WHEREAS, the Declarant has caused the Powderhouse Landing Property Owners' Association, Inc., (hereinafter referred to as the "Association") to be incorporated under the laws of the State of South Carolina as a non-profit corporation for the purposes of exercising the powers and functions aforesaid; and

WHEREAS, it is to the interest, benefit, and advantage of the Declarant, the Association, and each and every person or entity who shall hereafter purchase and/or own a Lot in the subdivision, that certain Protective Covenants governing and regulating the use and occupancy of the same, and certain easements, reservations and servitudes to be imposed upon said property, and the same be established, set forth and declared to be covenants running with the land.

**ARTICLE I**  
**RESIDENTIAL USE, BUILDING, AND LOCATION OF STRUCTURES**

1.01. **Size of Structures.**

All of the Lots shall be used only for residential purposes for the erection of one detached single-family dwelling not exceeding two (2) stories in height. In determining whether a house exceeds two (2) stories in height, a basement or an attic shall not be counted as a story. It is the intention, rather, of the Declarant that the sole criteria governing the nature of such improvements to be constructed in Powderhouse Landing shall be those of good taste, high quality, both as to workmanship and materials, and harmony and suitability of such improvements to their environment and surroundings.

1.02. **Sleeping Quarters in Attic, Garage, or Outbuilding Prohibited.**

No attic, shack, garage, barn, or detached outbuilding shall be used for sleeping quarters. No storage buildings shall be erected, placed or built that is visible from any other residence. Any storage building must be inside the rear fenced yard and cannot be a permanent structure (i.e. it must be movable). This provision shall prohibit the conversion of a garage into sleeping quarters which are incorporated as part of the main residential building.

1.03. **Altering Lot Boundaries.**

No Lot shall be subdivided, or its boundary lines changed, nor shall application for same be made to the City of Aiken, except with the written consent of the Declarant. However, the Declarant hereby expressly reserves unto itself, its successors and assigns, the right to re-plot and change the boundary lines or subdivide any Lot or Lots; and to take such other steps as are reasonable necessary to make such re-platted Lot suitable and fit as a building site, including but not limited to the relocation of easements, walkways, rights-of-way, and other amenities. No Lot shall be reduced in size so that the resulting Lot is less than 90% in size of the smallest Lot on the initial recorded subdivision plat. The provisions of this paragraph shall prohibit the combining of two (2) or more contiguous Lots into one (1) larger Lot.

**1.04. Location of Building on Lot.**

It is the intention of the Declarant that all buildings be constructed the same distance from the street and maintain the same set back. The Declarant reserves the right to modify and setback or easement.

Notwithstanding anything contained herein, should the subdivision plat prepared by Southern Partners, recorded in the Office of the Register of Deeds for Aiken County, South Carolina, be inconsistent with the minimum building lines, easements, or restrictions, declared herein, the subdivision plat shall control over these Covenants and Restrictions, unless otherwise approved by the City of Aiken, South Carolina and the Architectural Control Committee (the "ACC"). If any of the aforementioned Lots are subdivided or enlarged pursuant to the provisions of Paragraph 1.03 above, the rear and side line restrictions shall be applicable only to the rear and side lot lines of the Lot as altered or re-subdivided.

**1.05. Main Dwelling Built First.**

No building or structure shall be constructed prior to construction of the main dwelling on the Lot. The Provisions of this Declaration shall not prohibit the Declarant from using a house or other structure located on one or more Lots as a model or sales offices.

No fence, wall, hedge, or similar structure on any Lot shall be constructed or maintained which is either more than six (6) feet in height, or which is nearer than twenty-five (25) feet from the front boundary line of the property as extended to the side lot lines. All fences shall be on the side and rear lot property lines, regardless of whom is paying for the installation of the fence. Any changes, additions or deletions from the original landscaping that is visible from the street shall require written permission from the declarant; and the petition shall include a scaled landscape design, with proposed species and plant sizes properly labeled. Any changes without prior permission could result in an Association fee to remove such changes and replace to original landscaping. Cost of such changes shall be incurred by property owner and shall incur interest and liens if not paid in a timely manner as required by the written notice.

A fence shall not be erected unless the owner of the Lot upon which said fence is to be erected receives the prior written approval of the Declarant. A uniform fence shall be used for all lots subject to these covenants. The Declarant shall establish the design and specifications including color of the fence for all Lot Owners, subject to the right of

Where a larger or more specific easement is shown on the recorded subdivision plat or other recorded document, the larger or more specific easements will apply instead of the easement herein reserved. Thereafter, the Board shall be elected and removed by the Members in accordance with the Bylaws.

