STATE OF NORTH CAROLINA
COUNTY OF WAKE

RESTRICTIVE COVENANTS
BRAXTON VILLAGE SUBDIVISION
PHASE I-SECTION 1-A
WAKE COUNTY

THIS DECLARATION OF RESTRICTIVE COVENANTS, made and entered into this 2nd day of July, 1998, by BRAXTON VILLAGE, LLC, a North Carolina Limited Liability Company, hereinafter referred to as "Declarant";

W I T N E S S E T H

WHEREAS, Declarant is the owner of the property described as follows:

BEING all of Lots 101 through 120, and Lots 166 through 203, Braxton Village Subdivision, Phase I-Section 1-A, as recorded in Book of Maps 1998, Page ____, Wake County Registry.

1. PREAMBLE: WHEREAS, Declarant desires to provide for the preservation of the values and amenities of the property, and to impose certain restrictive covenants governing and regulating the use and occupancy of same, for itself and every owner of same; and WHEREAS, the property is subject to, or may hereafter be subjected to, a Declaration of Covenants and Restrictions of the Braxton Village Homeowners Association;

NOW, THEREFORE, in consideration of the premises and covenants contained herein, Declarant declares that the real property described above is and shall be held, transferred, occupied and used subject to the covenants, restrictions, conditions, easements, assessments, and affirmative obligations hereinafter set forth, and said covenants shall run with the land and be binding on all persons claiming under and through the Declarant.

2. USE OF PROPERTY: All lots shall be used for single family residential purposes exclusively, and not for duplex, apartment, manufacturing, industrial, business, professional, commercial, or public street purposes. Provided, this section shall not prohibit a single home office per residence so long as customers, suppliers, and non-resident employees do not habitually come to the residence and the office and activities do not violate the other sections of these covenants. No structure, except as hereinafter provided, shall be erected, altered, placed or permitted to remain on any lot other than one (1) detached single family dwelling not to exceed two and one half (2 1/2) stories in height (excluding basement), which shall be used and occupied as a residence for a single family, together with a garage, which may be separate or attached, and one outside storage building. No structure may be constructed prior to construction of the dwelling.

3. ARCHITECTURAL COMMITTEE: The primary purpose and foremost consideration of these restrictive covenants is the creation of a

community which is aesthetically pleasing, functionally convenient, and protective of the owners' investment. The establishment of detailed standards relating to design, size and location of dwellings and other structures makes it impossible to take full advantage of the individual characteristics of each lot, technological advances, and environmental values. In order to implement the purposes of these covenants the Declarant may establish and amend from time to time objective standards, regulations, specifications, rules and guidelines for architecture, construction, signs, mailboxes, landscaping, and environment which may be the same for the subdivision as a whole or different for individual neighborhoods.

No building, fence, or other improvement shall be constructed, erected, placed, or altered on any lot until the building plans and specifications (including but not limited to architectural style, construction techniques, exterior materials, colors, and finishes, roofing material, driveway material, and landscape design), and plat showing the proposed location of same have been approved in writing by the architectural committee, in its sole and uncontrolled discretion and based upon such grounds as it alone deems sufficient, so as to ensure the goals above as well as conformity and harmony of exterior design and construction with existing structures and improvements in the development and the intent of these covenants. The plat shall also show location, topography, finished elevation, drainage, and setbacks. In the event the committee fails to approve or disapprove the complete set of plans, specifications, and plat within thirty (30) days after submission, this covenant will be deemed fully complied with. The committee may retain all plans, specifications, and plats submitted to them.

The architectural committee shall be composed of the Declarant, and such persons and entities as designated or appointed by Declarant, until such time, not later than the sale or transfer of all the lots in the Braxton Village subdivision by the Declarant, as Declarant designates a minimum of three (3) property owners in the subdivision to serve as the committee, without compensation, until they are replaced by majority vote of the owners of the lots in the Braxton Village subdivision.

4. TREES: In order to preserve the natural beauty of the subdivision, no live trees on a lot may be cut or otherwise removed except within fifteen (15) feet of the building foundation unless otherwise approved in writing by the architectural committee.

5. SATELLITE DISHES: Radio towers, exterior television antennas and similar transmission and receiving apparatus shall not be placed on the property, except that one small satellite dish may be placed on each lot so as not to be visible from the street if approved in writing by the architectural committee.

6. COMPLETION OF STRUCTURES: Houses and related structures must be completed within one (1) year after the construction of

same shall have commenced, except where such completion is interrupted by fire or similar casualty or act of God.

7. SQUARE FOOTAGE: The total heated floor area of the main residential structure, exclusive of open porches, basements, storage areas, and garages shall not be less than 1,000 square feet.

8. SETBACK REQUIREMENTS: No structure shall be located on any lot nearer than 15 feet to the front line, 15 feet to the rear line, 5 feet to an interior side lot line, and 10 feet to a side street. Eaves and chimneys shall not be considered in measuring setbacks provided they do not extend into the setback area more than three feet. Where Town of Holly Springs ordinances require greater setbacks or eliminate exclusions from measurement, the Town ordinances shall control.

9. LOTS FREE OF GARBAGE AND DEBRIS: It shall be the responsibility of each lot owner to prevent and correct unclean, unsightly, or unkempt conditions of buildings or lots. All lots shall be kept clean and free of garbage, junk, trash, debris, non-operable vehicles and apparatus, and any substance and condition that might contribute to an unsightly condition, health hazard or the breeding and habitation of snakes, rats, or insects. The owners of lots shall see to the mowing of their lawn as needed, the maintenance and protection of landscaping, the proper drainage of the lot so as to prevent soil erosion, and the maintenance of the home and other structures and improvements located on said lot so as to insure their good condition and appearance. "Lot" as used in this section also includes that portion of the lot between the right of way and the pavement.

Upon a lot owner's continued failure or refusal to abide by this section after fourteen (14) days written notice, the Architectural Committee may perform the required maintenance and repairs, with the lot owners to be responsible for the reasonable charges for same. The charges shall constitute a lien upon the lot upon the filing of notice of same in the office of the Clerk of Superior Court of Wake County.

