MASSACHUSETTS – FIRE LOSSES FOLLOWING TERRORISM ADVISORY NOTICE TO POLICYHOLDERS

No coverage is provided by this Policyholder Notice nor can it be construed to replace any provisions of your policy. You should read your policy and review your Declarations page for complete information on the coverage you are provided.

Your property insurance policy includes an endorsement which imposes an exclusion or sub-limit of insurance for loss caused by acts of terrorism as defined in the endorsement. Such exclusion or sub-limit applies to all losses attributable to such acts of terrorism, including fire losses, which are subject to the federal Terrorism Risk Insurance Program (TRIP) for its duration, or its successor. Direct property loss by fire resulting from acts of terrorism after the termination of TRIP will no longer be subject to the exclusion or sub-limit stated in the aforementioned endorsement. TRIP is scheduled to terminate at the end of 2014, but action by Congress could extend that date.

Identity Recovery Coverage Form

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties, and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we," "us" and "our" refer to the Company providing this Insurance. Other words and phrases that appear in quotation marks have special meaning. Refer to Section G - DEFINITIONS.

A. COVERAGE

We will provide the Case Management Service and Expense Reimbursement Coverage indicated below if all of the following requirements are met:

- 1. There has been an "identity theft" involving the personal identity of an "identity recovery insured" under this policy;
- 2. Such "identity theft" is first discovered by the "identity recovery insured" during the policy period for which this Identity Recovery coverage is applicable;
- 3. Such "identity theft" is reported in writing to the police; and
- 4. Such "identity theft" is reported to us within 60 days after it is first discovered by the "identity recovery insured."

If all four of the requirements listed above have been met, then we will provide the following to the "identity recovery insured":

1. Case Management Service

Services of an "identity recovery case manager" as needed to respond to the "identity theft"; and

2. Expense Reimbursement

Reimbursement of necessary and reasonable "identity recovery expenses" incurred as a direct result of the "identity theft."

You may make a claim under this coverage prior to reporting the "identity theft" to the police, and we may refer the "identity recovery insured" to an "identity recovery case manager" if the other three coverage requirements are met. However, we will not reimburse any "identity recovery expenses" until the "identity theft" has been reported in writing to the police, and we reserve our right to terminate the services of the "identity recovery case manager" if the "identity recovery insured" does not make such a written report to the police within a reasonable period of time.

B. EXCLUSIONS

We do not cover:

- 2. "Identity recovery expenses" incurred due to any fraudulent, dishonest or criminal act by an "identity recovery insured" or any person aiding or abetting an "identity recovery insured", or by any authorized representative of an "identity recovery insured", whether acting alone or in collusion with others. However, this exclusion shall not apply to the interests of an "identity recovery insured" who has no knowledge of or involvement in such fraud, dishonesty or criminal act.

C. LIMITS OF INSURANCE

- 1. Case Management Service is available as needed for any one "identity the ft" for up to 12 consecutive months from the inception of the service. Expenses we incur to provide Case Management Service do not reduce the amount of limit available for Expense Reimbursement coverage.
- 2. Expense Reimbursement coverage is subject to a limit as indicated in the Declarations. This is an annual aggregate limit per "identity recovery insured." Regardless of the number of claims, this limit is the most we will pay for the total of all loss or expense arising out of all "identity thefts" to any one "identity recovery insured" which are first discovered by the "identity recovery insured" during a 12-month period

IDRAS 03 10 1 of 4

If an "identity theft" is first discovered in one policy period and continues into other policy periods, all loss and expense arising from such "identity theft" will be subject to the aggregate limit applicable to the policy period when the "identity theft" was first discovered.

- 3. Legal costs as provided under item d. of the definition of "identity recovery expenses" are part of, and not in addition to, the Expense Reimbursement coverage limit.
- 4. Item e. (Lost Wages) and item f. (Child and Elder Care Expenses) of the definition of "identity recovery expenses" are jointly subject to a sublimit of \$5,000. This sublimit is part of, and not in addition to, the Expense Reimbursement coverage limit. Coverage is limited to wages lost and expenses incurred within 12 months after the first discovery of the "identity theft" by the "identity recovery insured."

SCHEDULE

The **Exception Covering Certain Fire Losses** (Paragraph **C)** applies to property located in the following state(s), if covered under the indicated Coverage Form, Coverage Part or Policy:

| State(s) | Coverage Form, Coverage Part Or Policy |
|---|---|
| MA | COMMERCIAL PROPERTY |
| | |
| | |
| | |
| | |
| Information required to complete this Schedule, if not sh | own above, will be shown in the Declarations. |

A. The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

- The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
- 2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

B. The following exclusion is added:

CERTIFIED ACT OF TERRORISM EXCLUSION

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

C. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph **B.** applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

DEFINITION

"Period of Restoration" means the period of time that:

- 1. Begins
 - (a) 72 hours after the time of direct physical loss or damage for Business Income coverage; or
 - (b) Immediately after the time of direct physical loss or damage for Extra Expense coverage; caused by or resulting from any Covered Cause of Loss at the described premises; and
- 2. Ends on the earlier of:

- (a) The date when the property at the described premises should be repaired, rebuilt or replaced with reasonable speed and similar quality; or
- (b) The date when business is resumed at a new permanent location, or
- (c) 12 months after the date of direct physical loss or damage, unless this time period is modified by an AMENDMENT OF LIMITS AND DEDUCTIBLES ENDORSEMENT attached to your policy which provides a different period of coverage. If an AMENDMENT OF LIMITS AND DEDUCTIBLES ENDORSEMENT is attached to your policy, then the reference to 12 months is modified to the option (either 18, 24, 30 or 36 months option) indicated in the AMENDMENT OF LIMITS AND DEDUCTIBLES ENDORSEMENT.

"Period of restoration" does not include any increased period required due to the enforcement of any ordinance or law that:

- (i) Regulates the construction, use or repair, or requires the tearing down of any property; or
- (ii) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants," or
- (iii) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "fungus," wet or dry rot, or bacteria. This exclusion of "fungus," wet or dry rot, or bacteria does not apply when "fungus", wet rot, dry rot or bacteria results from a Covered Cause of Loss. Exclusion B.2.d.(2) of the Causes of Loss Special Form continues to apply.

The additional limits provided by this endorsement are subject to all the applicable provisions of the Enhanced Property Coverage Endorsement.

But if any of the above, in Exclusion 1 (a) through (e), results in fire, explosion, or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion, or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

Otherwise, the applicable limit of coverage is the amount set out in the Table of Coverages. However, the co-insurance condition will not apply to the loss or damage.
 - b. The Deductible amount for this Sewer and Drain Back-Up and Overflow and Sump Overflow Limited Additional Coverage is \$5,000, unless a higher Deductible is shown in the Property Declarations applicable to the covered building(s). The deductible amount applies separately to each occurrence or event. However, if, under subparagraph a., the limit of coverage available for the loss or damage is stated in the Property Declarations, then only the Deductible amount applicable to that limit will apply.

This Ordinance or Law Limited Additional Coverage applies only if both I.(1) and I.(2) are satisfied, and is then subject to the qualifications set forth in I.(3).

- (1) The ordinance or law;
 - (a) Regulates the demolition, construction or repair of buildings, or establishes zoning or land use requirements at the described premises; and

But this Ordinance or Law Limited Additional Coverage applies only in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered under this Ordinance or Law Limited Additional Coverage.

