#### SYSTEM MAINTENANCE TIPS:

Alignment and spacing is critical for performance excellence. Unauthorized adjustments or removal and replacement will immediately void the warranty. Don't allow ladders to come in contact with the installed Gutter Helmet® system as damage may occur.

Gutter Helmet® is designed to be a closed system that channels rainwater into the gutter at the pre-set gap along the gutter front. If gaps, spacing or misalignment allow debris, birds or animals to enter the system, contact your installation dealer for service.

During manufacture and installation, natural oils may adhere to Gutter Helmet® and cause minor runoff on newly installed systems. This is normal and will diminish after 30 days.

Damage caused by circumstances beyond our control are not covered by this warranty, such circumstances include hail and other weather related incidents. Damaged corrections should be made immediately to maintain peak performance. If accidental damage or misalignment does occur, please call your installing Gutter Helmet® dealer for service.

Gutter Helmet® features a patented PermaLife™ coating. Paint and waterproofing chemicals defeat the purpose of this coating and performance is reduced. Painting the Gutter Helmet® system voids the warranty.

Gutter Helmet® prevents the damage to your gutters caused by ice buildup and freeze-thaw expansion. Icicles are an indication that Gutter Helmet® is protecting the investment in your guttering system and are not indicative of performance failure. Periodic spray cleaning with a high pressure garden hose nozzle or pressure washer will maintain optimum performance. In regions where excessive tree sap, hardwood tree tassels and/or pine resin are prevalent, the front edge may require additional periodic cleaning.

Privacy Policy: We never share, sell, or rent personal information with or to anyone or any organization without your prior permission, or unless ordered by a court of law. We will use the information you submit to us (including your phone numbers, address, and e-mail address) only for the purpose of responding to you in regards to your request for information about Gutter Helmet.

Inc., such as settlement of the building, failure of the structure (including foundations and walls), use of incompatible accessories, faulty or improper installation, re-installation, normal weathering, chemical pollutants, normal fading, fire, flood, lightning, high winds, windblown objects, earthquake, hurricanes, ice dams, icicles and/or ice storms, atmospheric conditions or weather of catastrophic nature as defined by the US Weather Bureau, other acts of God, intentional acts, unreasonable use or failure to provide reasonable maintenance. Adjustment or tampering with an installed Gutter Helmet® system by any unauthorized person (painters, roofers, etc.), or misalignment caused by foliage, tree limbs, and ladders placed against gutters or Gutter Helmet® product will void these warranties. In regions where tree sap or pine resin is prevalent in excessive amounts, the exposed surface of the Gutter Helmet® system may require periodic rinsing to prevent organic build-up and minor runoff. The geographic location, the quality of the atmosphere and other local factors over which Southeastern Metals Mfg. Co. Inc. has no control, may contribute to the severity of these conditions. **Extended Limited Warranty**

Thank you for registering your Allied Air heating and cooling equipment. This Certificate provides you with important information about your equipment ("Equipment"). Please note that the information below pertains only to Equipment that is used in a residential application. If your Equipment is used in a commercial application, please visit [www.alliedair.com](http://www.alliedair.com) to review any applicable limited warranty's terms and conditions.

Our records reflect that you have registered the Equipment shown on this Certificate. If any of the information above is incorrect, or if you registered Equipment that is not shown above, please immediately contact Allied at [col.warranty@alliedair.com](mailto:col.warranty@alliedair.com) or 1-800-448-5872 to ensure that your Equipment is properly registered. Registering your Equipment does not guarantee that either the Basic Limited Warranty or the applicable Extended Limited Warranty (if any) will apply. If the registered Equipment or any limited warranty claim associated therewith does not meet all the applicable limited warranty's terms and conditions (the "Terms"), the applicable limited warranty coverage (if any) will not apply.

Eligible Equipment comes with a Basic Limited Warranty and the opportunity to receive the applicable Extended Limited Warranty, if any, free of charge (the Basic Limited Warranty and Extended Limited Warranty are the "Limited Warranties"). You can review the Limited Warranties' Terms at [www.alliedair.com](http://www.alliedair.com) or by calling 1-800-448-5872 to receive a copy by mail. Allied strongly recommends that you carefully review the Limited Warranties' Terms. Failure to comply with the Limited Warranties' Terms will result in the denial of a claim.

If you purchased your Equipment outside of California, Quebec or any other jurisdiction that prohibits registration requirements to effectuate warranties, you must have registered your equipment at [www.alliedair.com](http://www.alliedair.com) within sixty (60) days of installation (for existing homes) or closing date (for new construction) for any applicable Extended Limited Warranty to apply. If you did not register your Equipment within that time period, your Equipment will be governed only by the Basic Limited Warranty.

PURCHASERS IN CALIFORNIA, QUEBEC AND ANY OTHER JURISDICTION THAT PROHIBITS REGISTRATION REQUIREMENTS TO EFFECTUATE WARRANTIES (1) HAVE NO REGISTRATION REQUIREMENT AND AUTOMATICALLY RECEIVED BOTH THE BASIC LIMITED WARRANTY AND THE DEFAULT EXTENDED LIMITED WARRANTY APPLICABLE TO YOUR EQUIPMENT (IF ANY) AND (2) THE FAILURE TO REGISTER YOUR EQUIPMENT DOES NOT DIMINISH YOUR LIMITED WARRANTY COVERAGE.
