is used to deepen learning in authentic purposes. At Sam Chapman PS, we strongly believe in French Immersion and the importance of learning a second language in a rapidly changing world.

St. Julia Billiard is a Catholic learning community where Christ is our master teacher; where student success and well-being are at the heart of all decisions made; and where students, teachers, parents, staff, and the church are in relationship with one another and have a vested interest in the articulation and pursuit of goals within the context of a shared vision and mission. We are a Catholic learning community where collaboration and respect for one another frame our interactions and where "faith-in-action" is our lived experience. These are the tents that we embrace at St. Julia Billiard and that give definition to all that we do in the name of our students.
