Savor award-winning dining at The Park Grille and Cafe, or unwind at The Varsity Club. Plus, engage in vibrant community with themed dining, group outings, holiday celebrations, and sports leagues.

GOLF

Our 27-hole championship golf course, designed by world-renowned golf course architect Ron Garl, is consistently ranked one of the top courses in Florida. With six sets of tees, you can navigate the course using our Textron GPS system. We also offer a large practice area including two putting greens, a driving range and short game practice area. The Golf Academy provides professional instruction with programs for beginners just starting out to seasoned golfers who are looking to improve their scores. The full-service golf pro shop provides an extensive selection of merchandise and equipment, along with club repair and re-gripping. Enjoy the social and competitive aspects of golf by joining the Ladies 18-hole Golf Association, which plays Tuesday mornings, the Men's Golf Association on Wednesday mornings, the Ladies 9-hole Golf Association on Thursday mornings and our Sunday Funday group.

TENNIS & PICKLEBALL

Our tennis facility boasts eleven lighted har-tru courts, monthly tennis mixers, expert instruction and a lush, natural lakeside setting. Our tennis pros have coached some of the best players in the world and take great pride in helping our members reach their full potential on and off the court. Also included in our racquets program are four newly constructed pickleball courts and accompanying programs.

- All members may make arrangements for golf lessons and schools, tennis and pickleball lessons and personal training, but may only utilize those facilities during the time the lesson is taking place or as allowed by their membership category. Guests may utilize the facilities on a limited basis according to the membership category of the accompanying member.