Any dwelling or outbuilding which is destroyed in whole or in part by fire, windstorm, or other casualty or act of God must be rebuilt or the debris removed and the lot restored to a sightly condition promptly, and any event within six (6) months.

10. NUISANCE OR NOXIOUS ACTIVITY: No offensive or noxious activity shall be carried on upon any lot, nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance or nuisance to other residents. There shall not be maintained any plant, animal, device or thing of any sort whose activity or existence is in any way noxious, loud, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the enjoyment of the neighborhood by the owners thereof. Unless otherwise approved in writing by the architectural committee, no sign, other

than a single "For Sale" or "Sold" sign not larger than 24 inches by 24 inches, and signs at the sales office, shall be placed on any lot. Lot owners' vehicles shall not be habitually parked on the street; and no boat, camper, commercial vehicle, vehicle with three or more axles, or trailer shall be parked or permitted to remain on a street, or on a lot so as to be visible from the street. Outside clothes lines are not permitted on lots.

11. TEMPORARY STRUCTURES: No structure of a temporary character, trailer, camper, van, lean-to, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence, either temporarily or permanently.

12. MOBILE HOMES: No mobile home may be constructed or placed on the premises.

13. ANIMALS: No animal, livestock or poultry of any kind shall be raised, bred, or kept on any lot except that dogs (2 maximum), cats (2 maximum), and other common house-pets may be kept provided that (1) they are not kept, bred, or maintained for any commercial purpose, and (2) animals shall not run at large in the subdivision or be kept in violation of applicable governmental laws and ordinances. No person shall keep, maintain or permit the keeping or maintaining of any animal which is an annoyance or nuisance to neighbors or otherwise violates Section 10 above.

14. GARBAGE RECEPTACLES: Each lot owner shall provide sufficient receptacles for garbage in an area not visible from the street. No garbage, trash, leaves, or refuse shall be burned or dumped on any lot; nor shall those items be deposited curbside except in accordance with local ordinances.

15. STORAGE RECEPTACLES: Fuel tanks and similar storage receptacles shall not be visible from the street or other residences and, with the exception of barbecue propane tanks, require the prior written approval of the Architectural Committee.

16. EASEMENTS: Declarant reserves to itself and its successors and assigns, in addition to any easements of record, a perpetual, alienable and releasable easement and right on, over and under the ground to erect, install, maintain and use electric and telephone poles, wires, cables, conduits, sewers, water mains, water drainage provisions and facilities, and other suitable equipment for the conveyance and use of electricity, telephone equipment, cable television, gas, water, sewer, water drainage and public conveniences or utilities on, in or over five (5) feet around the perimeter of each lot. These easements and rights expressly include the right to cut any trees, bushes, or shrubbery, excavate and grade soil, and take any other action reasonably necessary to economical and safe utility installation and to maintain reasonable standards of health, safety and appearance.

17. TERM AND MODIFICATION OF COVENANTS AND RESTRICTIONS:

These restrictive covenants shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Declarant, the architectural committee, and any owner of the lots, their heirs, successors, and assigns, for a term of thirty (30) years from the date this Declaration is recorded, at which time they shall automatically be deemed extended for successive ten (10) year periods unless revoked or amended by two-thirds (2/3) of the then owners of the lots. These covenants may be amended at any time by written agreement of both (a) two-thirds (2/3) of all of the owners of the lots, and (b) the Declarant if the Declarant owns any property in the Braxton Village subdivision.

18. MINOR VIOLATIONS: Minor violations of square footage or setbacks of less than five percent (5%) shall not be considered a violation of these covenants provided same do not violate applicable local ordinances.

19. ENFORCEMENT: Enforcement of these covenants and restrictions shall be by any proceeding at law or in equity against any persons violating or attempting to violate any covenant or restriction herein, to restrain violation and/or recover damages. The failure of any party to enforce any covenants or restrictions herein for any period of time shall in no event be deemed a waiver or estoppel of the right to enforce any or all restrictions thereafter.

20. INVALIDATION: Should any covenant or restriction herein contained, or any sentence, clause, phrase, or term of this Declaration be declared to be void, invalid, illegal or unenforceable for any reason by the adjudication of any court or other tribunal having jurisdiction over the parties and the subject matter hereof, such judgment shall in no way affect the other provisions hereof which are hereby declared to be severable and which shall remain in full force and effect. In addition, if there is any contradiction between these restrictions and any governmental ordinances, laws or regulations of a federal, state, or local agency, the latter shall prevail.

21. UTILITIES: The Developer reserves the right to subject the real property in this subdivision to a contract for the installation of underground electrical cables and/or the installation of street lighting, either or both of which may require an initial contribution and/or a continuing monthly payment to the utility service by the owner of each lot. All telephone, electric, cable television, water, sewer, and other utility lines and connections between lines and structures shall be concealed and located underground.

22. SUBDIVISION OF LOTS : Although lot lines may be altered, and the owners of two lots may subdivide a lot located between them with the written permission of the architectural committee, no lot

may be subdivided so as to create two or more building lots from the original lot or increase the total number of building lots in the subdivision. The Declarant reserves the right to replat or otherwise modify the shape or size of any lot during the time Declarant owns same.

23. NOTICE: Notice to all owners of a lot shall be deemed to have been given when (a) deposited, postage paid, in the United States Mail addressed to one or more of said owners at the most recent address shown on the county tax records, or (b) hand delivered to the lot.

24. DRIVEWAYS AND PARKING: All driveways shall be paved with concrete, brick or such other material as may be approved in writing by the Architectural Committee. Each lot owner shall, prior to occupancy, provide for sufficient off-street parking for a minimum of two (2) automobiles.

25. MAILBOXES: All mailboxes shall be of the same design, color, construction, and materials and shall be as approved by the Architectural Committee. Receptacles for newspapers or other publications are not permitted except as part of the approved mailbox design.

26. TEMPORARY SALES OFFICES: Nothing contained herein shall prevent the Declarant or its agents from maintaining temporary sales offices, trailers, or storage units on any lot, common area, or recreation area during the development and sale of the subdivision.

27. PROPERTY SUBJECT TO THESE COVENANTS: No property other than that described above shall be deemed subject to this declaration of restrictive covenants until specifically made subject hereto. The Declarant may, from time to time, subject additional property to these covenants and restrictions by appropriate reference hereto.

