WPML LISTING #  
05/2022 REVISED

Property Address (Mailing Address and Municipality of Property) (hereinafter referred to as the "Property"): 5215 Blossom Rd, Baldwin Boro, PA 15236

Approximate age of Property: 1956

Years Seller has owned Property: 2003

NOTICE TO PARTIES

A Seller must comply with the Seller Disclosure Law and disclose to a Buyer all known material defects about the Property being sold that are not readily observable. This document must be completed by the Seller and each page initiated by the Buyer and Seller following their review. This Disclosure Statement is designed to assist the Seller in complying with disclosure requirements and to assist the Buyer in evaluating the Property being considered. This form is to be completed by every non-exempt Seller, even if the Seller does not occupy or never occupied the property. The compliance provisions are generally described in paragraphs 19 and 21 below.

The Real Estate Seller Disclosure Law requires that before an Agreement of Sale is signed, the Seller in a residential real estate transfer must make certain disclosures regarding the property to potential buyers in a form defined by the law, 68 P.S. §7301 et seq. The law defines a residential real estate transfer as a sale, exchange, installment sales contract, lease with an option to buy, grant, or other transfer of an interest in real property where NOT LESS THAN ONE AND NOT MORE THAN FOUR RESIDENTIAL DWELLING UNITS are involved. The law defines a number of exceptions where the disclosures do not have to be made, and these exceptions are as follows:

1. Transfers that are the result of a court order.
2. Transfers to a mortgage lender that result from a buyer's default and subsequent foreclosure sales that result from default.
3. Transfers from a co-owner to one or more other co-owners.
4. Transfers made to a spouse or direct descendant.
5. Transfers between spouses that result from divorce, legal separation, or property settlement.
6. Transfers by a corporation, partnership, or other association to its shareholders, partners, or other equity owners as part of a plan of liquidation.
7. Transfer of a property to be demolished or converted to non-residential use.
8. Transfer of unimproved real property.
9. Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship, or trust.
10. Transfers of new construction that has never been occupied when:
  - a. The building has a warranty of at least one year covering the construction.
  - b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model building code; and
  - c. A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

Except where these exceptions apply, the Seller is required to satisfy the requirements of the Real Estate Seller Disclosure Law as they may be amended and is required to make disclosures in accordance with the provisions of the Law. Although there are exceptions to the requirements of the Seller Disclosure Law, certain disclosures may still be required under Common Law.

In addition to these exceptions, disclosures for condominiums and cooperatives are limited to the seller's particular unit(s). Disclosures regarding common areas or facilities are not required, as those elements are already addressed in the laws that govern the resale of condominium and cooperative interests.

This Statement discloses Seller's knowledge of the condition of the Property as of the date signed by the Seller and is not a substitute for any inspections or warranties that the Buyer may wish to obtain. This Statement is not a warranty of any kind by the Seller or a warranty or representation by the West Penn Multi-List, Inc., any listing real estate broker, any selling real estate broker, or their agents. The Buyer is encouraged to address concerns about any condition of the Property that may not be included in this statement with the Seller and/or by and through an appropriate inspection. This Statement does not relieve the Seller of the obligation to disclose a material defect that may not be addressed on this form.

This form is intended to assist Sellers in complying with the disclosure requirements and/or to assist Buyers in evaluating the property being considered. As such, certain information may be beyond the basic disclosure requirements found in the Law. A Seller who wishes to review the basic disclosure form can find the form on the website of the Pennsylvania State Real Estate Commission. In any event, Seller(s) must disclose all known material defects with the property.

If an item of information is unknown or not available to Seller and Seller has made an effort to ascertain it, Seller may make a disclosure based on the best information available provided it is identified as a disclosure based on an incomplete factual basis.

A material defect is an issue/problem with the residential real property or any portion of it that would have a significant adverse impact on the value of the residential real property or that INVOLVES AN UNREASONABLE RISK TO PEOPLE ON THE LAND OR PROPERTY. The fact that a structural element, system, or subsystem is near, at, or beyond the normal useful life of such structural element, system, or subsystem is not by itself a material defect. When completing this form, check "yes," "no," "unknown (unk)," or "not applicable (N/A)" for each question. If a question does not apply to the property, "N/A" should be selected. "Unknown (unk)" should only be checked when the question does apply to the property but the Seller is uncertain of the answer.