- (2) (a) A building that is described in the Declarations sustains direct physical damage that is covered under this policy and such damage results in the enforcement of the ordinance or law; or
 - (b) A building that is described in the Declarations sustains both direct physical damage that is covered under this policy and direct physical damage that is not covered under this policy, and the building damage in its entirety results in enforcement of the ordinance or law.
 - (c) But if a building that is described in the Declarations sustains direct physical damage that is not covered under this policy, and such damage is the subject of the ordinance or law, then there is no coverage under this Ordinance or Law Limited Additional Coverage even if the building has also sustained covered direct physical damage.
- (3) In the situation described in (2)(b) above, we will not pay the full amount of loss otherwise payable under the terms of Coverages A, B, and/or C of this Ordinance or Law Limited Additional Coverage. Instead, we will pay a proportion of such loss; meaning the proportion that the covered direct physical damage bears to the total direct physical damage. (See Example of Proportionate Loss Payment for Ordinance Or Law Coverage Losses below.)

However, if the covered direct physical damage, alone, would have resulted in enforcement of the ordinance or law, then we will pay the full amount of loss otherwise payable under the terms of Coverages **A**, **B** and/or **C** of this Ordinance or Law Limited Additional Coverage.

Example of Proportionate Loss Payment for Ordinance Or Law Limited Additional Coverage Losses (procedure as set forth in Section I.(3) of this endorsement.)

Assume:

- · Wind is a Covered Cause of Loss; Flood is an excluded Cause of Loss
- The building has a value of \$200,000
- Total direct physical damage to building: \$100,000
- The ordinance or law in this jurisdiction is enforced when building damage equals or exceeds 50% of the building's value
- Portion of direct physical damage that is covered (caused by wind): \$30,000
- Portion of direct physical damage that is not covered (caused by flood): \$70,000
- Loss under Ordinance Or Law Limited Additional Coverage, Coverage C of this endorsement: \$60,000

Step 1:

Determine the proportion that the covered direct physical damage bears to the total direct physical damage.

\$30,000 | \$100,000 = .30

Step 2:

Apply that proportion to the Ordinance or Law loss.

 $$60,000 \times .30 = $18,000$

In this example, the most we will pay under this endorsement for the Coverage **C** loss is \$18,000, subject to the applicable Limit of Insurance and any other applicable provisions.

Note: The same procedure applies to losses under Coverages A and B of this endorsement.

II. COVERAGE

Coverage A - Coverage for Loss to the Undamaged Portion of the Building

With respect to the building that has sustained covered direct physical damage, we will pay under **Coverage A** for the loss in value of the undamaged portion of the building as a consequence of enforcement of an ordinance or law that requires demolition of undamaged parts of the same building. **Coverage A** is included within the Limit of Insurance shown in the Declarations as applicable to the Covered Building. **Coverage A** does not increase the Limit of Insurance.

Coverage B - Demolition Cost Coverage

With respect to the building described in the Declarations that has sustained covered direct physical damage, we will pay the cost to demolish and clear the site of undamaged parts of the same building, as a consequence of enforcement of an ordinance or law that requires demolition of such undamaged property. The amount payable under this Additional Coverage is additional insurance.

The Coinsurance Additional Condition does not apply to Demolition Cost Coverage.

when the increased cost is a consequence of enforcement of the minimum requirements of the ordinance or law.

However:

- (i) This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law.
- (ii) We will not pay for the increased cost of construction if the building is not repaired, reconstructed or remodeled.

The amount payable under this Additional Coverage is additional insurance.

The Coinsurance Additional Condition does not apply to Increased Cost Of Construction Coverage.

- (2) When a building is damaged or destroyed and Coverage C applies to that building in accordance with paragraph (1) of Coverage C Increased Cost of Construction, coverage for the increased cost of construction also applies to repair or reconstruction of the following, subject to the same conditions stated in (1):
 - (a) The cost of excavations, grading, backfilling and filling;
 - (b) Foundation of the building;
 - (c) Pilings; and
 - (d) Underground pipes, flues and drains.

 - (i) The amount you would actually spend to repair, rebuild or reconstruct the building, but not for more than the amount it would cost to restore the building on the same premises and to the same height, floor area, style and comparable quality of the original property insured; or
 - (ii) The Limit of Insurance shown in the Declarations as applicable to the covered building.
- (b) If the Replacement Cost Coverage Option applies and the property is not repaired or replaced, or if the Replacement Cost Coverage Option does not apply, we will not pay more than the lesser of:

- (ii) The Limit of Insurance shown in the Declarations as applicable to the covered building.

(3) Coverages B and C

- (a) Loss payment under *Coverage B* Demolition Cost Coverage will be determined as follows: We will not pay more than the lesser of the following:

 - (ii) The Limit of Insurance shown in the Table of Coverages of this ENHANCED PROPERTY COVERAGE ENDORSEMENT HABITATIONAL GOLD.
- (b) Loss payment under **Coverage C** Increased Cost of Construction Coverage will be determined as follows:

 - (iii) If the ordinance or law requires relocation to another premises, the most we will pay under Coverage C is the lesser of:
 - (A) The increased cost of construction at the new premises; or
 - (B) The limit stated in the Table of Coverages of this ENHANCED PROPERTY COVERAGE ENDORSEMENT HABITATIONAL GOLD
- (c) Blanket limits: Coverages B and C

The limits provided under this Additional Coverage for *Coverage B* and *Coverage C* apply on a blanket basis. Regardless of the number of buildings or locations involved in an occurrence, the most we will pay for all damages arising from one occurrence is shown in the Table of Coverages of this ENHANCED PROPERTY COVERAGE ENDORSEMENT HABITATIONAL GOLD for each of these coverages.

Services Interruption applies only when an Off-Premises Services Interruption occurs during the policy period and only if all reasonable means were used to save and preserve the Covered Property from further damage at the time of and after the occurrence. The Limit of Coverage for the Additional Coverage – Off-Premises Services Interruption Limited Additional Coverage is shown in the Table of Coverages. The Off-Premises Service Interruption must result from direct physical loss or damage by a Covered Cause of Loss to property not on the described premises that provided the following services:

(3) Annual Aggregate Limit of Insurance

Subject to the Limit of Insurance shown in the Declarations for any single Building or Business Personal Property insured under this policy and paragraph (4) immediately below, the most we will pay for the sum of all direct and indirect loss or damage (i.e., the total of all direct physical loss of or damage to Covered Property, plus all loss payable under Business Income and Extra Expense) under this Off Premises Services Interruption Limited Additional Coverage is the Limit of Insurance shown in the Table of Coverages of this ENHANCED PROPERTY COVERAGE ENDORSEMENT HABITATIONAL GOLD. This is an Annual Aggregate Limit of Insurance and applies no matter how many losses occur or claims are made or how many buildings, premises or locations are covered by this policy.

Definition: The term Annual Aggregate Limit of Insurance means this amount is the **most** we will pay for the total of **all** loss or damage to covered Building and Business Personal Property, including loss of income payable under the Business Income with or without Extra Expense Coverage Form(s), from **all** Off Premises Services Interruption(s) (as described in Paragraph (1) above), occurring during a **12**-month policy period (starting with the beginning of the present annual policy period), even if there is more than one occurrence of Off Premises Services Interruption during that period of time.

How the Annual Aggregate Applies: If there is more than one Off Premises Services Interruption occurrence in a 12-month policy period, the most we will pay for the total of all loss or damage sustained during that period of time is the amount shown as the Annual Aggregate Limit of Insurance for Off Premises Services Interruption Limited Additional Coverage in the Table of Coverages of this ENHANCED PROPERTY COVERAGE ENDORSEMENT HABITATIONAL GOLD. Should the first Off Premises Services Interruption not exhaust the Annual Aggregate Limit of Insurance, then the balance of that Limit is available for any subsequent Off Premises Services Interruptions that occur during the 12 month policy period.