28. CONFLICT: In case of a conflict between these covenants and the Declaration of Covenants and Restrictions of the Braxton Village Homeowners Association, the Declaration of Covenants and Restrictions of the Braxton Village Homeowners Association shall control.

IN WITNESS WHEREOF, Declarant has caused this instrument to be executed the date shown above.

any supplemental declaration (unless the context shall clearly
indicate otherwise) shall have the following meanings:

(A) "Affiliate" shall mean any corporation owning more than
fifty percent (50%) of the voting stock or which is owned or
controlled by the Company or the Developer, and any partnership or
joint venture in which the Company or the Developer has more than
a fifty percent (50%) or more of the cash flow from such
partnership or joint venture.

(B) "Association" shall mean and refer to Braxton Village
Homeowner's Association, a North Carolina non-profit corporation,
its successors and assigns.

(C) "Board of Directors" shall mean those persons elected or
appointed to act collectively as the directors of the Association.

(D) "Common Properties" and "Common Areas" shall mean and
refer to those tracts of land with all improvements then or
thereafter erected thereon which are deeded or leased to the
Association and designated as "Common Properties" or "Common

All Common Properties and Areas are to be devoted to and intended for the common use and enjoyment of the Members of the Association, their guests, and visiting members of the general public (to the extent permitted by the Board of Directors of the Association) subject to the fee schedules, rules, and regulations adopted by the Association. "Common Properties" and "Common Areas" shall not include those tracts of land falling within the definition of "Restricted Common properties" set forth below.

(6) Property which is used for the maintenance, operation, and service of utilities within the Properties;

(G) "Family Dwelling Unit" shall mean and refer to any improved property or any property formerly classified a Residential Lot for which a building permit has been issued by the appropriate governmental authorities, which property is located within the Properties and intended for use as a Single Family Dwelling, including without limitation any Single-Family Detached Dwelling, Townhome, or Patio Home (or Zero lot line).

(2) The Lot has been placed on an inventory list of lots for sale submitted to the Association by the Company, the Company's Affiliates, the Developer, or the Developer's Affiliates, in those cases where the Lot is owned by the Company, the Company's Affiliates, the Developer, or the Developer's Affiliates; and

(3) The Lot is sufficiently developed to be subject to Assessment, in the sole and uncontrolled discretion of the Board of Directors, as a Residential Lot in those cases where the Lot is owned by any third party other than the Company, the Company's Affiliates, the Developer, or the Developer's Affiliates.

(U) "Restricted Common Properties" shall mean and refer to those tracts of land with all improvements thereon which are designated as "Common Properties" or "Common Areas" on any map of a portion of the Property which is under the control and jurisdiction of a "Sub-Association", as hereinafter defined, and which is reserved or restricted for the use of members of such Sub-Association.

(V) "Sub-Associations" shall be North Carolina non-profit corporations established by developers of places or portions of the Properties requiring an association to manage the affairs of its members and properties owned by or under the control of such Sub-Association pursuant to the provisions of Declaration of Covenants and Conditions applicable only to such areas, the form, content and provisions of which shall be subject to the review and approval of the Company.

(W) "Tenant" shall mean and refer to the lessee under a written agreement of a Family Dwelling Unit in Braxton Village.

ARTICLE II.

EXISTING PROPERTY AND ADDITIONS

Section 1. Existing Property. The real property which is subject to these Covenants is described as follows:

See EXHIBIT "A" attached hereto and incorporated herein by reference.

The above-described real property shall sometimes be referred to herein as the "Existing Property". The Company intends to develop the Existing Property in accordance with a Master Plan, which the Company reserves the right to review and modify at its sole option from time to time. The Company, its successors and

assigns, shall not be bound to adhere to the Master Plan in the development of the land shown thereon. Subject to its right to modify the Master Plan as stated herein, the Company shall convey to the Association certain properties designated on the Master Plan as properties which may be transferred to the Association, as, in the reasonable exercise of the Company's discretion, it so chooses without regard to the relative location of such properties. Once conveyed to the Association, those properties shall become Common Properties. Dedication of Common Areas requires HUD/VA prior approval as long as there is a Class B membership, and nothing herein shall be construed so as to conflict with a HUD requirement, if any, that the Common Areas be conveyed to the Association free and clear of all encumbrances before HUD insures the first mortgage or deed of trust in Braxton Village. The Company shall not be required to follow any predetermined sequence or order of improvements and development, and it may bring within the plan of these Covenants additional lands, and develop same before completing the development of the Existing Property. Other than as stated in this paragraph, the Company shall have full power to add to, subtract from, or make changes in the Master Plan regardless of the fact that such actions may alter the relative maximum potential voting strength of the various types of membership of the Association.

Section 2. Additions to Existing Property. During the period of development, which shall by definition extend from the date of these covenants to January 1, 2010, the Company, its successors and assigns, shall have the right, without further consent of the Association, by one or more Supplementary Declarations, to bring within the plan and operation of this Declaration one or more additional properties, which may be in multiple parcels and take place on more than one occasion; provided, annexation of additional properties requires HUD/VA prior approval as long as there is a Class B membership. The additions of such property authorized under this paragraph may increase the cumulative maximum number of Residential Lots and Family Dwelling Units authorized in the Properties and, therefore, may alter the relative maximum potential voting strength of the various types of membership of the Association. The Supplementary Declaration may contain such complementary additions and/or modifications of the Covenants and Restrictions contained in this Declaration as may be necessary or convenient in the sole judgment of the Company as are not inconsistent with the plan of this Declaration.

ARTICLE III.

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership The Members of the Association shall be (a) The Company, (b) every Owner. Every Owner shall be a Member of the Association, except Owners who are exempt from the payment of Assessments shall not be Members of the Association unless otherwise specified herein.

Section 2. Voting Rights The Association shall have two (2) classes of regular voting membership:

(A) CLASS "A": Class "A" Members shall be all Owners other than the Company, its successors and assigns; except Company shall be a Class "A" member to the extent provided in (B) hereinafter. A Class "A" Member shall be entitled to one (1) vote for each Family Dwelling Unit or Residential Lot which he owns.

