moments into opportunities
for conversation.

GATHER

Before the Agenda, Come Together.

The best retreats begin with connection. Gather the team, welcome everyone in, and create space for conversations that rarely happen between meetings.

WELCOME

Arrive, reconnect and settle into the experience.

CONNECT

Make time for conversations beyond titles and roles.

ALIGN

Bring everyone together around the purpose of the retreat.

BEGIN

Set the tone before the working sessions start.

NEXT: CLEAR THE TABLE. OPEN THE NOTEBOOKS.
IT'S TIME TO THINK BIGGER. →

FOCUS

Different Surroundings. Different Thinking.

Step away from the everyday office environment and give your team room to focus. At Antlers, shared spaces can become collaborative settings for strategy, planning and the conversations that move ideas forward.

STRATEGIZE

Leadership planning and priority setting.

COLLABORATE

Brainstorm, exchange ideas and solve problems together.

BREAK OUT

Smaller conversations when teams need room to dig deeper.

ALIGN

Turn discussion into shared priorities and clear next steps.

NO FLUORESCENT LIGHTS. NO CONFERENCE-ROOM WALLS.
JUST YOUR TEAM AND THE SPACE TO THINK.

NEXT: STEP OUTSIDE.

SOMETIMES THE BEST BREAKTHROUGH NEEDS A LITTLE FRESH AIR. →

BREAK AWAY

Step Outside. Let the Ideas Breathe.

Sometimes a change in pace creates a change in perspective. Move the conversation outdoors, take a walking meeting, pause by the water, or simply give the team space to reset before the next session.

WALK & TALK

Take the conversation with you. Fresh air sparks new ideas.

REFLECT

Pause by the water and give everyone space to reset.

CONNECT

Stronger teams are built through real moments together.

REFUEL

Step back, recharge and return with renewed energy.

FRESH AIR. FRESH PERSPECTIVE.
STRONGER CONVERSATIONS.

NEXT: PUT THE AGENDA DOWN FOR A WHILE.
IT'S TIME TO PLAY.

Put the Agenda Down. Pick the Fun Up.

Strong teams are built through more than meetings. At Antlers, downtime becomes part of the retreat—giving colleagues the chance to laugh, compete, relax and experience something together.

POOL TIME

Unwind and cool off together.

GAME TIME

Challenge each other and have fun.

BY THE WATER

Enjoy the private lake and dock.

RELAX & RECHARGE

Soak, reset and reconnect.

LAUGH MORE. CONNECT DEEPER.
MAKE THE RETREAT UNFORGETTABLE.

NEXT: AFTER A FULL DAY TOGETHER,
GATHER AROUND THE TABLE.

THE TABLE

The Best Conversations Often Happen Around the Table.

After a day of ideas, activity and connection, slow things down over a shared meal. At Antlers, dinner becomes another part of the retreat—time to reconnect, exchange stories and enjoy the evening together.

COOK TOGETHER

Roll up your sleeves and enjoy preparing a meal as a team.

GATHER & DINE

Good food brings everyone together for real conversation.

ELEVATE THE EVENING

Optional private chef or catered dining available to elevate your retreat.*

GOOD FOOD. GREAT COMPANY.
STRONGER TEAMS.

NEXT: DINNER ENDS. THE EVENING DOESN'T. →

*Private chef and catering are optional arranged services.

AFTER HOURS

When the Workday Ends, The Connection Continues.

As daylight fades, the retreat takes on a different rhythm. Gather outside, continue the conversation, look up at the stars, or simply enjoy an unhurried evening together.

FIRESIDE CONVERSATIONS

Relax, share stories and enjoy the warmth of good company.

STARGAZING

Take in the night sky and see things from a new perspective.

EVENING BY THE WATER

Unwind by the lake and enjoy the peace of the moment.

UNWIND TOGETHER

Let the evening flow with laughter, connection and rest.

REAL MOMENTS. REAL CONNECTIONS.
THAT'S WHAT RETREATS ARE MADE OF.

NEXT: REST WELL. TOMORROW BRINGS
A FRESH PERSPECTIVE.

Start Clear. Start Together.

Morning at Antlers creates space to reset before the day begins. Coffee, breakfast, quiet conversation and a little fresh air help the team return to the table with renewed energy and a clearer perspective.

An easy start with good coffee and great company.

BREAKFAST TOGETHER

Fuel for the day and time to connect.

MORNING AIR

Fresh air and open views to clear your mind.
