REGISTRATION OF EXISTING WELL

ISSUANCE OF THIS PERMIT DOES NOT CONFER A WATER RIGHT

CONDITIONS OF APPROVAL

1) This well shall be used in such a way as to cause no material injury to existing water rights. The issuance of this permit does not ensure that no injury will occur to another vested water right or preclude another owner of a vested water right from seeking relief in a civil court action.

2) Construction details for this existing well have not been provided to this office; therefore, it is not known if the construction of this well is in compliance with the Water Well Construction Rules, 2 CCR 402-2. The issuance of this permit does not relieve the well owner of responsibility or liability in the event contamination of the groundwater source results from the construction or use of this well, nor does the State Engineer assume any responsibility or liability should contamination occur.

3) This well is recorded and permit approved in accordance with CRS 37-92-602(5) for historical use as indicated herein and described in CRS 37-92-602(1)(b), being a well producing 2.5 GPM and used for ordinary household purposes inside 1 single family dwelling and fire protection. The ground water shall not be used for irrigation or other purposes.

4) The date of first beneficial use, as claimed by the applicant, is 12/31/1963.

NOTICE: This permit has been approved subject to the following changes: The UTM coordinate values were provided by e-mail because the distances from section line values provided with the permit application were incorrect. You are hereby notified that you have the right to appeal the issuance of this permit, by filing a written request with this office within sixty (60) days of the date of issuance, pursuant to the State Administrative Procedures Act. (See Section 24-4-104 through 106, C.R.S.)

NOTE: This well is to be located on a residential site described as 321 Quandary Rd., Summit County.

NOTE: Parcel Identification Number (PIN): 2371-3120-08-019
