(i) Generally. No dwelling, building structure or improvement of any type or kind shall be constructed or placed on any lot in the Development without the prior approval of the Committee. Such approval shall be obtained only after written-application has been made to the Committee by the owner of the lot requesting authorization from the Committee. Such written application shall be in the manner and form prescribed from time to time by the Committee, and shall be accompanied by two (2) complete sets of plans and specifications for any such proposed construction or improvement. Such plans shall include plot plans showing the location of all improvements existing upon the lot and the location of the improvement proposed to be constructed or placed upon the lot, each properly and clearly designated. (b) The design or color scheme of a proposed improvement is not in harmony with the general surroundings of the lot or with adjacent buildings or structures;

(c) The proposed improvement, or any part hereof, would in the opinion of the Committee be contrary to the interests, welfare or rights of all or any part of other owners.

(iii) Power to Grant Variances. The Committee may allow reasonable variances or adjustments of these Restrictions where literal application would result in unnecessary hardship, but any such variance or adjustment shall be granted in conformity with the general intent and purposes of these Restrictions and no variance or adjustment shall be granted which is materially detrimental or injurious to other lots in the Development.

B. Duties of Committee. The Committee shall approve or disapprove proposed improvements within thirty (30) days after all required information shall have been submitted to it. At no time shall there be allowed playground equipment or items of a recreational nature to be permanently installed within the common areas so long as the common areas are used for the purpose of storm water detention.

In the event that any portion of a common area is elevated above a grade so as to eliminate its use as a detention area, then recreational equipment shall be allowed.

A license upon such terms and conditions as the Developer, and the successors, assigns or licensees of the Developer, shall from time to time grant, for the use and enjoyment of the commons, is granted to the persons who are from time to time members of the Association. Ownership of any commons shall be conveyed in fee simple title, free of financial encumbrances to the Association upon their completion. Such conveyance shall be subject to easements and restrictions of record, and such other conditions as the Developer may at the time of such conveyance deem appropriate. Such conveyance shall be deemed to have been accepted by the Association and those persons who shall from time to time be members thereof upon the recording of a deed or deeds conveying such commons to the Association.

11. **LANTERN FARMS PROPERTY OWNERS ASSOCIATION, INC.**

A. In General.

(i) There has been or will be created, under the laws of the State of Indiana, a not-for-profit corporation to be known as the Lantern Farms Property Owners Association, Inc., which is referred to as the "Association". B. Classes of Memberships. The Association shall have two classes of voting membership:

Class A. Class A members shall be all owners with the exception of the Developer and shall be entitled to one vote for each lot owned. When more than one person holds an interest in any lot, all such persons shall be members. The vote for such lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any lot.

Class B. The Class B member(s) shall be the Developer, who shall be entitled to three (3) votes for each lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) On the date the Developer sells the last lot which it owns in the Development, and the Developer no longer owns any lots or land in the Development; or

(b) On January 1, 1996.

C. Board of Directors. The members shall elect a Board of Directors of the Association as prescribed by the Association's By-Laws. The Board of Directors shall manage the affairs of the Association.

D. Professional Management. No contract or agreement for professional management of the Association shall be for a term in excess of three (3) years. Any such agreement or contract shall provide for

termination by either party with or without cause without any termination fee by written notice of ninety (90) days or less.

E. Responsibilities of the Association.

(i) The Association shall maintain the landscaping in and along the landscape easements shown on the plat(s) and shall keep such areas in a neat, clean and presentable condition at all times.

(ii) The Association shall maintain and repair the Common Areas shown on the plat(s) including improvements thereon.

(iii) The Association shall maintain the landscaping and any signage in and on the islands located at the entrances on 131st Street and Lantern Road as well as any landscaping or signage within the right-of-way at the entrances and shall keep such areas in a neat, clean and presentable condition at all times.

(v) The Association may contract for such service as management, snow-removal; security control, trash removal, and such other services as the Association deems necessary or advisable.

12. COVENANT FOR MAINTENANCE ASSESSMENTS.

A. Creation of the Lien and Personal Obligation of Assessments. Each owner of any lot in the subdivision, except the Developer, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

(1) annual assessments or charges; and (2) special assessments for capital improvements and operating deficits; such assessments to be established and collected as hereinafter provided. The annual special assessments, together with interest, cost, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees; shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. No charge or assessment shall ever be levied by the Association against the Developer.

B. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of the residents in the properties and for the improvement and maintenance of the Common Area and improvements, operated or maintained by the Association, and the landscape easements on the Development and other purposes as specifically provided herein.

C. Special Assessments for Capital Improvements and Operating Deficits. In addition to the annual assessments authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the association is required to maintain or for operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of a majority of the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose.

D. Notice and Quorum for Any Action Authorized Under Section C and D. Written notice of any meeting called for the purpose of taking

any action authorized under Section C and D shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

E. Date of Commencement of Annual Assessments: Due Dates. The annual assessment provided for herein shall commence for each lot on the date of conveyance to the owner by deed or on the date the owner signs a land contract to purchase a lot. The Board of Directors shall fix any increase in the amount of the monthly assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of special assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to every owner subject thereto. The due dates for all assessments shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any lot shall be binding upon the Association as of the date of its issuance.