With respect to the Annual Aggregate Limit, we will not pay more than the Limit of Insurance shown in the Table of Coverages of this ENHANCED PROPERTY COVERAGE ENDORSEMENT HABITATIONAL GOLD, even if the Off Premises Services Interruption continues to be present or active, or recurs, in a later policy period

 - The coverage provided under this Off Premises Services Interruption Limited Additional Coverage does not increase the applicable Limit of Insurance shown in the Declarations on any Covered Property. Under this Off Premises Services Interruption Limited Additional Coverage, we will never pay more for any direct damage loss in any single occurrence than the Limit of Insurance shown in the Declarations for Covered Property.
- (5) To the extent that a part of the Utility Services Exclusion(s) might conflict with coverage provided under this ENHANCED PROPERTY COVERAGE ENDORSEMENT HABITATIONAL GOLD, part **B.1.e**.of the Causes of Loss-Special Form Utility Exclusion does not apply.
- (6) If a loss is covered both under this Off Premises Services Interruption Limited Additional Coverage and by a separate endorsement providing Off Premises or Utility Services coverage (specific insurance) attached to this policy, the limits of this Off Premises Services Interruption Limited Additional Coverage Extension will be excess of that separate Utility Services or Off Premises Services Endorsement, and only the deductible applicable to that separate Utility Services or Off Premises Endorsement will apply to the loss.
- (7) Exclusions **B.1.e.** and **B.4.a.** (1) of the Cause of Loss Special Form do not apply to this Limited Additional Coverage.
- (8) This Limited Additional Coverage is additional insurance. The Additional Condition, Coinsurance, does not apply to this extension.
- (9) If:
 - (a) The Equipment Breakdown Enhancement Endorsement, **GNYCP 03**, is attached to your policy, this Limited Additional Coverage Off-Premises Services Interruption is superseded by, and is not in addition to, the coverage provided by the Equipment Breakdown Enhancement Endorsement, but only if a covered "Equipment Breakdown," as defined in the Equipment Breakdown Enhancement Endorsement, **GNYCP 03**, occurs;
 - (b) the Additional Coverage Spoilage Limited Additional Coverage is provided elsewhere in the policy, the Limit of Coverage for Business Income or Extra Expense under this Additional Coverage - Off-Premises Services Interruption Limited Additional Coverage, is superseded by, and is not in addition to, that coverage.

This **12**-month limit replaces the limit of Insurance shown in the Declarations for Business Income or Business Income and Extra Expense, and applies unless this **12**-month time period is modified by a AMENDMENT OF LIMITS AND DEDUCTIBLES endorsement attached to your policy which provides a different period of coverage.

If COVERAGE for "Interior and Underground Water Damage" is provided by your policy only to the extent that coverage is provided for "Interior and Underground Water Damage" in the Enhanced Property Coverage Endorsement attached to your policy, and if such coverage is provided in the Enhanced Property Coverage Endorsement, then:

- a. "Interior Water Damage" means direct physical loss of or damage to the interior of any covered Building or structure, or to covered Business Personal Property in the building or structure located at premises described in the Schedule of this endorsement, caused by or resulting from water from rain, snow, sleet, or ice seeping in or entering through an opening (such as a door or window) due to the force of the wind acting on or pressing against the water.

This coverage applies regardless of whether or not:

- (1) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or
- (2) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.

However, we will not pay for any direct physical loss of or damage to personal property owned by, used by or in the care, custody or control of a Condominium unit owner or Cooperative proprietary lessee or tenant of an Apartment unit.

"Interior and Underground Water Damage" does not include loss or damage caused by or resulting from or arising out of "Sewer Back-Up" or "Ice Damming".

For the purposes of the coverage provided by this **Per Unit Deductible Coverage Endorsement**, paragraph **1.c.** under **C. Limitations** of the Causes of Loss – Special Form is deleted and replaced by the following:

- 1. We will not pay for loss of or damage to property, as described and limited in this section. In addition, we will not pay for any loss that is a consequence of loss or damage as described and limited in this section.
 - c. The interior of any building or structure, or to personal property in the building or structure, caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:
 - (1) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the sand or dust enters; or
 - (2) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.

Paragraph 1.c. does not apply to the extent that coverage for seepage in the "Interior and Underground Water Damage" coverage is provided in a Enhanced Property Coverage Endorsement and amended in paragraph A.5. of the Per Unit Deductible Coverage Endorsement.

6. "Any Covered Cause of Loss"

The following is provided as an explanation of COVERAGE to which the Per Unit Deductibles indicated in the Schedule of this endorsement apply. COVERAGE is provided by your policy for "Any Covered Cause of Loss" only to the extent that coverage is provided for a covered cause of loss in any form or endorsement included in this policy.

B. Only as respects loss(es) caused by or resulting from the COVERAGE(S) indicated in Section I of the Schedule (and as described in paragraph A. above), the following will apply and is in addition to D. Deductible of the Building and Personal Property Coverage Form and the Condominium Association Coverage Form:

D. Deductible

1. How A Deductible Applies To A Loss:

General Description: In any one occurrence of covered loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the applicable Deductible amount (calculated through the methods described below), we will not pay for that loss. If

PERUDED 08/21 Page 5 of 7

the adjusted amount of loss exceeds the Deductible amount (calculated as described below), we will then subtract the applicable Deductible amount from the adjusted amount of loss, and will pay the resulting amount or the Limit of Insurance, whichever is less.

The deductibles are as follows:

- a) **Building** the policy deductible will apply to the adjusted damages to the building other than to damages to the interior of a unit;
- Per Unit Deductible Building will apply to the adjusted damages to the interior of a Unit
- c) Per Unit Deductible Business Personal Property Contained in a Unit will apply to the adjusted damages to all Business Personal Property Contained in a Unit
- d) Per Unit Deductible Business Personal Property Not Contained in a Unit will apply to the adjusted damages to all business personal property not contained in a unit. Each building is considered a single unit.

The applicable Deductible amounts will be determined as follows from the *Per Unit* Deductible provision indicated in **Section II** of the Schedule of this **Per Unit Deductible Coverage Endorsement**:

- a. (1) The *Per Unit* Deductible-Building applies to the interior of a unit involved in a loss only when the interior of one or more unit in the Building is damaged in the same loss by a COVERAGE shown in paragraph A. EXPLANATION OF COVERAGE(S). The Per Unit Deductible Building shown in the Declarations applies unless a different Deductible is shown in the Schedule above. (2) The *Per Unit* Deductible-Business Personal Property Contained in a Unit applies to the loss for business personal property contained in a unit for each unit involved in a loss only when one or more unit in the Building sustains such business personal property damages in the same loss
 - or more unit in the Building sustains such business personal property damages in the same loss by a COVERAGE shown in paragraph **A.** EXPLANATION OF COVERAGE(S). The Per Unit Deductible-Business Personal Property Contained in a Unit as shown in the Declarations applies unless a different Deductible is shown in the Schedule above.
 - (3) The *Per Unit* Deductible-Business Personal Property Not Contained in a Unit applies to the loss of business personal property not contained in a unit for each unit involved in the same loss, when the Building is damaged in any single loss by a COVERAGE shown in paragraph **A.** EXPLANATION OF COVERAGE(S). The *Per Unit* Deductible-Business Personal Property applies unless a different Deductible amount is shown in the Schedule above.

In the event of loss of or damage to multiple units, each unit will be adjusted individually. After such adjustments, the deductible(s) will be calculated.

If the sum of all three **Per Unit** Deductibles is less than or equal to the Building Deductible, then the Building Deductible will apply to the total adjusted claim. If the sum of all three **Per Unit** Deductibles is greater than the Building Deductible, then the separate **Per Unit** Deductibles will be applied to the adjusted amounts for each individual unit.

