At the Academy we make every effort to provide a nurturing environment in which one will not only excel in education but will also be expected to follow the Sunnah of our Prophet Mohammad sallallahu alaihi wa sallam as closely as possible. We strongly believe that education is the shared responsibility of the school, student, family and the surrounding community. It is the responsibility of the staff at our school to provide the students with the moral values, personal integrity and ethical conduct which are consistent with Islamic beliefs.
