Updates to house since purchased in 9/8/2020

- Replaced the sliding glass doors to deck – Alpine lumber
- Replaced wood burning stove and chimney pipes with - The People's Chimney
- Purchased Stove, Dishwasher, Fridge, Washer and Dryer and will leave – Lowe's
- We laid new tiles in kitchen and both bathrooms
- Updated/remodeled both bathrooms with sinks, toilets, shower heads and cabinets. The upstairs bathroom we made into a walk in shower
- Built a woodshed attached to the shed
- Built a chicken coop for chickens and later repurposed for an outside shed
- Hired Land and home to lay gravel in driveway
- Hired Land and home to lay gravel 5 ft around home to fire wise
- Hired Maloney Construction to build new metal roof
- We hired Richard Baca to build new railing, replaced deck boards, and paint it
- Hired La Pintura Pro to paint all inside rooms and ceilings in main house
- New lights on ceiling in kitchen
- New outside lights on house
- New well pump 7/1/26
- Painted sunroom
- New kitchen sink facet and garbage disposal
- Removed one hot water tank since we only needed one 50 gallon tank
- Painted loft bedroom by garage
- New 300 foot Well