Example #1: An Apartment Building has 40 Units and is insured for "Water Damage" loss. The Building suffers a "Water Damage" loss that damages three units while a fourth unit sustains a business personal property loss in a unit:

The Building Deductible = \$5,000

The Per Unit Deductible – Building = \$1,000

The Per Unit Deductible - BPP = \$1,000

Losses:

3 unit damages of \$1,000 each

PERUDED 08/21 Page 6 of 7

1 business personal property damage contained in a unit of \$1,000

Adjustment: The Deductible applied would be the Building Deductible of \$5,000 since the sum of the four Per Unit Deductibles is \$4,000.

Example #2: An Apartment Building has 40 Units and is insured for "**Water Damage**" loss. The Building suffers a single "**Water Damage**" loss that damages three units while a fourth unit sustains a business personal property loss in a unit

Deductibles:

The Building Deductible = \$2,000

The Per Unit Deductible - Building = \$1,000

The Per Unit Deductible - BPP = \$1,000

Losses:

3 unit damages of \$1,000 each

1 business personal property damage contained in a unit of \$1,000

Adjustment: Since the sum of the applicable Per Unit Deductibles is \$4,000, which is greater than the building deductible of \$2,000, the Per Unit Deductibles will apply.

In the event of a loss or damage to one unit, the larger of the policy deductible or the per unit deductible will apply.

C. AMENDMENTS TO COINSURANCE

Only as respects the coverage provided by this **Per Unit Deductible Coverage Endorsement**, paragraph **1. Coinsurance** under Section **F.** Additional Conditions is modified as follows:

- As respects losses caused by or resulting from the covered Causes of Loss selected in Section I of the Schedule and affected by the provisions of the Per Unit Deductible Coverage Endorsement, the following replaces paragraph (4):
 - (4) Subtract the applicable Deductible amount (calculated by the method described in paragraph D. Deductible) from the figure determined in Step (3) as applicable to the property type(s) involved in the loss.
- For losses resulting from the covered Causes of Loss selected in Section I of the Schedule of the Per Unit Deductible Coverage Endorsement, Examples 1, 2 and 3 of the Coinsurance provision do not apply.
- **D.** The **Commercial Property Conditions Form** is amended as follows:

The following is added to paragraph G. OTHER INSURANCE

3. If a unit owner(s) has other insurance providing the covered Causes of Loss selected in **Section I** of the Schedule of the **Per Unit Deductible Coverage Endorsement** and applicable to the property types also covered by this Coverage Part, we will pay only for the amount of covered loss or damage that is in excess of the amount due from the unit owner's insurance. However, we will never pay more than the applicable Limit of Insurance shown in the Declarations.

All other terms and conditions remain unchanged.

- 2. This Coverage Extension does not:
 - (a) Apply to, or
 - (b) Change or increase our liability for:

any limit, sublimit, additional coverage, coverage extension, or endorsement, other than:

- (1) The Building Limit, or
- (2) Ordinance or Law Coverage A (if applicable.)
- 3. Ordinance or Law Coverage A. (if applicable) is included within, not in addition to, the 25% of the building limit provided by this Coverage Extension.
- 4. Additional Conditions, 1. Coinsurance, of the Building and Personal Property and Condominium Association Coverage Form is waived for Building Coverage.

BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section F. Definitions.

A. Coverage

1. Business Income

Business Income means the:

- a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and
- **b.** Continuing normal operating expenses incurred, including payroll.

For manufacturing risks, Net Income includes the net sales value of production.

Coverage is provided as described and limited below for one or more of the following options for which a Limit Of Insurance is shown in the Declarations:

- (1) Business Income Including "Rental Value".
- (2) Business Income Other Than "Rental Value".
- (3) "Rental Value".

If option (1) above is selected, the term Business Income will include "Rental Value". If option (3) above is selected, the term Business Income will mean "Rental Value" only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to property at premises which are described in the Declarations and for which a Business Income Limit Of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of such premises.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of a building, your premises means:

- (a) The portion of the building which you rent, lease or occupy;
- (b) The area within 100 feet of the building or within 100 feet of the premises described in the Declarations, whichever distance is greater (with respect to loss of or damage to personal property in the open or personal property in a vehicle); and
- (c) Any area within the building or at the described premises, if that area services, or is used to gain access to, the portion of the building which you rent, lease or occupy.

2. Extra Expense

- a. Extra Expense Coverage is provided at the premises described in the Declarations only if the Declarations show that Business Income Coverage applies at that premises.
- b. Extra Expense means necessary expenses you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

We will pay Extra Expense (other than the expense to repair or replace property) to:

(1) Avoid or minimize the "suspension" of business and to continue operations at the described premises or at replacement premises or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location. (2) Minimize the "suspension" of business if you cannot continue "operations".

We will also pay Extra Expense to repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.

3. Covered Causes Of Loss, Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

Additional Limitation – Interruption Of Computer Operations

- a. Coverage for Business Income does not apply when a "suspension" of "operations" is caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage, Interruption Of Computer Operations.
- b. Coverage for Extra Expense does not apply when action is taken to avoid or minimize a "suspension" of "operations" caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage, Interruption Of Computer Operations.
- c. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are electronically equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data.
- d. This Additional Limitation does not apply when loss or damage to electronic data involves only electronic data which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.

5. Additional Coverages

a. Civil Authority

In this Additional Coverage, Civil Authority, the described premises are premises to which this Coverage Form applies, as shown in the Declarations.

When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and
- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority Coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

Civil Authority Coverage for Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:

- Four consecutive weeks after the date of that action; or
- (2) When your Civil Authority Coverage for Business Income ends;

whichever is later.

b. Alterations And New Buildings

We will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

- (1) New buildings or structures, whether complete or under construction;
- (2) Alterations or additions to existing buildings or structures; and
- (3) Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:
 - (a) Used in the construction, alterations or additions: or
 - (b) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of "operations", the "period of restoration" for Business Income Coverage will begin on the date "operations" would have begun if the direct physical loss or damage had not occurred.

c. Extended Business Income

(1) Business Income Other Than 'Rental Value"

If the necessary "suspension" of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

- (a) Begins on the date property (except "finished stock") is actually repaired, rebuilt or replaced and "operations" are resumed; and
- (b) Ends on the earlier of:
 - (i) The date you could restore your "operations", with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or
 - (ii) 60 consecutive days after the date determined in (1)(a) above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(2) 'Rental Value"

If the necessary "suspension" of your "operations" produces a "Rental Value" loss payable under this policy, we will pay for the actual loss of "Rental Value" you incur during the period that:

- (a) Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and
- (b) Ends on the earlier of:
 - (i) The date you could restore tenant occupancy, with reasonable speed, to the level which would generate the "Rental Value" that would have existed if no direct physical loss or damage had occurred; or
 - (ii) 60 consecutive days after the date determined in (2)(a) above.

However, Extended Business Income does not apply to loss of "Rental Value" incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of "Rental Value" must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss

d. Interruption Of Computer Operations

(1) Under this Additional Coverage, electronic data has the meaning described under Additional Limitation — Interruption Of Computer Operations.

- (2) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of electronic data due to a Covered Cause of Loss. However, we will not provide coverage under this Additional Coverage when the Additional Limitation Interruption Of Computer Operations does not apply based on Paragraph A.4.d. therein.
- (3) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:
 - (a) If the Causes Of Loss Special Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
 - (b) If the Causes Of Loss Broad Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, includes Collapse as set forth in that form.
 - (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Interruption Of Computer Operations.
 - (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, maintain, repair or replace that system.

- (4) The most we will pay under this Additional Coverage, Interruption Of Computer Operations, is \$2,500 (unless higher limit is shown in the Declarations) for all loss sustained and expense incurred in any one policy year, regardless of the number interruptions or the number of premises, locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.
- (5) This Additional Coverage, Interruption Of Computer Operations, does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in (4) above has not been exhausted.