(B) CLASS "B": The Class "B" Member shall be the Company, its successors and assigns. The Class "B" Member shall be entitled to seven (7) votes for each Family Dwelling Unit or Residential Lot in which it holds a fee or undivided fee interest; provided that the Class "B" membership shall cease and be converted to Class "A" membership on the happening of either of the following events, whichever occurs earlier:

(1) when seventy-five percent (75%) of the Family Dwelling Units in the entire Braxton Village subdivision are deeded to homeowners, excluding builders; provided, however, that the Class "B" membership shall be reinstated with all rights, privileges and responsibilities if after conversion of the Class "B" membership to Class "A" membership as herein provided, additional lands are annexed to the Property by the Company in the manner provided in Article II of this Declaration; or

(2) on January 1, 2010.

(C) Payment of Special Assessments shall not entitle Class "A" and "B" Members to additional votes.

(D) When any property entitling the Owner to membership as a Class "A" Member of the Association is owned of record in the name of two (2) or more persons or entities, whether fiduciaries, joint tenants, tenants in common, tenants in partnership or any other manner of joint or common ownership, or if two (2) or more persons or entities have the same fiduciary relationship respecting the same property, then their acts with respect to voting shall have the following effect:

(1) If only one (1) votes, in person or by proxy, his act shall bind all;

(2) If more than one (1) votes, in person or by proxy, the act of the majority so voting shall bind all.

Section 3. Governance The Association shall be governed by a Board of Directors consisting of not less than three (3) nor more than nine (9) Members, the number, election, and term to be determined in accordance with the By-Laws of the Association.

Section 4. Quorum Required for any Action Authorized at Regular or Special Meetings of the Association. The quorum required for any action which is subject to a vote of the members at an open meeting of the Association shall be as follows:

(A) When a meeting of the Members of the Association is called to vote on (i) an increase in the Maximum Regular Annual Assessment greater than that provided for by Section 3 of Article V hereof, (ii) a Special Assessment as provided for by Section 4 of Article V hereof, (iii) the gift or sale or any parcel of land and improvements thereon designated as a Common Property or Restricted Common Property as provided for by subparagraph (F) of Section 3 of Article IV hereof, (iv) an amendment to or termination of this Declaration as provided for by Section 1 of Article VIII hereof,

the presence at the meeting of Members or proxies entitled to cast sixty (60%) percent of each class of the total vote of the Membership required for such action shall constitute a quorum.

(B) When a meeting of the Members of the Association is called to vote on any other action proposed to be taken by the Association, other than that described in subparagraph (a) above, the presence at the meeting of Members or proxies entitled to cast thirty (30%) percent of each class of the total vote of the Membership shall constitute a quorum.

Unless otherwise provided, any reference hereafter to "votes cast at a duly called meeting" shall be construed to be subject to the quorum requirements established by this Article and any other requirements for such "duly called meeting" which may be established by the By-Laws of the Association. For the purpose of this section, "proper notice" shall be deemed to be given when given each Member not less than seven (7) days prior to the date of the meeting at which any proposed action is to be considered.

Section 5. Proxies. Members of the Association may vote and transact business at any meeting of the Association by authorized written proxy.

Section 6. Ballots by Mail. When requested by the Board of Directors, there shall be sent with notices of regular or special meetings of the Association a statement of motions to be introduced for vote for the Members and a ballot on which each Member may vote for or against each such motion. Each properly completed ballot presented at such meeting shall be counted in calculating the quorum requirements set out above; provided, however, such ballots shall not be counted in determining whether a quorum is present to vote upon motions not appearing on the ballot.

ARTICLE IV.

PROPERTY RIGHTS IN THE COMMON PROPERTIES:

Section 1. Members' Easements of Enjoyment in Common Properties. Subject to the provisions of these Covenants, the rules and regulations of the Association, and any fees or charges established by the Association, every Class "A" and "B" Member, and every guest and tenant of such Class "A" and "B" Member, shall have a right of easement of enjoyment in and to the Common Properties, and such easement shall be appurtenant to and shall pass with the title of every Residential Lot and Family Dwelling Unit. Employees of the Class "B" Member and its agents shall have access to and enjoyment of the Common Properties subject to rules, regulations, and fee schedules established by the Board of Directors. A member of Member's immediate family residing with Member in Braxton Village shall have the same easement of enjoyment hereunder as the Member. As determined in the sole and uncontrolled discretion of the Board of Directors, certain Owners of Exempt Properties, certain prior owners of the Property and their families, and certain Tenants and guests may have access to and enjoyment of the Common Properties subject to rules and regulations and user fees established by the Board of Directors.

Section 2. Title to Common Properties.

(A) The Company covenants for itself, its successors and assigns, that it shall convey by deed to the Association, at no cost to the Association, and subject to (i) this Declaration of Covenants and Restrictions, (ii) all other restrictions and limitations of record at the time of conveyance, (iii) any restrictions, limitations, conditions, or determinations as to the purposes and uses of the conveyed properties as stipulated in said deed, and (iv) any commitments by the Company to construct certain improvements thereon as stipulated in said deed, those Intended Common Properties described in Section 4 of the Article IV hereof, and any other parcels of land and any improvements thereof now or hereafter designated as Intended Common Properties; and, upon such conveyance, such parcels of land and any improvements thereon shall become Common Properties.

(B) The Association shall not refuse the designation of any parcel of land or any improvements thereon as an Intended Common Property, and, further, the Association shall not refuse to accept any Intended Common Property as a Common Property at such time as the Company, in its sole and uncontrolled discretion, deems it advisable to convey such property to the Association.

(C) Upon conveyance to the Association, and/or the subjection thereof to the provisions of this Declaration, or any parcel of land and any improvements thereon as a Common Property by the Company or any other party, the Association shall immediately become responsible for all maintenance and operation of said property, and for such additional construction of improvements thereon as may be authorized by the Association's Board of Directors. It is the purpose of this provision to provide that the Association shall be responsible for all maintenance and operation of all Common Properties.

(D) Notwithstanding anything in the foregoing to the contrary, the Company reserves unto itself, its successors and assigns and agents, the right to enter upon any Intended Common Property or Common Property for the purpose of constructing and maintaining improvements and facilities thereon. The provisions of this paragraph shall in no way create any obligation on the part of the Company to construct or maintain any such improvements or facilities on said properties.

