A move-in-ready home that offers more space and versatility than you might expect. The beautifully updated kitchen is a standout, while multiple living and flex spaces provide room to work, entertain, exercise and unwind. It's a comfortable, functional home designed for real everyday living.

10. Is there a Reel, trend, or video style you'd like to try?**Is there anything else you'd like us to know?**

Special requests, important property details, things you'd like us to avoid, or anything else that will help us create the best video for you.

11. Any additional information?

I'm open to suggestions but a couple ideas I thought of for when I'm on camera... Opening clip / front of home - "You know those homes that just feel easy to live in? This is one of them. Come take a look." ; Kitchen clip - "And this kitchen might just be my favourite part of the home – bright, beautifully updated and designed with everyday living in mind."; Closing Clip "92 Maple Drive is one of those homes that's easy to picture yourself in. All that's left is to come see it for yourself."