21. COMPLIANCE WITH REAL ESTATE SELLER DISCLOSURE LAW

In Pennsylvania, a Seller is required to satisfy the requirements of the Real Estate Seller Disclosure Law. These requirements are generally described in the notice found on the first page of this document. This law requires the Seller in a residential transfer of real estate to make certain disclosures regarding the property to potential Buyers. The notice is to be provided in a form defined by law and is required before an agreement of sale is signed. The law defines a residential real estate transfer as a sale, exchange, installment sales contract, lease with an option to buy, grant, or other transfer of an interest in real property where not less than one (1) and not more than four (4) residential dwelling units are involved. In transactions involving a condominium, homeowners association, or cooperative, the disclosure is to specifically refer to the Seller's Unit. Disclosures regarding common areas or facilities within such associations are not specifically required in this Disclosure Statement. However, compliance with the requirements that govern the resale of condominium, homeowner association, and cooperative interests is required as defined by the Uniform Condominium Act of Pennsylvania, the Uniform Planned Community Act of Pennsylvania, and/or the Real Estate Cooperative Act as such Act may be amended.

4 **1. TITLE**

5 Notwithstanding the default language of the Agreement of Sale regarding title to the Property, Seller will not warrant title to any oil,  
6 gas and/or mineral rights/interests regardless of whether they are conveyed, excepted or reserved. Buyer is advised to conduct an  
7 investigation as to the history of the ownership rights/interests and status of the oil, gas and/or mineral rights/interests pertaining to  
8 the Property.

9 **2. TITLE SEARCH CONTINGENCY**

10 (A) Buyer understands and acknowledges that the warranty of title in the Agreement of Sale does not pertain to the oil, gas and/or  
11 mineral rights/interests that have been excepted. Seller will not defend title to these rights/interests and does not covenant that  
12 Buyer will have quiet enjoyment of these rights/interests.

13 (B) A typical title search examines transfers made during the previous sixty years and may not specifically research surface or subsur-  
14 face rights that have been sold or leased by a previous owner. Buyer is advised to ask their title agent about the scope and depth  
15 of the title search performed prior to deciding whether to waive or elect a title search contingency pertaining to oil, gas, mineral  
16 and/or surface rights.

18 oil, gas and/or mineral rights/interests to the Property to be performed by a property licensed or otherwise qualified professional.  
19  **WAIVED.** Buyer understands and acknowledges that Seller may not own all oil, gas and/or mineral rights/interests to the  
20 Property and that Buyer has the option to make this Agreement contingent on receiving a certain interest in the oil, gas and/or  
21 mineral rights/interests. **BUYER WAIVES THIS OPTION** and agrees to the **RELEASE** in the Agreement of Sale.

22  **ELECTED.** Investigation Period: \_\_\_\_\_ days (60 if not specified) from the Execution Date of the Agreement of Sale.  
23 1. **Within the Investigation Period,** Buyer will have completed an investigation of the ownership rights/interests and status  
24 of the oil, gas and/or mineral rights/interests to the Property. Buyer will pay for any and all costs associated with the title  
25 search.

26 2. If the result of the investigation demonstrates terms that are unsatisfactory to Buyer, Buyer will, **within the stated Investigation**  
27 **Period:**

28 a. **Accept the Property** and agree to the **RELEASE** in the Agreement of Sale, OR  
29 b. **Terminate the Agreement of Sale** by written notice to Seller, with all deposit monies returned to Buyer according to the  
30 terms contained in the Agreement of Sale, OR

31 c. Enter into a mutually acceptable written agreement with Seller as acceptable to the lender(s), if any.  
32 **If Buyer and Seller do not reach a written agreement before the conclusion of the Investigation Period, and Buyer does**  
33 **not terminate the Agreement of Sale by written notice to Seller within that time, Buyer will accept the Property and**  
34 **agree to the terms of the RELEASE in the Agreement of Sale.**

35 **3. EXCEPTION (IF APPLICABLE)**

36 (A) Buyer is aware that the following oil, gas, mineral and/or surface rights/interests have been previously leased, assigned, sold or

42 (B) Buyer acknowledges that Seller may not own 100% of all oil, gas, mineral and/or surface rights/interests to the Property and agrees  
43 that, notwithstanding the default language of the Agreement of Sale regarding title to the Property, Buyer will accept only the  
44 rights/interests and title that Seller is able to convey, free and clear of all other liens, encumbrances, and easements, subject to the  
45 exceptions referenced above.