**ARTICLE VI**  
**MEMBERSHIP IN THE ASSOCIATION AND VOTING RIGHTS OF ITS**  
**MEMBERS**

**6.01. Membership.**

All owners of a single-family residential building lot or lots in Powderhouse Landing shall thereby be a member of the Association for so long as such ownership continues. The Association is being formed and organized so as to provide an entity to operate and maintain the common areas and elements of Powderhouse Landing. These areas and elements include, but are not specifically limited to: (a) fences bordering the sidewalk, (b) the entrance area easements, and (c) the area designated as Green Space(s) on the subdivision plat. The Association shall additionally, without limiting its powers as granted in its bylaws or charter, be charged with determining the amount and extent of any assessments, the levying of any special assessment, and the collection of said assessment. No person or corporation, in taking title as security for the payment of money or for the performance of any obligations, shall thereby so become entitled to membership. Ownership of the property as qualification for membership is defined herein as follows: ownership of any such Lot under recorded deed, whether the owner is occupant or not, or ownership under a bond for title or contract for purchase, if the same accompanied by an actual occupancy of the Lot in question. Ownership within the meaning and intention hereof shall cease upon the sale of any such lot to another by the owner thereof. Sale of any such lot within the meaning hereof shall mean and shall be effective upon recording of any deed conveying such lot to another, or the termination of occupancy of the property by the owner thereof accompanied by the giving of such owner to another of a bond for title or contract of sale with respect to such lot.

The Declarant shall be member of the Association so long as it is the owner of one (1) or more residential lots as shown on the aforesaid plat, or of any additional lots made subject to these Declarations under the provisions of this Declaration.

Members of the Association shall consist of two (2) classes, Class A members and Class B members, who respectively shall have rights, voting privileges and duties as set forth in the corporate charter or bylaws of the Association and as hereinafter set forth, to-wit:

- (a) Class A members shall initially consist of the Declarant, who shall be entitled to voting privileges, in the same amount of one (1) vote for each residential lot owned by it in Powderhouse Landing, or in additional real estate made subject to these Declarations pursuant to the provisions of the Declaration.
- (b) Class B members shall consist of all other owners of residential lots in Powderhouse Landing other than the Declarant. Class B members shall not have voting privileges until the Declarant, in its sole discretion, shall so designate or until the Declarant shall have conveyed eighty-five percent (85%) of the residential lots as shown on the aforementioned plat and upon the plat or plats of lots composing such additional real estate made subject to these Declarations pursuant to the provisions of this Declaration, whichever occurs first, at which time Class B members shall automatically become Class A members. In the event that a Class B member shall own more than one (1) contiguous lot upon which only one (1) residence is constructed, such member, upon becoming a Class A member, shall be entitled to only one (1) vote, and shall likewise only be subject to the imposition of dues and assessments calculated for a single Lot. A corporation owning one (1) or more lots in Powderhouse Landing shall have one (1) vote for each such lot owned, but no member, stockholder, director, employee or officer of such corporation shall

acquire thereby any rights individually to become a member of the Association.

**6.02. Voting Rights.**

With the exception of Declarant, Members shall be entitled to one vote in the Association for each lot owned, unless Declarant sooner waives this right. Thereafter, Declarant shall be entitled to one vote for each Lot owned. When a lot is owned by more than one person, all such persons shall, collectively, cast only one vote. Fractional votes shall not be allowed. If only one of such persons is present or represented by proxy at a meeting of the membership, that person is entitled to cast the vote relating to such lot. If more than one of such persons are present or represented by proxy, the vote relating to such lot shall be cast only in accordance with their unanimous agreement; otherwise, they shall lose their right to vote on the matter in question. Unanimous agreement is conclusively presumed if any one of them purports to cast the vote relating to such lot without protest being made forthwith by any of the others to the person presiding over the meeting.

**ARTICLE VII**  
**COVENANT FOR MAINTENANCE ASSESSMENTS**

**7.01. Creation of Lien and Personal Obligations of Assessments.**

Each Owner of each lot owned within Powderhouse Landing, hereby covenants and agrees to pay Association annual, special and individual assessments which shall be established and collected as herein provided. Each assessment, together with all other charges authorized pursuant to this Declaration which is deemed a part of the assessment, shall be a charge and a continuing lien upon the lot against which the assessment is made from the date the assessment became due, and shall be the personal obligation of the Owner of the lot at the time the assessment became due. The personal obligations for delinquent assessments shall not pass to the Owner's successors in title unless expressly assumed by them. The obligations of this article shall bind each Lot and each Owner regardless of whether ownership was acquired by deed or operation of law, and

regardless of whether ownership was acquired by deed or operation of law, and regardless of whether so expressed in the deed or other document of title. No Owner may avoid liability for the assessments provided for herein by abandonment, non-use or waiver of the use or enjoyment of his lot, or otherwise.

