- Adjustments shall be made on areas wherein a change of elevation has occurred that exceeds one half-inch (1/2") on a ten-foot (10') span, for the lifetime current owner(s) at no cost to the owner(s).
- This warranty only applies to the affected areas that were repaired by the installation of materials by Hercules Foundation Repair, LLC.
- This warranty does not cover future issues pertaining to acts of god, acts of neglect or omissions by owner, or anything else not under control by contractors.
- This warranty does not apply to homes with plumbing leaks or water/drainage issues.
- In order for this warranty to be effective, the owner(s) must contact Hercules Foundation Repair, LLC, identifying specifically any issues or problems pertaining to the foundation repaired.
- The owner(s) must provide Hercules Foundation Repair, LLC an opportunity to inspect the premises and an opportunity to make elevation adjustments at the discretion of Hercules Foundation Repair, LLC. Hercules Foundation Repair, LLC reserves the right to determine the final elevations.
- This warranty shall become null and void should any person other than an employee of Hercules Foundation Repair, LLC, with written consent of the owner of Hercules Foundation Repair, LLC, attempt to or make elevation adjustments to piers installed by Hercules Foundation Repair, LLC.
- Transfer of this guarantee is available to new owners for a fee.