46 **4. RESERVATION OF RIGHTS/INTERESTS (IF APPLICABLE)**

47 (A) Buyer acknowledges that Seller is reserving and retaining ownership of the following oil, gas and/or mineral rights/interests and  
48 royalties and is not transferring them to Buyer. The rights/interests being reserved and retained by Seller include the right to receive

56 (B) The warranty of title in the Agreement of Sale does not pertain to the oil, gas and/or mineral rights/interests and royalties that  
57 have been reserved. Seller will not defend title to these rights/interests or royalties and does not covenant that Buyer will have  
58 quiet enjoyment of these rights/interests.

59 (C) Seller's reservation, if any, does not apply to domestic free gas and surface damage rights/interests, which are set forth below.

60 (D) If Seller is reserving an interest in any non-accepted oil, gas and/or mineral rights/interests and royalties, within \_\_\_\_\_ days of  
61 the Settlement Date (30 if not specified) Seller will deliver to Buyer the proposed reservation language that will appear in the deed  
62 that conveys title to the Property to Buyer for Buyer's review. If this reservation language does not reflect the terms in Paragraph  
63 4(A) above, or if Seller fails to provide the proposed reservation language within the time provided, Seller may be in default of  
64 the Agreement of Sale.

65 (E) Within \_\_\_\_\_ days (15 if not specified) of receiving Seller's proposed reservation language, or if no reservation language is  
66 provided within the stated time, Buyer will notify Seller of Buyer's choice to:  
67 1. Agree to Seller's proposed reservation language, accept the Property, and agree to the RELEASE in the Agreement of Sale,  
68 OR

69 2. Terminate the Agreement of Sale by written notice to Seller with all deposit monies returned to Buyer according to the terms  
70 of the Agreement of Sale, OR

71 3. Enter into a mutually acceptable written agreement with Seller.  
72 **If Buyer and Seller do not reach a written agreement during the time stated in this Paragraph, and Buyer fails to respond**  
73 **within the time provided for Buyer's response in Paragraph 4(E) above, or fails to terminate the Agreement of Sale by written notice**  
74 **to Seller within that time, Buyer will accept the Property and agree to the RELEASE in the Agreement of Sale.**

75 (F) If Seller fails to deliver the proposed reservation language as specified in Paragraph 4(D), and Buyer exercises the right to terminate  
76 this Agreement as a result, all deposit monies shall be returned to Buyer according to the terms of the Agreement of Sale. Upon  
77 termination, Seller will reimburse Buyer for any investigative costs incurred by Buyer to verify the title, status and ownership of the  
78 oil, gas and/or mineral rights/interests underlying the Property.

79 **5. SURFACE DAMAGES**

80 In the event Seller is reserving and retaining oil, gas and/or mineral rights/interests as set forth in Paragraph 4(A), then Seller fur-  
81 ther agrees to convey, assign and/or transfer to Buyer: i) the exclusive right to receive compensation for any and all damages, which  
82 include, but are not limited to, pipeline rights-of-way, well pad sites, compressor sites, and standing marketable timber, and ii) any and  
83 all surface consent or surface remediation rights set forth in the applicable oil, gas, and/or mineral rights lease, pipeline right-of-way  
84 agreement or other surface use agreement pertaining to the Property. A copy of the applicable language of the lease is attached to this  
85 Addendum or will be provided to Buyer within \_\_\_\_\_ days (10 if not specified).

86 **6. DOMESTIC FREE GAS**

87 Seller will convey to Buyer 100% of the domestic free gas rights unless otherwise stated here  
88

89 **7. DOCUMENTATION**

90  Seller has no documentation pertaining to any written leases, addenda, surface use agreements, pipeline easements, or other doc-  
91 uments relating to prior conveyances, assignments, or transfers of the oil, gas and/or mineral rights/interests to the Property.

92  Seller has attached to this Addendum copies of all written oil, gas and/or mineral rights leases, addenda, surface use agreements,  
93 pipeline easements, and other documents (e.g., royalty agreements/statements) within Seller's possession having to do with prior  
94 conveyances, assignments, or transfers of these rights/interests, as follows: \_\_\_\_\_  
95

96 **8. ASSIGNMENT OF INTEREST**

97 Buyer, or someone acting on Buyer's behalf, will be responsible for promptly notifying any and all lessees in writing of the assignment  
98 of any oil, gas and/or mineral rights/interests to Buyer. This paragraph will survive settlement.

