This beautifully renovated brick ranch home is nestled on 6 picturesque acres in the southeast corner of Shawnee County. This property offers the perfect blend of country living and accessibility, with hard-surfaced roads leading right to your doorstep.

Originally built in 1976, the home underwent a complete renovation in 2020. Inside, the spacious floor plan features a finished basement designed for entertainment, complete with a wet bar, expansive entertainment area, fitness room, and two additional non-conforming bedrooms—ideal for guests or hobbies.

DINING

FAMILY ROOM

The exterior of the property is equally impressive, surrounded by a manicured lawn, mature hardwood trees, and open space that provides both tranquility and privacy. Two acres of tillable ground are perfect for hobby farming, while additional amenities include a heated shop, implement shed, old grainery, and an above-ground pool.

Don't miss this rare opportunity to experience modern country living, all within easy reach of Topeka and Lawrence!