(E) Natural areas, trail areas, landscape areas within public rights-of-way, and similar areas may be designated and conveyed from time to time. Written notification will not normally show metes and bounds and, in any event, the metes and bounds as shown on the recorded plat and deed to the Association shall govern.

(F) Notwithstanding anything in the foregoing to the contrary, the Company shall not be required to convey the above referred to parcels where such conveyance would be prohibited under agreements existing on the date hereof, but in such case, shall be allowed to postpone such conveyance, without penalty, until such time as said prohibition may be nullified.

Section 3. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the

following:

(A) The right of the Association, in accordance with its By-Laws, to borrow money from the Company or any lender for the purpose of improving and/or maintaining the Common Properties, and providing services authorized herein and in aid thereof to mortgage said properties; provided, however, that any such mortgage is with the prior consent of both (a) two-thirds (2/3) of the Members of the Association, either written or by affirmative vote of same in person or by proxy in a duly called meeting of the Association with said purpose being included in the notice of meeting, and (b) the Company if it owns any properties in the Braxton Village Subdivision;

(B) The right of the Association to take such steps as are reasonably necessary to protect the above-described properties against foreclosures;

(C) The right of the Association to suspend the rights (including voting rights) and easements of enjoyment of any Member, or Tenant or guest of a Member, for any period during which the payment of any Assessments against property owned by such Member remains delinquent, and for infraction of its published rules and regulations, it being understood that any suspension for either non-payment of any Assessment or a breach of the rules and regulations of the Association shall not constitute a waiver or discharge of the Member's obligation to pay the Assessment or comply with the rules and regulations, and provided that the Association shall not suspend the right to use any roads belonging to the Association subject to the rules, regulations and fees, if any, established by the Association for such use;

(D) The right of the Association to charge reasonable admission and other fees for the use of recreational facilities (if any) and services on the Common Properties and the right of the Association to open the recreational facilities for use to outsiders (nonowners) subject to rules and regulations established by the Association to govern such use;

(E) The right of the Company or the Association by its Board of Directors to dedicate or transfer to any public or private utility easements on any part of the Common Properties;

(F) The right of the Association to give, sell or trade all or any part of the Common Properties, including lease-hold interests, subject to (i) the provisions of this Declaration of Covenants and Restrictions and (ii) all other restrictions and limitations of record at the time of conveyance, to any public agency, authority, public service district, utility, or private concern for such purposes and subject to such conditions as may be agreed to by Members, provided, however, that no such gift or sale of any parcel of land and improvements thereon, or determination as to the purposes or as to the conditions thereof, shall be effective unless such dedication, transfers, and determinations as to purposes and conditions shall be authorized by the prior consent of both (a) two-thirds (2/3) of the Members of the Association, either written or by affirmative vote of same in person or by proxy in a duly called meeting of the Association with said purpose being

included in the notice of meeting, and (b) the Company if it still owns any properties in the Braxton Village Subdivision. If ingress or egress to any Residential Lot or Family Dwelling Unit is through the common area, any conveyance or encumbrance of such area is subject to the Lot or Unit owner's easement. The gift or sale of any personal property owned by the Association shall be determined by the Board of Directors in its sole and uncontrolled discretion;

(G) The right of the Company or the Association to sell, exchange or convey small portions of Common Area adjoining Residential lots in order to alleviate minor setback violations.

Section 4. The Company covenants for itself, its successors and assigns, that, prior to January 1, 2010, it shall convey to the Association, at no cost to the Association, and subject to all the restrictions and limitations of the various Articles of this Declaration and any other restrictions and limitations of record, all properties designated as Intended Common Properties except such designated properties that are conveyed to the Town of Holly Springs.

ARTICLE V.

COVENANTS FOR ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Company covenants, and each Owner of any Residential Lot and Family Dwelling Unit located within the Properties, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to all the terms and provisions of this Declaration and to pay to the Association: (a) Annual Assessments or charges; and (b) Special Assessments or charges for the purposes set forth in this Article, such Assessments to be fixed, established and collected from time to time as hereinafter provided. The Annual and Special Assessments, together with a four percent (4%) late charge after fifteen (15) days past due, interest at the maximum legal rate, and costs of collection thereof, including a reasonable attorney's fee as hereinafter provided, shall be a charge and continuing lien on the real property and improvements thereon against which each such Assessment is made, and shall also be and remain the personal obligation of the Owner of such property at the time when the Assessment first became due and payable. Co-owners shall be jointly and severally liable for the entire amount of the Assessment.

Section 2. Purpose of Assessments. The Annual Assessments levied by the Association shall be used exclusively for the establishment, improvement, insurance of, maintenance, enhancement, enlargement, and operation of the Common Properties and Intended Common Properties, and to provide services which the Association is authorized to provide.

Section 3. Application of "Maximum" Assessment. The Maximum Regular Annual Assessment, as set forth on Schedule 1, and as it automatically increases annually pursuant to the provisions of subparagraph (D) below, shall be levied by the Association, unless the Board of Directors of the Association, by majority vote,

determines that a lesser amount will meet the functions of the Association for any particular year; provided, however, as the Company is engaged in the development of properties which are subject to the terms of this Declaration, the Association may not reduce Assessments below those set out on Schedule 1 without the written consent of the Company so long as the Company owns any properties in the Braxton Village Subdivision.

If the Board of Directors shall levy less than the Maximum Regular Annual Assessment for any Assessment year and thereafter, during such Assessment year, determine that the functions of the Association cannot be funded by such lesser Assessment, the Board may, by majority vote, levy a Supplemental Assessment. In no event shall the sum of the initial and Supplemental Assessments for that year exceed the applicable Maximum Regular Annual Assessment.

Subject to the conditions above, if the Board of Directors, by majority vote, determines that the functions of the Association will not be properly funded, either for one year only or including subsequent years, it may approve a specified increase in the Maximum Regular Annual Assessment with the prior consent of both (a) two-thirds (2/3) of the Members of the Association, either written or by affirmative vote of same in person or by proxy in a duly called meeting of the Association with said purpose being included in the notice of meeting, and (b) the Company, if it owns any properties in the Braxton Village Subdivision. An increase in the Maximum Regular Annual Assessment for one year only pursuant to the provisions hereof shall in no way affect the Maximum Regular Annual Assessment for subsequent years or increases thereof in subsequent years.

