

1504 MARKER ROAD

MIDDLETOWN, MD 21769

3 BEDROOMS | 3 BATHS | 3,368 SQUARE FEET

This beautiful custom Craftsman home has it all! You will be amazed with the quality, style and amenities. Built in 2018, this spectacular home offers true one-floor-living plus 3 covered porches and a breezeway to the second, 2 car garage! The center of the home opens to the screened in rear porch with 8 french doors to give you the ultimate summer breeze. Wait till you see the giant gourmet kitchen featuring a Wolf stove and butler pantry with an extra refrigerator and built-ins for your cookbooks! There is even has a room for your pets! The pet room has a tiled shower, cabinets, counters and a pass through to the Master Bedroom! Plus the pets can let themselves outside onto the covered side porch and into the fenced yard area. The luxurious bathrooms offer radiant heat floors and built in lights in the master's mirrors. The location is spectacular with nearly 9 acres, a stream and an old saw mill! You'll never want to leave home! Middletown Schools!