6. Coverage Extension

If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

Newly Acquired Locations

- a. You may extend your Business Income and Extra Expense Coverages to apply to property at any location you acquire other than fairs or exhibitions.
- b. The most we will pay under this Extension, for the sum of Business Income loss and Extra Expense incurred, is \$100,000 at each location, unless a higher limit is shown in the Declarations.
- c. Insurance under this Extension for each newly acquired location will end when any of the following first occurs:
 - (1) This policy expires;

- (2) 30 days expire after you acquire or begin to construct the property; or
- (3) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property.

The Additional Condition, Coinsurance, does not apply to this Extension.

B. Limits Of Insurance

The most we will pay for loss in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

Payments under the following coverages will not increase the applicable Limit of Insurance:

- 1. Alterations And New Buildings;
- 2. Civil Authority;
- 3. Extra Expense; or
- 4. Extended Business Income.

The amounts of insurance stated in the Interruption Of Computer Operations Additional Coverage and the Newly Acquired Locations Coverage Extension apply in accordance with the terms of those coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage.

C. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Appraisal

If we and you disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- **b.** Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Loss

- a. You must see that the following are done in the event of loss:
 - (1) Notify the police if a law may have been broken.
 - (2) Give us prompt notice of the direct physical loss or damage. Include a description of the property involved.
 - (3) As soon as possible, give us a description of how, when and where the direct physical loss or damage occurred.
 - (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
 - (5) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.
 - Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
 - (6) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
 - (7) Cooperate with us in the investigation or settlement of the claim.
 - (8) If you intend to continue your business, you must resume all or part of your "operations" as quickly as possible.
- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

3. Loss Determination

- a. The amount of Business Income loss will be determined based on:
 - The Net Income of the business before the direct physical loss or damage occurred;
 - (2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;
 - (3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and
 - (4) Other relevant sources of information, including:
 - (a) Your financial records and accounting procedures;
 - (b) Bills, invoices and other vouchers; and
 - (c) Deeds, liens or contracts.
- b. The amount of Extra Expense will be determined based on:
 - (1) All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
 - (a) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and
 - (b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
 - (2) Necessary expenses that reduce the Business Income loss that otherwise would have been incurred.

c. Resumption Of Operations

We will reduce the amount of your:

- (1) Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.
- (2) Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.
- d. If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

4. Loss Payment

We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

- **a.** We have reached agreement with you on the amount of loss; or
- **b.** An appraisal award has been made.

D. Additional Condition

COINSURANCE

If a Coinsurance percentage is shown in the Declarations, the following condition applies in addition to the Common Policy Conditions and the Commercial Property Conditions.

We will not pay the full amount of any Business Income loss if the Limit of Insurance for Business Income is less than:

- The Coinsurance percentage shown for Business Income in the Declarations; times
- 2. The sum of:
 - a. The Net Income (Net Profit or Loss before income taxes), and
 - **b.** Operating expenses, including payroll expenses,

that would have been earned or incurred (had no loss occurred) by your "operations" at the described premises for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later). Instead, we will determine the most we will pay using the following steps:

- Step (1): Multiply the Net Income and operating expense for the 12 months following the inception, or last previous anniversary date, of this policy by the Coinsurance percentage;
- Step (2): Divide the Limit of Insurance for the described premises by the figure determined in Step (1); and
- Step (3): Multiply the total amount of loss by the figure determined in Step (2).

We will pay the amount determined in Step (3) or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

In determining operating expenses for the purpose of applying the Coinsurance condition, the following expenses, if applicable, shall be deducted from the total of all operating expenses:

- (1) Prepaid freight outgoing;
- (2) Returns and allowances;
- (3) Discounts;
- (4) Bad debts;
- (5) Collection expenses;
- (6) Cost of raw stock and factory supplies consumed (including transportation charges);
- (7) Cost of merchandise sold (including transportation charges);
- (8) Cost of other supplies consumed (including transportation charges);
- (9) Cost of services purchased from outsiders (not employees) to resell, that do not continue under contract;
- (10) Power, heat and refrigeration expenses that do not continue under contract (if Form CP 15 11 is attached);
- (11) All payroll expenses or the amount of payroll expense excluded (if Form CP 15 10 is attached); and
- (12) Special deductions for mining properties (royalties unless specifically included in coverage; actual depletion commonly known as unit or cost depletion not percentage depletion; welfare and retirement fund charges based on tonnage; hired trucks).

Example 1 (Underinsurance)

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described

premises would have been: \$400,000
The Coinsurance percentage is: 50%
The Limit of Insurance is: \$150,000
The amount of loss is: \$80,000

Step (1): \$400,000 x 50% = \$200,000 (the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $$150,000 \div $200,000 = .75$ Step (3): $$80,000 \times .75 = $60,000$

We will pay no more than \$60,000. The remaining \$20,000 is not covered.

Example 2 (Adequate Insurance)

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described

premises would have been: \$ 400,000
The Coinsurance percentage is: 50%
The Limit of Insurance is: \$ 200,000
The amount of loss is: \$ 80.000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 (\$400,000 x 50%). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$80,000 (amount of loss).

This condition does not apply to Extra Expense Coverage.

E. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

1. Maximum Period Of Indemnity

a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

- b. The most we will pay for the total of Business Income loss and Extra Expense is the lesser of:
 - (1) The amount of loss sustained and expenses incurred during the 120 days immediately following the beginning of the "period of restoration"; or
 - (2) The Limit Of Insurance shown in the Declarations.

2. Monthly Limit Of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the "period of restoration" is:
 - (1) The Limit of Insurance, multiplied by
 - (2) The fraction shown in the Declarations for this Optional Coverage.

Example

| When: | The Limit of Insurance is: | \$ 120,000 |
|-------|---|---------------|
| | The fraction shown in the Declarations for this Optional Coverage is: | 1/4 |
| | The most we will pay for loss in each period of 30 consecutive days is: | \$ 30,000 |
| | $($120,000 \times 1/4 = $30,000)$ | |
| | If, in this example, the actual amount of loss is: | |
| | Days 1–30: | \$ 40,000 |
| | Days 31–60: | \$ 20,000 |
| | Days 61–90: | \$ 30,000 |
| | | \$ 90,000 |
| | We will pay: | |
| | Days 1–30: | \$ 30,000 |
| | Days 31–60: | \$ 20,000 |
| | Days 61–90: | \$ 30,000 |
| | | \$ 80,000 |

The remaining \$10,000 is not covered.

3. Business Income Agreed Value

- a. To activate this Optional Coverage:
 - (1) A Business Income Report/Work Sheet must be submitted to us and must show financial data for your "operations":
 - (a) During the 12 months prior to the date of the Work Sheet; and

- (b) Estimated for the 12 months immediately following the inception of this Optional Coverage.
- (2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:
 - (a) The Coinsurance percentage shown in the Declarations; multiplied by
 - (b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.
- **b.** The Additional Condition, Coinsurance, is suspended until:
 - (1) 12 months after the effective date of this Optional Coverage; or
 - **(2)** The expiration date of this policy; whichever occurs first.
- c. We will reinstate the Additional Condition, Coinsurance, automatically if you do not submit a new Work Sheet and Agreed Value:
 - (1) Within 12 months of the effective date of this Optional Coverage; or
 - (2) When you request a change in your Business Income Limit of Insurance.
- d. If the Business Income Limit of Insurance is less than the Agreed Value, we will not pay more of any loss than the amount of loss multiplied by:
 - The Business Income Limit of Insurance; divided by
 - (2) The Agreed Value.