(A) Assessments shall be billed annually or on such other basis as may be determined by the Board of Directors. The billing schedule shall be the same for all properties of a specified category; however, the Board of Directors, in its discretion, may establish different schedules for the billing of Assessments due for different categories of property.

(B) The Board of Directors may retain a billing agent to collect the Assessments provided for herein.

(C) The Owner of any assessable property which changes from one category to another during an Assessment year shall be billed an additional amount for the remainder of that year to reflect the category change.

(D) From and after December 31, 1996, the Maximum Regular Annual Assessment shall be automatically increased each year by ten (10%) percent unless a lesser amount is specified by the Board of Directors.

(E) Any increase or decrease in the Maximum Regular Annual Assessment or actual levied assessment shall be made in such a manner that the proportionate increase or decrease is the same for Owners of Residential Lots and Family Dwelling Units.

Section 4. Special Assessment for Improvements and Additions.
In addition to the Maximum Regular Annual Assessments authorized by Section 3 hereof, the Association may levy Special Assessments for the following purposes:

(A) Construction, reconstruction, remodeling, improvement, maintenance, repair, or replacement of the Common Properties, Restricted Common Properties, Intended Common Properties, or Intended Restricted Common Properties or improvements or facilities thereon, including the necessary fixtures and personal property related thereto;

(B) Additions to the Common Properties or Restricted Common Properties;

(C) Provision for the necessary facilities and equipment to offer the services authorized herein;

(D) Repayment of any loan made to the Association to enable it to perform the duties and functions authorized herein.

Such Special Assessment must have the prior consent of both (a) two-thirds (2/3) of the Members of the Association, either written or by affirmative vote of same in person or by proxy in a duly called meeting of the Association with said purpose being included in the notice of meeting, and (b) the Company, if it owns any properties in the Braxton Village Subdivision.

The fact that the Association has made an Annual Assessment for an amount up to the Maximum Regular Annual Assessment shall not affect its right to make one or more Special Assessments during the year.

The proportion of each Special Assessment to be paid by the owners of the various classifications of assessable property shall be equal to the proportion of the Annual Assessments levied for the Assessment year during which such Special Assessments are approved by the Members.

Section 5. Reserve Funds. The Association shall establish reserve funds from its Annual Assessments to be invested and held for major rehabilitation or repairs; emergency and other repairs required as a result of storm, fire, natural disaster, or other casualty loss; or initial costs of any new service to be performed by the Association.

Section 6. Additional Duties of the Board of Directors. The Board of Directors of the Association shall fix the amount of the Annual Assessment against each Residential Lot and Family Dwelling Unit within the Assessment Schedule as provided hereinabove, and shall, at that time, direct the preparation of an index of the Properties and Annual Assessments applicable thereto, and any Special Assessments applicable thereto, which shall be kept in the Office of the Association and which shall be open to inspection by any Member.

The Association, or its authorized billing agent if applicable, shall upon demand furnish a written certificate, signed by an Officer of the Association, setting forth whether Assessments on a particular property have been paid. Such certificate shall be conclusive evidence against all but the Owners of payment of any Assessment therein stated to have been paid.

Section 7. Effect of Non-Payment of Assessment: The Personal Obligation of the Owner; the Lien; Remedies of Association. If any Annual or Special Assessment is not paid on or before the due date specified therein, then such Assessment shall be considered

BK 80577062

delinquent and shall, together with a four percent (4%) late charge after fifteen (15) days past due, interest at the maximum legal rate, and costs of collection thereof, including a reasonable attorney's fee, become a charge and continuing lien on the land and all improvements thereof against which each such Assessment is made, as well as the personal obligation of each Owner of the lot against which it is assessed. If the Assessment is not paid within thirty (30) days after the due date, the Association may file suit against the Owner personally to recover the amounts described above, and/or an action to enforce the lien by sale of the lot to satisfy same.

Section 8. Subordination of the Lien. The Lien of the Assessments provided for herein shall be subordinate to the lien of any mortgages or deed of trust now or hereafter placed upon any properties subject to Assessment. Holders of mortgages or deeds of trust are not required to collect Assessments. Failure to pay assessments does not constitute a default under an insured mortgage or deed of trust.

Section 9. Exempt Property. The following property, individuals, partnerships, and corporations subject to this Declaration shall be exempted from the Assessment, charge, and lien created herein:

(A) All lands designated on the Master Plan for intended use, and all lands and improvements actually used, for recreational and community facilities owned and operated by the Company, the Company's Affiliates, the Developer, the Developer's Affiliates, and the Association;

(B) All lands and improvements thereon designated in any way as Common Properties or Restricted Common Properties;

(C) All lands and any improvements thereon committed to the Association through express, written notification by the Company to the Association of intent to convey to the Association, including, without limitation, Intended Common Properties and Intended Restricted Common Properties;

(D) Property used for the maintenance, operation and service of facilities within Common Properties, Restricted Common Properties, Intended Common Properties, and Intended Restricted Common Properties;

(E) Property used for the maintenance, operation, and service of utilities within the Properties;

(F) The grantee in conveyances made for the purpose of granting utility easements.

(G) Property and improvements owned by any other Homeowners Association organized by the Company or by others with the consent of the Company within the Properties if such Homeowners Association operates such facilities for the private use of its members or the Members of the Association;

(H) Places of worship; libraries; fire stations and rescue squads; post offices, day care centers, nursery schools and other schools and instructional centers; non-profit or charitable community, civic, or cultural clubs and institutions; and other community facilities which the Board of Directors, in its sole and

uncontrolled discretion, may designate as Exempt Properties.

Section 10. Annual Statements. The President, Treasurer, or such other Officer as may have custody of the funds of the Association shall annually, within sixty (60) days after the close of the fiscal year of the Association, prepare a financial statement showing the assets and liabilities of the Association at the close of such fiscal year, and a statement of revenues and expenses. Such Officer shall furnish to the Board of Directors, the Company and Developer, and to each Member of the Association upon the Member's request, a copy of such statement.