**7.01. (a) Exemption of Declarant and Builders.**

In no event shall the Declarant or a Builder in the subdivision be liable to pay the assessment unless the Declarant or Builder occupies the property as a residence.

**7.02. Purpose of Assessments; Uniform Rate.**

Assessments shall be used exclusively for expenses of Association reasonably incurred in the performance of its duties and responsibilities, including the maintenance of reasonable reserves, and to promote the health, safety and general welfare of Powderhouse Landing and the Owners and occupants thereof. Both annual and special assessments shall be set at a uniform rate for all lots.

**7.03. Annual Assessments.**

The Board shall levy an annual assessment for each calendar year. The amount of the annual assessment shall be established by the Board at least thirty (30) days in advance of the assessment period, and written notice thereof shall be sent to every lot Owner. The Board shall determine when annual assessments shall be paid and may permit payment thereof in installments. A lot shall become subject to annual assessments when the Home constructed thereon is first occupied as a residence. The annual assessment for lots which become subject to annual assessments during an assessment year shall be prorated and paid based on the number of whole months remaining in the assessment year. The initial assessment for the year 2010 shall be \$400 per year.

**7.04. Special Assessments.**

In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for any of the purposes set forth in paragraph 7.02, provided that any such assessment shall have the

assent of two-thirds of the Members voting at a meeting of the membership called for the purpose of considering the special assessment.

**7.05. Individual Assessments.**

The Association may levy an individual assessment against a lot and its Owner for costs incurred by the Association resulting from an Owner's failure to maintain the Owner's lot in accordance with this Declaration, the Supplemental Declarations, the Board Rules or the ACC Standards, or to reimburse the Association for any damage to property owned or maintained by the Association caused by an Owner or the Owner's tenants, occupants or guests, or for any other purpose permitted by this Declaration. An individual assessment shall be paid within thirty days after notice thereof is sent to the Owner.

**7.06. Status Certificates.**

The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an authorized representative of the Association setting forth whether the assessments on a specific Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

**7.07. Subordination of the Lien to Mortgages.**

The lien of the assessments provided for herein shall be subordinate to first and second Mortgages made in good faith and for value. Sale or transfer of a lot shall not affect the assessment lien; provided, however, that the sale or transfer of a lot by Mortgage foreclosure, or conveyance in lieu thereof, of a first or second Mortgage to which the assessment lien is subordinate shall extinguish the assessment lien. It shall not extinguish the owner's obligation to pay the dues.

**ARTICLE VII**  
**EXTERIOR MAINTENANCE**

**8.01. Owner's Responsibility.**

The Owner shall maintain all landscaping and all improvements on the Owner's lot including, but not limited to, the exterior of all structures, all utility lines and drainage facilities, and all other improvements located outside, aboveground or underground in a clean and attractive condition, and in good order and repair consistent with the approved plans and specifications therefore. The excessive use or maintenance of statues, figurines, flags, banners, streamers, windsocks, birdhouses, birdbaths and other such items which are visible from any street is prohibited. The Board may adopt rules, which may be purely aesthetic in nature, limiting the use, maintenance and location of equipment, decorations and other items on a lot which are visible from a street.

**8.02. Association's Rights.**

The Association may provide the maintenance (including the correction of any violation) required by paragraph 8.01, if the Owner fails to do so; subject, however, to the following provisions: Prior to performing any maintenance on any Owner's lot, the Board, or a committee appointed by the Board, shall determine that the Lot is in need of maintenance. Except in an emergency, prior to any maintenance work, the Board shall notify the Owner that, unless the specified maintenance is commenced within fifteen (15) days and thereafter diligently pursued to completion, the Association may cause the maintenance to be performed and charge the cost thereof to the Owner. Upon the failure of the Owner to act within said period of time or to thereafter diligently pursue the completion of the required maintenance, the Association may enter upon the Lot to cause such maintenance to be performed. The Association may paint, repair, replace and care for exterior building surfaces, roofs, gutters and down spouts; clean and resurface paved access ways and parking areas; trim and care for trees, shrubs, grass, walks and other landscaping and drainage improvements; and provide general cleanup and removal of debris. The Associations shall not be liable to the Owner or any other person for trespass or injury to person or property as a result of such actions unless caused by gross negligence or intentional wrongdoing. The cost of any maintenance incurred by the

Association under this section shall constitute an individual assessment against the applicable Lot and Owner.

