

# Improvements

## Backyard

- Landscaped backyard with grass and hardscaping around circumference
- firepit in the corner attached to natural gas with built in seating
- gas grill attached to natural gas
- lights along ground and above.

Hardscaping installed in side yard by Multi-Gen Suite entrance

## Multi-gen suite:

- Stove top 2 burner
- installed larger sink
- Combo microwave, air fryer, oven above sink
- combined original pantry with existing closet to expand Next gen Suite closet
- custom cabinetry in closet
- light/fan combo in both lounge area and bedroom

## office/6th bedroom on 1st floor

- installed queen size murphy bed
- installed fan/light fixture
- custom Dutch door

## Garage

- installed over head storage across back wall of garage

1st floor has tile throughout (was originally planned for carpet in bedrooms/closets on 1st floor)
