This meticulously maintained Parkville rancher is ideally situated on a spacious, fully fenced quarter-acre lot on the water side of the highway, just steps from Foster Park and a short walk to the ocean.

The low-maintenance yard (no grass) and ample RV parking add to the convenience. Inside, the bright, open kitchen overlooks the backyard and connects seamlessly to the dining area and patio, creating an ideal space for indoor-outdoor living.

The inviting living room features large windows, and the home offers a spacious master bedroom with ensuite, plus two additional bedrooms that could be used as guest rooms or a den.

Laminate flooring, stainless steel appliances, natural gas on-demand hot water, and hot water heating complete the package.

This home is move-in ready and close to all Parkville amenities.
