Your coverage amount....

It is up to you to choose the coverage and limits that meet your needs. We recommend that you purchase a coverage limit equal to the estimated replacement cost of your structure. Replacement cost estimates are available from building contractors and replacement cost appraisers, or, your agent can provide an estimate from Xactware, Inc.® using information you provide about your structure. State Farm® does not guarantee that any estimate will be the actual future cost to rebuild your structure. Higher limits are available at higher premiums. Lower limits are also available, as long as the amount of coverage meets our underwriting requirements. We encourage you to periodically review your coverages and limits with your agent and to notify us of any changes or additions to your structure.

In accordance with the Terrorism Risk Insurance Act of 2002 as amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2019, this disclosure is part of your policy.

POLICYHOLDER DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE

Coverage for acts of terrorism is not excluded from your policy. However your policy does contain other exclusions which may be applicable, such as an exclusion for nuclear hazard. You are hereby notified that the Terrorism Risk Insurance Act, as amended in 2019, defines an act of terrorism in Section 102(1) of the Act. The term “act of terrorism” means any act that is certified by the Secretary of the Treasury—in consultation with the Secretary of Homeland Security, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under this policy, any covered losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. Under the formula, the United States Government generally reimburses 80% beginning on January 1,

2020 of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers’ liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

There is no separate premium charged to cover insured losses caused by terrorism. Your insurance policy establishes the coverage that exists for insured losses. This notice does not expand coverage beyond that described in your policy.

THIS IS YOUR NOTIFICATION THAT UNDER THE TERRORISM RISK INSURANCE ACT, AS AMENDED, ANY LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM UNDER YOUR POLICY MAY BE PARTIALLY REIMBURSED BY THE UNITED STATES GOVERNMENT AND MAY BE SUBJECT TO A \$100 BILLION CAP THAT MAY REDUCE YOUR COVERAGE.

EXCLUSION – CYBER INCIDENT

This endorsement modifies insurance provided under the following:

COMMERCIAL INLAND MARINE

The following exclusion is added:

We do not insure under any coverage for any loss which would not have occurred in the absence of one or more of the following excluded events. We do not insure for such loss regardless of: (a) the cause of the excluded event; or (b) other causes of the loss; or (c) whether other causes acted concurrently or in any sequence with the excluded event to produce the loss; or (d) whether the event occurs suddenly or gradually, involves isolated or widespread damage, arises from natural or external forces, or occurs as a result of any combination of these:

IMPORTANT NOTICE . . . Data Compromise Coverage Now Available

Nearly all businesses collect and retain personal information about their clients, employees and business associates. Yet many businesses lack the resources to respond effectively in the event this data is stolen or released when it is in their care, custody or control.

If a data breach occurs, a business may be required to notify all parties who were affected by the breach, effectively communicate the nature of the loss or disclosure and, if warranted, provide credit monitoring assistance and identity restoration case management service to those affected. Many states already require businesses to provide these services.

Data Compromise coverage may help a business respond to the expense of service obligations following a covered data breach.

Coverage Summary

Data Compromise coverage is designed to help a business investigate a data breach, notify individuals and provide credit monitoring, case management and other services that help prevent identity theft and fraud following a covered breach of non-public personal information. Data Compromise coverage may be available for certain necessary and reasonable expenses including:

- Legal and forensic information technology reviews;
- Notification to affected individuals; and
- Service to affected individuals including:
 - Informational materials;
 - Toll-free help line;
 - Credit report monitoring; and
 - Identity restoration case management.

If you choose to purchase Data Compromise coverage, Identity Restoration coverage will be included for your business.

No one can predict if a covered data breach will occur, but you are able to protect your business from certain response costs a breach may create. If you are interested in adding Data Compromise coverage to your policy, contact your State Farm® agent to see if your business qualifies.
