Nantyr Shores is truly a name that brings together the past and present of our community. We believe our name clearly establishes our community roots, which will enable us to build our future! "Nantyr" was the name of the original 1840's settlement located on the 7th Line of Innisfil and the 20th Sideroad and was named after the Welsh ancestral home of the first

member of parliament for the area. All that remains of this community is the original Nantyr School, which is now a private residence. "Shores" reflects our proximity to Lake Simcoe and the importance of the lake in the development of our early community.