Section 11. Annual Budget. The Board of Directors shall prepare, at least sixty (60) days prior to the first day of the upcoming fiscal year, a budget outlining anticipated receipts and expenses for the upcoming fiscal year. A copy shall be furnished to the Company and Developer, and to each Member of the Association upon the Member's request. The fiscal books of the Association shall be available for inspection by the Company, Developer, and Members.

Section 12. Working Capital Fund. At the time of closing of each sale or transfer (other than intra-family) of a Family Dwelling Unit, a sum equal to at least two months assessment for each unit (based on the "Current Regular Annual Assessment" in effect at the time of the sale) shall be collected from the Buyer and transferred to the Association, to be designated as working capital or operating funds in the discretion of the Board of Directors. Amounts paid into the fund shall not be considered advance payment of the next due regular assessment.

ARTICLE VII.

ARCHITECTURAL CONTROL

Section 1. Purpose. The primary purpose and foremost consideration of these restrictive covenants is the creation of a community which is aesthetically pleasing, functionally convenient, and protective of the owners' investment. The establishment of detailed standards relating to design, size and location of dwellings and other structures makes it impossible to take full advantage of the individual characteristics of each lot, technological advances, and environmental values. In order to implement the purposes of these covenants the Declarant may establish and amend from time to time objective standards, regulations, specifications, rules and guidelines for architecture, construction, signs, mailboxes, landscaping, and environment which may be the same for the subdivision as a whole or different for individual neighborhoods.

Section 2. Controls.

(A) No building, fence, or other improvement shall be constructed, erected, placed, or altered on any lot until the building plans and specifications (including but not limited to architectural style, construction techniques, exterior materials,

colors, and finishes, roofing material, driveway material, and landscape design), and plat showing the proposed location of same have been approved in writing by the architectural committee, in its sole and uncontrolled discretion and based upon such grounds as it alone deems sufficient, so as to ensure the goals above as well as conformity and harmony of exterior design and construction with existing structures and improvements in the development and the intent of these covenants. The plat shall also show location, topography, finished elevation, drainage, and setbacks. In the event the committee fails to approve or disapprove the complete set of plans, specifications, and plat within thirty (30) days after submission, this covenant will be deemed fully complied with. The committee may retain all plans, specifications, and plats submitted to them.

(B) All driveways shall be paved with concrete, brick or such other material as may be approved in writing by the Architectural Committee. Each lot owner shall, prior to occupancy, provide for sufficient off-street parking for a minimum of two (2) automobiles.

(C) It shall be the responsibility of each lot owner to prevent and correct unclean or unsightly conditions of buildings or lots. All lots shall be kept clean and free of garbage, junk, trash, debris, non-operable vehicles and apparatus, and any substance and condition that might contribute to an unsightly condition, health hazard or the breeding and habitation of snakes, rats, or insects. The owners of lots shall see to the mowing of their lawn as needed, the maintenance and protection of landscaping, the proper drainage of the lot so as to prevent soil erosion, and the maintenance of the home and other structures and improvements located on said lot so as to insure their good condition and appearance. "Lot" as used in this section also includes that portion of the lot between the right of way and the pavement.

Upon a lot owner's continued failure or refusal to abide by this section after fourteen (14) days written notice, the Architectural Committee may perform the required maintenance and repairs, with the lot owners to be responsible for the reasonable charges for same, together with a twenty-five percent (25%) surcharge to the Association to cover its administrative costs. The charges and surcharge shall constitute a lien upon the lot to the same extent as an unpaid Regular Annual Assessment.

Any dwelling or outbuilding which is destroyed in whole or in part by fire, windstorm, or other casualty or act of God must be rebuilt or the debris removed and the lot restored to a sightly condition promptly, and any event within six (6) months.

No offensive or noxious activity shall be carried on upon any lot, nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance or nuisance to other residents. There shall not be maintained any plant, animal, device or thing of any sort whose activity or existence is in any way noxious, loud, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the enjoyment of the neighborhood by the

owners thereof. Unless otherwise approved in writing by the architectural committee, no sign, other than a single "For Sale" or "Sold" sign, and signs at the sales office, shall be placed on any lot. Lot owners' vehicles shall not be habitually parked on the street; and no boat, camper, commercial vehicle, vehicle with three or more axles, or trailer shall be parked or permitted to remain on a street, or on a lot so as to be visible from the street. Outside clothes lines are not permitted on lots.

(D) All mailboxes shall be of the same design, color, construction, and materials and shall be as approved by the Architectural Committee. Receptacles for newspapers or other publications are not permitted except as part of the approved mailbox design.

(E) Declarant reserves to itself and its successors and assigns, in addition to any easements of record, a perpetual, alienable and releasable easement and right on, over and under the ground to erect, install, maintain and use electric and telephone poles, wires, cables, conduits, sewers, water mains, water drainage provisions and facilities, and other suitable equipment for the conveyance and use of electricity, telephone equipment, cable television, gas, water, sewer, water drainage and public conveniences or utilities on, in or over five (5) feet around the perimeter of each lot. These easements and rights expressly include the right to cut any trees, bushes, or shrubbery, excavate and grade soil, and take any other action reasonably necessary to economical and safe utility installation and to maintain reasonable standards of health, safety and appearance.

(F) Radio towers, exterior television antennas and similar transmission and receiving apparatus shall not be placed on the property, except that one small satellite dish may be placed on each lot if adequately screened so as not to be visible from the street if approved in writing by the architectural committee.

(G) Houses and related structures must be completed within one (1) year after the construction of same shall have commenced, except where such completion is interrupted by fire or similar casualty or act of God.

Section 3. Review Board. These restrictive covenants may be amended at any time by written agreement of both (a) two-thirds (2/3) of all of the owners of the lots, and (b) the Company and the Developer if they own any properties in the Braxton Village Subdivision; provided amendment requires HUD/VA prior approval as long as there is a Class B membership.

