Written notice of any meeting called for the purpose of taking any action authorized under this Article shall be sent to all members not less than 15 days or more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to a minimum seven (7) day, maximum twenty-one (21) day notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. If at a second meeting, the requirement of one-half of the required quorum is not met, then in a subsequent meeting the requirement shall be one-fourth (1/4) of the required quorum and successive meetings may be held until a quorum is maintained by successively halving the quorum requirement of the prior meeting. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge if it deems appropriate, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the

Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage or tax foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer, but shall not abate the personal obligation of the prior owner. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

SECTION 11. Exempt Property. Any portion of the Property dedicated to, and accepted by, a local public authority and any portion of the Property owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. In the event an owner fails to keep and maintain the grounds on his Lot in a neat and attractive manner, then the Association may maintain, repair, replace or generally keep up the Lot if such has been approved in advance by a vote of two-thirds (2/3) of each class of members present and voting in person or by proxy at a meeting of members duly called for the purpose of making this determination or at any annual meeting at which this matter is announced as an agenda item.

In the event the Association must do any maintenance, repair, replacement or upkeep on any Lot, each Lot Owner hereby gives to the Association, and the same is hereby reserved unto the Association, its agents, servants or independent contractors, the right and easement for unobstructed access in, over and on each Lot at all reasonable times to perform such repair or replacement by the Association.

Initial construction on all Lots shall be reviewed and approved by Declarant. In the event the Architectural Committee fails to approve such submission made by any Lot Owner within thirty (30) days after said plans and specifications have been received by the Committee, approval will be deemed to have been denied. Any plans and specifications that contain inaccurate or missing data or information when submitted shall not be deemed to be received or approved notwithstanding any prior approval by the Committee.

Upon request, the Association, on behalf of the Architectural Committee, shall provide any Owner with a letter stating that any such work, plans and specifications, landscaping or plantings have been approved, and the letter may be relied upon by third parties.

Approval or disapproval by the Architectural Committee of such plans, location or specifications may be based upon any grounds, including purely aesthetic and environmental, which in the sole discretion of the Committee, it shall deem sufficient. The Association, the Board, and the Architectural Committee shall not be responsible for any defects in the plans and specifications submitted to it or in any structure erected or improvements made on any Lot.

The Board and the Architectural Committee, or their appointed agents, shall have the right, at their election, but shall not be so required to enter upon any of the Lots during site preparation or construction, erection, or installation of improvements to inspect the work being undertaken and to determine that such work is being performed in conformity with the approved plans and specifications.

The Architectural Committee shall have the power to grant, and may allow, variances of, and adjustments of the restrictions established herein in order to overcome practical difficulties and prevent unnecessary hardships in application of the restrictions contained herein; provided, however, that variances or adjustments are done in conformity with the intent and purposes hereof, and, provided also, that in every instance such variance or adjustment will not be materially detrimental or injurious to other Lots in the immediate neighborhood. Variances and adjustments may be of the height, size and setback requirements, pursuant to the terms herein, but shall not be limited thereto. No variance shall be permitted if it violates governmental minimum standards. Notwithstanding the foregoing, Declarant shall have the power to grant the above variances and adjustments so long as there is a Class B membership.

In the event of the grant of any variance in the restrictions established herein, the Declarant for so long as there is a Class B membership, and thereafter the Association on behalf of the Architectural Committee shall execute a document acceptable in substance to the Association attesting to such grant and the specific nature thereof in form suitable for recording, so that the Lot Owner may record the document in the Wake County Registry. Such document shall be prepared at the cost of the Lot Owner

and shall be binding upon the Declarant, the Association, its successors and assigns, and other, Lot Owners and may be relied upon by third parties to evidence the variance approval.

Any purchaser of a lot or institution financing a lot shall rely on the foregoing statement.

The Association, so long as there is a Class B membership, shall defer architectural approvals and grants of variances to Declarant unless Declarant has voluntarily relinquished control of the Association and/or the Architectural Committee. The Declarant may choose to maintain exclusive approval rights for all new construction until such time there is no Class B membership.

ARTICLE VI

ANNEXATION OF ADDITIONAL PROPERTIES

SECTION 1. Annexation of additional property, except as provided in Section 2 of this Article VI shall require the assent of two-thirds (2/3) of the membership present in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than 15 days nor more than 30 days in advance of the meeting setting forth the purposes of the meeting. The presence of Members or of proxies entitled to cast sixty percent (60%) of the votes of the membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called subject to a notice requirement of a minimum of seven (7) days and a maximum of twenty-one (21) days and the required quorum shall be one-half (1/2) of the required quorum of the preceding meeting, no such subsequent meeting shall be held more than 60 days following the preceding meeting. In the event that two-thirds (2/3) of the membership is not present in person or by proxy, Members not present may give their written assent to the action taken thereat. Subsequent meetings may be held reducing the quorum requirement by one-half at each meeting until a quorum is attained.

SECTION 2. If within twenty (20) years of the date of recordation of this Declaration in the office of the Wake County Register of Deeds, the Declarant should develop such other lands as Declarant or Affiliate or member of Declarant may hereafter acquire contiguous to the additional land, which additional land has been subjected to this Declaration, such land may be annexed by the Declarant without the consent of Members; and, in doing so, Declarant may file and record such amendments to this Declaration as are necessary without the consent of the Members in order to subject such additional lands to the terms of this Declaration and the jurisdiction of the Association. For purposes of determining contiguity of property, the rights-of-way of public or private roads and utilities, as well as rivers and streams, shall be deemed not to separate otherwise contiguous property.

SECTION 3. Annexation of additional lands shall be accomplished by recording in the Office of the Register of Deeds in the county in which the Property is located, a Declaration of Annexation duly executed by the Declarant, if the Declarant has the right to annex pursuant to Section 2 above (and by the Association if pursuant to Section 1 above), describing the lands annexed and incorporating the provisions of this Declaration, either by reference or by fully setting out said provisions of this Declaration. The additional lands shall be deemed annexed to the Property on the date of recordation of the Declaration of Annexation, and in the case of an annexation by the Declarant, no action or consent on the part of the Association or any other person or entity shall be necessary to accomplish the annexation except any local governmental authority if required by its ordinances.

SECTION 4. Subsequent to recordation of the Declaration of Annexation by the Declarant, and prior to the conveyance of the first Lot therein, the Declarant shall deliver to the Association one or more deeds conveying any Common Properties within the lands annexed as such Common Properties is developed.

SECTION 5. Should Declarant elect to annex any additional property and accordingly to subject such property to the terms and conditions of this Declaration, Declarant reserves the right to alter the restrictions as applicable to the annexed property to best suit the intended use of the annexed property. The addition of property authorized under this paragraph may increase the cumulative maximum number of lots authorized in the properties, and, therefore, may alter the relative maximum potential voting strength of the various types of membership of the Association.

ARTICLE VII

USE RESTRICTIONS

SECTION 1. Rules and Regulations. The Board of Directors of the Association shall have the power to formulate, publish and enforce reasonable rules and regulations concerning the use and enjoyment of the Common Properties. Such rules and regulations may provide for imposition of fines or penalties for the violation thereof, or for the violation of any of the covenants and conditions contained in this Declaration.
