

ABOUT THIS PROPERTY

Welcome to this beautifully updated 3,116 sq ft home in the highly sought-after Views at Spring Lake, known for its larger lots, scenic surroundings, and lake access. Situated on an oversized corner lot of over one-third acre along National Parkway, this property offers the perfect blend of space, privacy, and convenience with quick access to Hwy 360. Backing to Corps of Engineers land, the home enjoys a rare, private setting with a cleared easement to the lake—ideal for fishing, kayaking, and taking in peaceful water views right from your backyard. Inside, this fully renovated home shows like new with fresh neutral paint, all new windows, luxury wood-look vinyl flooring, and updated lighting throughout. The open-concept kitchen is a true standout, featuring freshly painted cabinetry, stone countertops, upgraded appliances, a large island, and abundant natural light—perfect for entertaining and everyday living. The flexible layout includes 4 bedrooms, 2 full baths, and 1 half bath, with all primary living spaces and bedrooms conveniently located downstairs. Upstairs, a spacious game room retreat offers a built-in desk, half bath, attic access, custom finishes, and a stylish sliding wood-and-glass door—ideal for game nights, work, or media space. Additional highlights include 2 living areas, 2 dining areas, a beautifully updated fireplace, fresh landscaping, and a move-in ready design throughout. If you're searching for a fully updated home with a large lot, lake access, water views, and a prime location—this one checks every box.
