Kedron Dells opened for play in June 1974. The late Dr. B. A. Brown, family and associates developed the course entirely from inception in the fall of 1972 and the Browns continue to operate and manage the course to current date. The guiding principle in development was to provide a quality championship course at affordable cost to the public golfer. Built on 155 acres on the Oshawa Creek valley and uplands and now situated in the geographic centre of Oshawa, promise has become reality.