Notwithstanding the foregoing, the Company, for so long as it shall retain control of the Board of Directors of the Association, and, thereafter, the Board of Directors, may amend this Declaration as shall be necessary, in its opinion, and FNMA and without the consent of any Owner, in order to qualify the Association for tax-exempt status, correct obvious errors and omissions herein, conform to the requirements of any law or governmental agency having legal jurisdiction over the Properties or any improvements thereon for mortgage or improvement loans made, insured, or guaranteed by a government agency or to comply with the requirements of law or regulations of any corporation or agency belonging to, sponsored by, or under the substantial control of, the United States Government or the State of North Carolina, regarding purchase or sale of any portion of the Properties or mortgage interests therein, as well as any other law or regulation relating to the control of the Properties, including, without limitation, ecological controls, construction standards, aesthetics, and matters affecting the public health, safety, and general welfare. Section 5. Interpretation. The Board of Directors of the Association shall have the right to determine all questions arising in connection with this Declaration of Covenants and Restrictions, and to construe and interpret its provisions, and its determination, construction, or interpretation shall be final and binding. In all cases, the provisions of this Declaration of Covenants and Restrictions shall be given that interpretation or construction that will best tend toward the consummation of the general plan of improvements.

Section 6. Authorized Action. All actions which the Association is allowed to take under this instrument shall be authorized actions of the Association if approved by the Board of Directors of the Association in the manner provided for in the By-Laws of the Association, unless the terms of this instrument provide otherwise.

Section 7. Other Agreements. Notwithstanding anything contained herein to the contrary, all the provisions of these Covenants shall be subject to and conform with the provisions of:

(A) The Zoning Ordinances of the Town of Holly Springs and County of Wake, and the rules and regulations promulgated thereunder, as may from time to time hereafter be amended or modified;

(B) The Master Plan for the development of Braxton Village as may from time to time hereinafter be amended or modified.

None of the provisions of this section are or shall in any way be construed to be or to constitute a conveyance, transfer, disposition, waiver or relinquishment of any right, title, and interest of the Company of the Association, as their respective rights, titles, and interests may appear, in and to or under any of the above referenced instruments or documents to or for the benefit of any other person, firm or corporation.

Section 8. Limited Liability. In connection with all reviews, acceptances, inspections, permissions, consents or required approvals by or from the Company and/or the Association contemplated under this Declaration, neither the Company nor the Association shall be liable to an Owner or to any other person on account of any claim, liability, damage, or expense suffered or incurred by or threatened against an Owner or such other person and arising out of or in any way relating to the subject matter of any such reviews, acceptances, inspections, permissions, consents or required approvals, whether given, granted, or withheld.

Section 9. Management and Contract Rights of Association.

The Company may enter into a contract with a Management company or manager for the purposes of providing all elements of the operation, care, supervision, maintenance, and management of the property. However, no such contract shall be binding upon the Association except through express adoption, or ratification of the terms and conditions of such contract. Any contract or lease entered into by the Company or by the Association while the Company is in control thereof shall contain a provision allowing the Association to terminate such contract without justification or penalty after transfer of management by the company to the Association.

Section 10. Exchange of Common Area.

Notwithstanding any provision herein to the contrary, it is expressly provided that the Association may exchange with the Company, as well as any other Owner, for fair value any portion of the Common Properties theretofore conveyed to the Association for additional property to be added to the Common Properties. Any such exchange and conveyance shall be subject to prior VA or HUD and FNMA approval. Upon such exchange and conveyance, the area conveyed shall cease to be Common properties and shall cease to be subject to the provisions of this Declaration relating to the Common Properties. Any area acquired by the Association pursuant to the foregoing language shall become Common Property and subject to the provisions of these covenants relating to the Common Property.

Section 11. VA or HUD, and FNMA Approval.

As long as there is a Class B membership the following acts will require the prior approval of VA or HUD and FNMA: Annexation of additional properties, dedication of Common Areas, and amendment of this Declaration of Covenants, Conditions and Restrictions.

Section 12. Easements.

(A) All Properties shall be subject to such easements for walkways, water lines, sanitary sewers, storm drainage facilities, gas lines, telephone, streets and electric power lines, television antenna lines and other utilities, and for ingress, egress and regress as necessary to operate and maintain same, and as otherwise deemed necessary by the Company or the Association, who shall have the power and authority to grant and establish further easements upon, over, under and across the Property.

(B) All Properties shall be subject to easements for the encroachment of initial improvements constructed thereon to the extent that such initial improvements actually encroach, including, without limitation, such items as overhanging eaves, gutters, downspouts, exterior storage rooms, bay windows, steps and walls. If any encroachment shall occur subsequent to subjecting Braxton Village to this Declaration as a result of any permissible repair, construction, reconstruction, or alteration, there is hereby created and shall be and remain a valid easement for such encroachment for the maintenance of the same. For a period of thirty (30) years from the date of recording this Declaration, the Company reserves an easement and right on, over and under any property comprising Braxton Village to maintain and to correct

drainage or surface water runoff in order to maintain reasonable standards of health, safety and appearance. Such right expressly includes the right to cut trees, bushes or shrubbery, make any gradings of the soil, or take any other similar action reasonably necessary. After such action has been completed, the Company shall restore affected property to its original condition to the extent practicable. Company shall give reasonable notice of intent to take such action to all affected Owners.

(C) An easement is hereby established for municipal, state or public utilities serving Braxton Village, their agents and employees over all Common Properties hereby or hereafter established for setting, removing, maintaining, monitoring, and reading utilities and utility meters, maintaining and replacing utility or drainage facilities and connections, and acting with other purposes consistent with the public safety and welfare, including, without limitation, police and fire protection.

(D) The Company and Association reserve the right to subject the Property to contracts with utility companies for the installation of above ground or underground electric cables and lines and/or the installation of street lighting, either or both of which may require an initial payment and/or a continuing monthly payment by the Owner of each Unit within said Property.

Section 13. Subdivision of Lots. Although lot lines may be altered, and the owners of two lots may subdivide a Lot located between them with the written permission of the architectural committee, no lot may be subdivided so as to create two or more building lots from the original lot or increase the total number of building lots in the subdivision. The Company and Developer reserve the right to replat or otherwise modify the shape or size of any lot during the time they own same.

Section 14. Conflict. In the case of a conflict between this Declaration and subsequent covenants recorded for individual sections or phases of the Properties, this Declaration shall control.