99 **9. ADDITIONAL RESOURCES**

100 (A) For additional information regarding oil, gas and mineral ownership, leasing and transfer in the Commonwealth of Pennsylvania,  
101 both parties are encouraged to contact the Pennsylvania Department of Environmental Protection's Bureau of Oil and Gas

## DUAL AGENCY CONSENT AND CONFIRMATION AGREEMENT

(To be signed by Buyer before signing offer and to be signed by Seller before reviewing offer.)

1. Seller and Buyer acknowledge and agree that the purchase agreement they are considering involves representation by a Disclosed Dual Agent. The following information details the roles of the parties regarding Dual Agency.

Note: When the term "DUAL AGENT" is used, it will always mean the Broker (Berkshire Hathaway HomeServices The Preferred Realty) who, by contracts previously entered into, represents the interests of both the Buyer and the Seller in this agreement. The term DUAL AGENT will apply to a Salesperson/Associate Broker only if the same Salesperson/Associate Broker has been previously identified as the Designated Agent to represent the interests of both parties (Buyer and Seller) named in this agreement. If the Designated Agent of the Buyer and the Designated Agent of the Seller are not the same Salesperson/Associate Broker, then the term Dual Agent will apply only to the Broker, and the Buyer and Seller will each continue to be fully represented by their previously identified Designated Agents.

2. **Description of Dual Agents' Role:** Seller and Buyer acknowledge that, prior to the creation of the Dual Agency, the Agent represented either the Buyer or the Seller. The Agent acted as the Agent of Seller or acted as the Agent of Buyer. In those separate roles, the Agent may have obtained information which, if disclosed, could harm the bargaining position of the party providing such information to the Agent. Seller and Buyer agree that the Dual Agent shall not be liable to either party for refusing or failing to disclose information which would harm one party's bargaining position and would benefit the other party. However, this Agreement shall not prevent the Agent from disclosing to Buyer any known material defects in the property or any other matter that must be disclosed by state law and/or regulation. The Agent agrees not to disclose (a) to Buyer information about what price Seller will accept other than the Listing Price, or (b) to Seller information about what price Buyer will pay other than any written offer price. In the event that Seller and Buyer do not enter into an agreement for the purchase of Seller's property by Buyer (the "Purchase Agreement"), or in the event that the Purchase Agreement between Seller and Buyer does not close, the Dual Agency role and this Agreement will be terminated.

3. **Description of Seller's and Buyer's Role:** Seller and Buyer acknowledge that they are aware of the implication of the Agent's Dual Agency role including the limitation on the Agent's ability to represent Seller or Buyer fully and exclusively. Seller and Buyer have determined that the benefits of entering into a transaction between them with the Agent acting as agent for both of them outweigh such implications. Seller and Buyer understand that they may each seek independent legal counsel in order to assist with any matter relating to a Purchase Agreement or to the transaction which is the subject matter of a Purchase Agreement. Seller and Buyer agree that Agent shall not be liable for any claims, damages, losses, expenses or liabilities arising from the Agent's role as a dual Agent. Seller and Buyer shall have a duty to protect their own interests and should read this Agreement and any Purchase Agreement carefully to ensure that they accurately set forth the terms which they want included in said agreements.

4. Both Seller and Buyer agree that all "comparable" property information available through the Multiple Listing Service or otherwise, including listed and sold properties, may be disclosed to both Seller and Buyer. Agent will not advise or counsel Seller or Buyer, interpret data, or make recommendations based on this information.

5. Both Parties understand and agree that Broker shall have the right to collect a compensation or fee from the Seller or from the Buyer or both.

6. Both parties are advised to seek competent legal and tax advice with regard to this transaction, and with regard to all documents executed in connection with this transaction including this Dual Agency Consent Agreement.

7. Seller and Buyer recognize and agree that this document does not replace those documents signed earlier, i.e. the Buyer Agency Contract signed by the Buyer on \_\_\_\_\_ and the Exclusive Right to Sell Listing Agreement signed by the Seller on \_\_\_\_\_. However, in any areas where this document contradicts or conflicts with those documents, this Dual Agency Consent Agreement shall supersede. This agreement hereby becomes a part of the attached Purchase Agreement entered into between the parties whose signatures appear below.