F. Effect of Non-Payment of Assessments: Remedies of the Association. Any charge levied or assessed against any lot, together with interest and other charges or costs as hereinafter provided, shall become and remain a lien upon that lot until paid in full and shall also be a personal obligation of the owner or owners of that lot at the time the charge fell due. Such charge shall bear interest at the rate of twelve percent (12%) per annum until paid in full. If, in the opinion of the Board of Directors of the Association, such charge has remained due and payable for an unreasonably long period of time, the Board may, on behalf of the Association, institute such procedures, either at law or in equity, by foreclosure or otherwise, to collect the amount owing in any court of competent jurisdiction. The owner of the lot or lots subject to the charge, shall, in addition to the amount of the charge at the time legal action is instituted, be obliged to pay any expense or costs, including attorneys' fees, incurred by the Association in collecting the same. Every owner of a lot in the Development and any person who may acquire any interest in, such lot, whether as an owner or otherwise, is hereby notified, and by acquisition of such interest agrees, that any such liens which may exist upon said lot at the time of the acquisition of such interest are valid liens and shall be paid. Every person who shall become an owner of a lot in the Development is hereby notified that by the act of acquiring, making such purchase or acquiring such title, such person shall be conclusively held to have covenanted to pay the Association all charges that the Association shall make pursuant to this subparagraph of the Restrictions.

The Association shall, upon demand, at any time, furnish a certificate in writing signed by an officer of the Association that the assessments on a specified lot have been paid or that certain assessments against said lot remain unpaid, as the case may be. A reasonable charge may be made by the Board of Directors of the Association for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

G. Subordination of the Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not effect the assessment lien. No sale or transfer shall relieve such lot from liability for any assessment thereafter becoming due or from the lien thereof. Provided, however, the sale or transfer of any lot pursuant to the foreclosure of any first mortgage on such lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien. of all assessments becoming due prior to the date of such sale or transfer.

H. Suspension of Privileges of Membership. Notwithstanding any other provisions contained herein, the Board of Directors of the Association shall have the right to suspend the voting rights, if any, and the services to be provided by the Association, of any member or associate member (i) for any period during which any of the Association's charges or any fines assessed under these Restrictions owed by the member or associate member remains unpaid, (ii) during the period of any *continuing violation* of the restrictive covenants for the Development, after the existence of the violation shall have been declared by the Board of Directors of the Association: and (iii) during the period of any violation of the Articles of Incorporation, ByLaws or regulations of the Association.

13. REMEDIES.

A. In General. The Association or any party to whose benefit these Restrictions inure, including the Developer, may proceed at law or in equity to prevent the occurrence or continuation of any violation of these Restrictions, but neither the Developer nor the Association shall be liable for damages of any kind to any person for failing wither to abide by, enforce or carry out any of these Restrictions.

B. Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of these Restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to him upon the occurrence, reoccurrence or continuation of such violation or violations of these Restrictions.

14. EFFECT OF BECOMING AN OWNER.

The owners of any lot subject to these Restrictions by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from the Developer or a subsequent owner of such lot, shall accept such deed and execute such contract subject to each and every Restriction and agreement herein contained. By accepting of such deed or execution of such contract, the owner acknowledges the rights and powers of the Developer, Committee and of the Association with respect to these Restrictions, and also, for themselves, their heirs, personal representatives, successors and assigns, such owners covenant and agree and consent to and with the Developer, Committee and the Association and to and with the owners and subsequent owners of each of the lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

15. TITLES.

The titles preceeding the various paragraphs and subparagraphs of the Restrictions are for convenience of reference only,- and none of them shall-be used as an aid to the construction of any provisions of the

Restrictions. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

16. **DURATION.**

The foregoing Covenants and Restrictions are to run with the land and shall be binding on all parties and all persons claiming under them until January 1, 2020, at which time said Covenants and Restrictions shall be automatically extended for successive periods of ten (10) years, unless changed in whole or in part by vote of those persons who are then the owners of a majority of the numbered lots in the Development.

17. **SEVERABILITY.**

Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions.

Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or "running" quality of any other one of the Restrictions.

**Please Note:** This document has been transcribed from a copy of the original to allow for distribution and searching of this document. While every effort has been made to assure accuracy, same is not guaranteed. A lot must have at least two (2) trees of a species acceptable to the committee growing upon it in the front yard by the time the house is completed.

Amendments approved:

3C 1. All fences will be located in the back yard.

2. The following are the allowable perimeter fence type accepted within the community upon written approval of the Architectural Control Committee: a. Wrought Iron (Maximum 72")

e. Wooden Split Rail (Maximum 48") with no additional attachments.

The vote to allow fences to be placed directly on the property line was postponed pending clarification of current Fishers guidelines and regulations.

Thank you to all who attended this meeting and helped to resolve this difficult issue.

"7. M. Lease Restrictions. All lots within the Development are for single family residential use and may not be used for a rental purpose. Accordingly, no Lot may be leased at any time to a Third Party. Any Lot Owner engaged in leasing or subleasing activities as of the date of this Amendment shall be allowed to continue leasing or subleasing activities until said Lot is sold or conveyed to a Third Party. Any Lot Owner engaged in leasing or subleasing activity must, upon the sale or conveyance of said Lot, notify any potential buyer or person taking title that no Lot within the HOA may be leased at any given time to a Third Party. For purposes of this provision, "Third Party" shall be defined as any Person who is not an Owner as defined in the Declaration.

The prohibition against leasing to Third Parties may be reviewed and waived by the Board of Directors (majority vote) at a Special Meeting called that purpose. The leasing waiver shall only be for a limited period of time (less than 12 months) upon a showing of hardship by the Owner requesting the leasing waiver."