**8.03. Access at Reasonable Hours.**

For the purpose of performing the maintenance authorized by this article, the Association may enter upon any Lot and the exterior of any improvements thereon during reasonable hours on any day except Sundays and holidays, except that in an emergency, entry may be made at any time on any day.

**ARTICLE IX**  
**ENFORCEMENT**

**9.01. Violations.**

This Declaration, the Supplemental Declarations, the Board Rules, and the ACC Standards (collectively, the "Governing Documents") are binding upon and shall be observed by the Owners and their tenants, occupants and guests. An Owner is responsible and liable for all violations and losses caused by the Owner's tenants, occupants and guests, notwithstanding the fact that such persons are also fully liable therefore. Declarant, the Association, any member of the ACC, or any Owner may enforce and prosecute violations of the covenants, conditions, restrictions, reservations, easements, liens, charges and other provisions now or hereafter imposed by the Governing Documents, including proceedings at law or in equity. The failure to enforce a particular provision or prosecute a particular violation shall not be deemed a waiver of the right to do so thereafter.

**9.02. Architectural Requirements.**

If an Owner fails to comply with any architectural or environmental requirement of this Declaration, the ACC Standards, or the decisions of the ACC, notice of the violation shall be sent to the Owner allowing the Owner thirty (30) days to cure the violation. If the Owner fails to cure the violation, Declarant and the Association may each enter upon the Owner's lot, make such corrections or modifications as are necessary, remove anything in violation of such requirements, and charge the cost thereof to the

Owner, Declarant and the Association shall not be liable to the Owner or any other person for trespass or damages or injury to person or property in connection with such entry unless caused by gross negligence or intentional wrongdoing. This section is in addition to, and does not limit, the general enforcement provisions of these Declarations.

**9.03. Costs of Enforcement.**

Any violator under paragraph 9.01 or paragraph 9.02 shall be liable for all costs reasonably and actually incurred by any authorized person prosecuting a violation of Governing Documents. The cost may include, but are specifically not limited to, the writing of delinquency and demand letters, court cost, expenses of litigations, paralegal fees and attorneys' fees, including any costs of appeal. Such costs may be recovered regardless of whether suit is filed. If approved by the Board, such costs shall constitute an individual assessment against the applicable lot and Owner, and may be enforced in accordance with paragraph 9.04.

**9.04. Nonpayment of Assessments.**

An assessment, sanction or fine against a lot by the Association becomes delinquent if any part of the monies or any installment thereof is not paid on the date due. If the assessment is not paid within thirty days after the date due, it shall bear interest at the rate of twelve (12%) percent per annum, and may be subject to reasonable late charges established by the Board. The delinquent assessment, fine or sanction, together with interest, late charges, and all costs of collection reasonably and actually incurred by the Association, all of which shall be deemed part of the assessment, shall be secured by a continuing lien on the lot pursuant to this Declaration. The Association may institute legal action to foreclosure the assessment lien against the lot, and/or to collect against the Owner personally obligated to pay the assessment.

**9.05. Sanctions.**

For violations of the Governing Documents, the Board may impose sanctions, including reasonable monetary fines, suspension of an Owner's right to vote in the Association, and loss of use and enjoyment of any property owned or maintained by the

Association; provided, however, that fines may not be imposed for delinquent assessments, but the Board shall suspend the voting rights in the Association of an Owner who is delinquent in the payment of assessments. The Association may file a lien for any sanctions which remain unpaid after sixty (60) days from the date the Owner, subject to the sanction, is notified in writing, by certified mail, of the amounts, and reason for the sanction.

**9.06. Remedies Cumulative.**

The remedies provided by this article and elsewhere in this Declaration are not exclusive remedies, but are in addition to all other rights and remedies available to Declarant, the Association, the ACC, and Owners now or hereafter provided by the Governing Documents, by law, or otherwise. In addition to the foregoing, the Declarant, the Association or any owner of a lot in Powderhouse Landing has the right, whenever there shall have been built on any lot in the subdivision any structure or other condition created which is in violation of the Restrictions, to enter upon the property where such violation exists and summarily abate or remove the same at the expense of the owner if, after thirty (30) days written notice of such violation, it shall not have been corrected by the Lot owner. Any such entry and abatement or removal shall not be deemed a trespass. The failure to enforce any rights, reservations, restrictions, or conditions contained in these Declarations, however long continued, shall not be deemed a waiver of the right to do so hereafter as to the same breach or as to a breach occurring prior or subsequent thereof and shall not bar or affect its enforcement; provided, however, that a violation of any such covenant or restriction shall not constitute a forfeiture or reversion of title hereunder.

9.07. Exemptions and Immunity.