Example

| When: | The Limit of Insurance is: | \$ 100,000 |
|-------|----------------------------|---------------|
| | The Agreed Value is: | \$ 200,000 |
| | The amount of loss is: | \$ 80.000 |

Step (1): $$100,000 \div $200,000 = .50$ Step (2): $.50 \times $80,000 = $40,000$

We will pay \$40,000. The remaining \$40,000 is not covered.

4. Extended Period Of Indemnity

Under Paragraph A.5.c., Extended Business Income, the number 60 in Subparagraphs (1)(b) and (2)(b) is replaced by the number shown in the Declarations for this Optional Coverage.

MASSACHUSETTS – FUNGUS, WET ROT, DRY ROT AND BACTERIA EXCLUSION AND LIMITATIONS

This endorsement modifies insurance provided under the following:

CAUSES OF LOSS - SPECIAL FORM

- A. Exclusion B.1.h. is replaced by the following exclusion:
 - h. "Fungus", Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

This exclusion does not apply:

- **1.** When "fungus", wet or dry rot or bacteria results from fire or lightning; or
- 2. To the extent that coverage is provided in the Additional Coverage Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria with respect to loss or damage by a cause of loss other than fire or lightning.
- B. The Additional Coverage Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria is replaced by the following:
 - The coverage described in B.2. and B.6. only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:
 - a. A Covered Cause of Loss other than fire or lightning; or
 - **b.** Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

- 2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
 - a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
 - b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
 - c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.
- 3. The coverage described under B.2. of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of Covered Causes of Loss (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.
- 4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

- If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.
- 5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph F.2. (Water Damage, Other Liquids, Powder Or Molten Material Damage) of the Causes Of Loss Special Form or under the Additional Coverage, Collapse in that Form.
- **6.** The following, **6.a.** or **6.b.,** applies only if Business Income and/or Extra Expense coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense coverage form:
 - a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.

b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

- (1) In your care, custody or control; and
- (2) Located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

However, our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

2. Property Not Covered

Covered Property does not include:

- a. Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities. Lottery tickets held for sale are not securities:
- **b.** Animals, unless owned by others and boarded by you;
- c. Automobiles held for sale;
- **d.** Bridges, roadways, walks, patios or other paved surfaces;
- **e.** Contraband, or property in the course of illegal transportation or trade;
- f. The cost of excavations, grading, backfilling or filling;
- g. Foundations of buildings, structures, machinery or boilers if their foundations are below:
 - (1) The lowest basement floor; or
 - (2) The surface of the ground if there is no basement:
- h. Land (including land on which the property is located), water, growing crops or lawns (other than lawns which are part of a vegetated roof);
- i. Personal property while airborne or waterborne;
- j. Bulkheads, pilings, piers, wharves or docks;
- k. Property that is covered under this or any other policy in which it is more specifically described, except for the excess of the amount due (whether you can collect on it or not) from that other insurance;
- **I.** Retaining walls that are not part of a building:
- m. Underground pipes, flues or drains;

- n. Electronic data, except as provided under the Additional Coverage, Electronic Data. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are with electronically used controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process. store, retrieve or send data. This paragraph, n., does not apply to electronic data which is integrated in and operates or controls the building's elevator, lighting, ventilation, air conditioning or security system;
- o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data:
- p. Vehicles or self-propelled machines (including aircraft or watercraft) that:
 - (1) Are licensed for use on public roads; or
 - (2) Are operated principally away from the described premises.

This paragraph does not apply to:

- (a) Vehicles or self-propelled machines or autos you manufacture or warehouse:
- **(b)** Vehicles or self-propelled machines, other than autos, you hold for sale;
- (c) Rowboats or canoes out of water at the described premises; or
- (d) Trailers, but only to the extent provided for in the Coverage Extension for Non-owned Detached Trailers; or

- **q.** The following property while outside of buildings:
 - (1) Grain, hay, straw or other crops; or
 - (2) Fences, radio or television antennas (including satellite dishes) and their leadin wiring, masts or towers, trees, shrubs or plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), all except as provided in the Coverage Extensions.

3. Covered Causes Of Loss

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (2), (3) and (4), we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
 - (b) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;
 - (c) Remove property of others of a type that would not be Covered Property under this Coverage Form;
 - (d) Remove deposits of mud or earth from the grounds of the described premises;
 - (e) Extract "pollutants" from land or water; or
 - **(f)** Remove, restore or replace polluted land or water.

- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
 - (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.
- (4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
 - (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
 - (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if **(4)(a)** and/or **(4)(b)** applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

(5) Examples

The following examples assume that there is no Coinsurance penalty.

Example 1

| Limit of Insurance: | \$ | 90,000 |
|---------------------------------|-----------|-----------------|
| Amount of Deductible: | \$ | 500 |
| Amount of Loss: | \$ | 50,000 |
| Amount of Loss Payable: | \$ | 49,500 |
| | (\$50,000 | - \$500) |
| Debris Removal Expense: | \$ | 10,000 |
| Debris Removal Expense Payable: | \$ | 10,000 |

(\$10,000 is 20% of \$50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the

Example 2

terms of Paragraph (3).

| Limit of Insurance: | \$ | 90,000 |
|--------------------------------|-----------|-----------------|
| Amount of Deductible: | \$ | 500 |
| Amount of Loss: | \$ | 80,000 |
| Amount of Loss Payable: | \$ | 79,500 |
| | (\$80,000 | - \$500) |
| Debris Removal Expense: | \$ | 40,000 |
| Debris Removal Expense Payable | | |
| Basic Amount: | \$ | 10,500 |

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000, capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

Additional Amount:

25,000

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 = 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph (4). Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary for you to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for service at each premises described in the Declarations unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in e.(3) through e.(9) of this Additional Coverage.
- (3) The ordinance or law referred to in e.(2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
 - (a) You were required to comply with before the loss, even when the building was undamaged; and
 - (b) You failed to comply with.
- (5) Under this Additional Coverage, we will not pay for:
 - (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria: or
 - (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

(6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

- (7) With respect to this Additional Coverage:
 - (a) We will not pay for the Increased Cost of Construction:
 - (i) Until the property is actually repaired or replaced, at the same or another premises; and
 - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of e.(6) of this Additional Coverage, is the increased cost of construction at the same premises.
 - (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of e.(6) of this Additional Coverage, is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.

(9) The costs addressed in the Loss Payment and Valuation Conditions and Replacement Cost Optional Coverage, in this Coverage Form, do include the increased cost attributable to enforcement of compliance with an ordinance or law. The amount payable under Additional Coverage, as stated in e.(6) of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

- (1) Under Additional this Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to electronic data which is integrated in and operates controls the building's elevator, lighting, heating, ventilation, conditioning or security system.
- (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.
- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:
 - (a) If the Causes Of Loss Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
 - (b) If the Causes Of Loss Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
 - (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.

- (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.
- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of locations premises. or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

You may extend the insurance that applies to Building to apply to:

(a) Your new buildings while being built on the described premises; and

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

- (b) This Extension does not apply to:
 - (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
 - (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

(a) This policy expires:

- (b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
- (c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.

c. Valuable Papers And Records (Other Than Electronic Data)

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.
- (2) If the Causes Of Loss Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (3) If the Causes Of Loss Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.

(4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

d. Property Off-premises

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
 - (a) Temporarily at a location you do not own, lease or operate;
 - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
 - **(c)** At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:

- (1) Fire;
- (2) Lightning;

- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others.

f. Non-owned Detached Trailers

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
 - (a) The trailer is used in your business;
 - (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
 - (c) You have a contractual responsibility to pay for loss or damage to the trailer
- (2) We will not pay for any loss or damage that occurs:
 - (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
 - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

g. Business Personal Property Temporarily In Portable Storage Units

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the described premises.
- (2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.
- (3) Coverage under this Extension:
 - (a) Will end 90 days after the business personal property has been placed in the storage unit;
 - (b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.
- (4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is \$10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.
- (5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

- 1. Fire Department Service Charge;
- 2. Pollutant Clean-up And Removal;
- 3. Increased Cost Of Construction; and
- 4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example 1

(This example assumes there is no Coinsurance penalty.)

| Deductible: | \$ 250 |
|----------------------------------|--------------|
| Limit of Insurance – Building 1: | \$ 60,000 |
| Limit of Insurance – Building 2: | \$ 80,000 |
| Loss to Building 1: | \$ 60,100 |
| Loss to Building 2: | \$ 90,000 |

The amount of loss to Building 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

\$ 59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable:

\$59,850 + \$80,000 = \$139,850

Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1: \$ 70,000 (Exceeds Limit of Insurance plus Deductible)

Loss to Building 2: \$ 90,000 (Exceeds Limit of Insurance plus Deductible)

Loss Payable – Building 1: \$ 60,000 (Limit of Insurance)

Loss Payable – Building 2:

(Limit of Insurance)

Total amount of loss payable:

\$ 140,000

80,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

- a. You must see that the following are done in the event of loss or damage to Covered Property:
 - (1) Notify the police if a law may have been broken
 - (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
 - (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
 - (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
 - (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
 - (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.
 - Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
 - (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
 - (8) Cooperate with us in the investigation or settlement of the claim.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:
 - Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to b. below:
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b**. below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- **d.** We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- **f.** We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

- g. We will pay for covered loss or damage to Covered Property within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:
 - (1) We have reached agreement with you on the amount of loss; or
 - (2) An appraisal award has been made.
 - If you name an insurance trustee, we will adjust losses with you, but we will pay the insurance trustee. If we pay the trustee, the payments will satisfy your claims against us.
- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Unit-owner's Insurance

A unit-owner may have other insurance covering the same property as this insurance. This insurance is intended to be primary and not to contribute with such other insurance.

7. Vacancy

a. Description Of Terms

- (1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in (1)(a) and (1)(b) below:
 - (a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.
 - (b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:
 - (i) Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or
 - (ii) Used by the building owner to conduct customary operations.
- (2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- (1) We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:
 - (a) Vandalism;
 - (b) Sprinkler leakage, unless you have protected the system against freezing;
 - (c) Building glass breakage;
 - (d) Water damage;
 - (e) Theft; or
 - (f) Attempted theft.
- (2) With respect to Covered Causes of Loss other than those listed in b.(1)(a) through b.(1)(f) above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

8. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

- a. At actual cash value as of the time of loss or damage, except as provided in b. and c. below.
- b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property. However, the following property will be valued at the actual cash value, even when attached to the building:

- (1) Awnings or floor coverings;
- (2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or
- (3) Outdoor equipment or furniture.
- **c.** Glass at the cost of replacement with safety-glazing material if required by law.

9. Waiver Of Rights Of Recovery

We waive our rights to recover payment from any unit-owner of the condominium that is shown in the Declarations.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

- a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.
 Instead we will determine the most we will
 - Instead, we will determine the most we will pay using the following steps:
 - (1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
 - (2) Divide the Limit of Insurance of the property by the figure determined in Step (1);

- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example 1 (Underinsurance)

| When: | The value of the property is: | \$ 250,000 |
|-----------|---------------------------------------|---------------|
| | The Coinsurance percentage for it is: | 80% |
| | The Limit of Insurance for it is: | \$ 100,000 |
| | The Deductible is: | \$ 250 |
| | The amount of loss is: | \$ 40,000 |
| Step (1): | \$250,000 x 80% = \$200,000 | |

(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $$100,000 \div $200,000 = .50$ Step (3): $$40,000 \times .50 = $20,000$ Step (4): \$20,000 - \$250 = \$19,750

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

Example 2 (Adequate Insurance)

| When: | The value of the property is: | \$ 250,000 |
|-------|---------------------------------------|---------------|
| | The Coinsurance percentage for it is: | 80% |
| | The Limit of Insurance for it is: | \$ 200,000 |
| | The Deductible is: | \$ 250 |
| | The amount of loss is: | \$ 40,000 |

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 (\$250,000 x 80%). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$39,750 (\$40,000 amount of loss minus the deductible of \$250).

b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example 3

| When: | The value of the property is: | | |
|-------|--|----|---------|
| | Building at Location 1: | \$ | 75,000 |
| | Building at Location 2: | \$ | 100,000 |
| | Personal Property | | |
| | at Location 2: | \$ | 75,000 |
| | | \$ | 250,000 |
| | The Coinsurance percentage for it is: | | 90% |
| | The Limit of Insurance for Buildings and Personal Property | _ | |
| | at Locations 1 and 2 is: | \$ | 180,000 |
| | The Deductible is: | \$ | 1,000 |
| | The amount of loss is: | | |
| | Building at Location 2: | \$ | 30,000 |
| | Personal Property | | |
| | at Location 2: | \$ | 20,000 |
| | | \$ | 50,000 |

Step (1): \$250,000 x 90% = \$225,000 (the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $$180,000 \div $225,000 = .80$ Step (3): $$50,000 \times .80 = $40,000$ Step (4): \$40,000 - \$1,000 = \$39,000

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

2. Mortgageholders

- **a.** The term mortgageholder includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- **c.** The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
 - (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:
 - (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
 - (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- **f.** If we cancel this policy, we will give written notice to the mortgageholder at least:
 - (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

1. Agreed Value

a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.
- c. The terms of this Optional Coverage apply only to loss or damage that occurs:
 - On or after the effective date of this Optional Coverage; and
 - (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

- a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be:
 - (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
 - (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
 - (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example

f: The applicable Limit of Insurance is: \$ 100,000
The annual percentage increase is: 8%
The number of days since the beginning of the policy year
(or last policy change) is: 146
The amount of increase is: \$100,000 x .08 x 146 ÷ 365 = \$ 3,200

3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Loss Condition, Valuation, of this Coverage Form.
- **b.** This Optional Coverage does not apply to:
 - (1) Personal property of others;
 - (2) Contents of a residence; or
 - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-abrac.

Under the terms of this Replacement Cost Optional Coverage, personal property owned indivisibly by all unit-owners, and the property covered under Paragraph A.1.a.(6) of this Coverage Form, are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- **d.** We will not pay on a replacement cost basis for any loss or damage:
 - (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:
 - (1) The Limit of Insurance applicable to the lost or damaged property;
 - (2) The cost to replace the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
 - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in **e.(2)** above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

- a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph 3.b.(1) of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.
- **b.** With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

- 1. This Coverage Part;
- 2. The Covered Property;
- 3. Your interest in the Covered Property; or
- 4. A claim under this Coverage Part.

B. CONTROL OF PROPERTY

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

C. INSURANCE UNDER TWO OR MORE COVERAGES

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

D. LEGAL ACTION AGAINST US

- There has been full compliance with all of the terms of this Coverage Part; and
- The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

E. LIBERALIZATION

F. NO BENEFIT TO BAILEE

G. OTHER INSURANCE

Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
- 2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

 - b. Puerto Rico; and
 - c. Canada.

I. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

- Prior to a loss to your Covered Property or Covered Income.
- **2.** After a loss to your Covered Property or Covered Income only if, at time of loss, that party is one of the following:
 - a. Someone insured by this insurance;
 - **b.** A business firm:
 - (1) Owned or controlled by you; or
 - (2) That owns or controls you; or

After this policy has been in effect for sixty days, or after sixty days from any anniversary date, no notice of cancellation shall be effective unless it is based on the occurrence, after the effective date of the policy, of one or more of the following: (1) nonpayment of premium; (2) conviction of a crime arising out of acts increasing the hazard insured against; (3) discovery of fraud or material misrepresentation by the insured in obtaining the policy; (4) discovery of willful or reckless acts or omissions by the insured increasing the hazard insured against; (5) physical changes in the property insured which result in the property becoming uninsurable; or (6) a determination by the commissioner that continuation of the policy would violate or place the insurer in violation of the law. Where the stated reason is nonpayment of premium, the insured may continue the coverage and avoid the effect of the cancellation by payment at any time prior to the effective date of cancellation.

Mortgagee Interests And Obligations Notwithstanding any other provisions of this policy, if this policy shall be made payable to a mortgagee of the covered real estate, no act or default of any person other than such mortgagee or his agent or

those claiming under him, whether the same occurs before or during the term of this policy, shall render this policy void as to such mortgagee nor affect such mortgagee's right to recover in case of loss on such real estate; provided, that the mortgagee shall on demand pay according to the established scale of rate for any increase of risk not paid for by the insured; and whenever this company shall be liable to a mortgagee for any sum for loss under this policy for which no liability exists as to the mortgagor, or owner, and this company shall elect by itself, or with others, to pay the mortgagee the full amount secured by such mortgage, then the mortgagee shall assign and transfer to the company interested, upon such payment, the said mortgage together with the note and debt thereby secured.

Pro Rata Liability This company shall not be liable for a greater proportion of any loss than the amount hereby insured shall bear to the whole insurance covering the property

against the peril involved.

Requirements In Case Loss Occurs The insured shall give immediate written notice to this company of any loss, protect the property from further damage, forthwith separate the damaged and undamaged personal property, put it in the best

possible order, furnish a complete inventory of the destroyed and damaged property, showing in detail the quantity, description, actual cash value and amount of loss claimed; and the insured shall forthwith render to this company a signed, sworn statement in proof of loss which sets forth to the best knowledge and belief of the insured the following: the time and cause of the loss, the interest of the insured and of all others in the property, the actual cash value of each item thereof and the amount of loss thereto, all encumbrances thereon, all other contracts of insurance, whether valid or not, covering any of said property, any changes in the title, use, occupancy, location, possession or exposures of said property, since the issuing of this policy, by whom and for what purpose any building herein described and the several parts thereof were occupied at the time of loss and whether or not it then stood on leased ground, and shall furnish a copy of all the descriptions and schedules in all policies and detailed estimates for repair of the damage. The insured, as often as may be reasonably required, shall exhibit to any person designated by this company all that remains of any property herein described, and submit to examinations under oath by any person named by this company, and subscribe the same; and as often as may be reasonably required, shall produce for examination all books of account, bills, invoices and other vouchers, or certified copies thereof if originals be lost, at such reasonable time and place as may be designated by this company or its representative, and shall permit extracts and copies thereof to be made.

When Loss Payable

In case of any loss or damage, the company within thirty days after the insured shall have submitted a statement, as provided in the preceding clause, shall

either pay the amount for which it shall be liable, which amount if not agreed upon shall be ascertained by award of referees as hereinafter provided, or replace the property with other of the same kind and goodness, or it may, within fifteen days after such statement is submitted, notify the insured of its intention to rebuild or repair the premises, or any portion thereof separately covered by this policy, and shall thereupon enter upon said premises and proceed to rebuild or repair the same with reasonable expedition. It is moreover understood that there can be no abandonment of the property described to the company, and that the company shall not in any case be liable for more than the sum insured, with interest thereon from the time when the loss shall become payable, as provided above. The company shall be liable for the payment of interest to the insured at a rate of one percent over the prime interest rate on the agreed figure commencing thirty days after the date an executed proof of loss for such figure is received by the company, said interest to continue so long as the claim remains unpaid.

Appraisal

In case of loss under this policy and a failure of the parties to agree as to the amount of loss, it is

mutally agreed that the amount of such loss shall be referred to three disinterested men, the company and the insured each choosing one out of three persons to be named by the other, and the third being selected by the two so chosen, and the award in writing by a majority of the referees shall be conclusive and final upon the parties as to the amount of loss or damage, and such reference, unless waived by the parties, shall be a condition precedent to any right of action in law or equity to recover for such loss; but no person shall be chosen or act as a referee, against the objection of either party, who has acted in a like capacity within four months.

Suit

No suit or action against this company for the recovery of any claim by virtue of this policy shall be

sustained in any court of law or equity in this commonwealth unless commenced within two years from the time the loss occurred; provided, however, that if, within said two years, in accordance with the provisions of the preceding paragraph, the amount of the loss shall have been referred to arbitration after failure of the parties to agree thereon, the limitation of time for bringing such suit or action shall in no event be less than ninety days after a valid award has been made upon such reference or after such reference or award has been expressly waived by the parties. If suit or action upon this policy is enjoined or abated, suit or action may be commenced at any time within one year after the dissolution of such injunction, or the abatement of such suit or action, to the same extent as would be possible if there was no limitation of time provided herein for the bringing of such suit or action.

Subrogation

This company may require from the insured an assignment of all right of recovery against any party

for loss to the extent that payment therefor is made by this company.

CAUSES OF LOSS – SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section G. Definitions.

A. Covered Causes Of Loss

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

B. Exclusions

 We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

- (1) Regulating the construction, use or repair of any property; or
- (2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

- (a) An ordinance or law that is enforced even if the property has not been damaged; or

Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

(5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

With respect to coverage for Volcanic Action as set forth in (5)(a), (5)(b) and (5)(c), all volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused.

c. Governmental Action

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

f. War And Military Action

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) through (5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

h. "Fungus", Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

- 1. The coverage described in E.2. and E.6. only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:
 - a. A "specified cause of loss" other than fire or lightning; or
 - **b.** Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

- 2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
 - a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
 - b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
 - c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.
- 3. The coverage described under E.2. of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

- 4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.
 - If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.
- 5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph F.2. (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.
- 6. The following, 6.a. or 6.b., applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:
 - a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
 - b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

- **c.** The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension **F.3.** does not increase the Limit of Insurance.

- 2. "Specified causes of loss" means the following: fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.
 - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
 - (1) The cost of filling sinkholes; or
 - (2) Sinking or collapse of land into manmade underground cavities.
 - **b.** Falling objects does not include loss or damage to:
 - (1) Personal property in the open; or
 - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.
 - **c.** Water damage means:
 - (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and

(2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe caused by wear and tear, when the pipe is located off the described premises and is connected to or is part of a potable water supply system or sanitary sewer system operated by a public or private utility service provider pursuant to authority granted by the state or governmental subdivision where the described premises are located.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced even if wear and flooding, contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

SECTION I - COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:
 - (1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and
 - (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages **A** and **B**.

- **b.** This insurance applies to "bodily injury" and "property damage" only if:
 - (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

- (2) The "bodily injury" or "property damage" occurs during the policy period; and
- (3) Prior to the policy period, no insured listed under Paragraph 1. of Section II Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.
- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section II Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

 - (2) The names and addresses of any injured persons and witnesses; and

- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.
- b. If a claim is made or "suit" is brought against any insured, you must:
 - (1) Immediately record the specifics of the claim or "suit" and the date received; and
 - (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

- **c.** You and any other involved insured must:
 - (1) Immediately send us copies of any demands. notices, summonses or legal papers received in connection with the claim or "suit";
 - (2) Authorize us to obtain records and other information:
 - (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
 - (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.
- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- **b.** To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

- (1) This insurance is excess over:
 - (a) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

 - (b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.
- (2) When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

- (3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:
 - (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
 - (b) The total of all deductible and self-insured amounts under all that other insurance.
- (4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- **a.** We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew
