The Mirada is elegant and designed for a hillside location. With over 3,000 square feet, this home is a perfect place for families. The street level main floor features private and luxurious master suite; along with island kitchen, great room and dining room overlooking the deck and backyard. The walk-out basement with bonus room and bar is perfect for parties.

The Mirada features superior energy efficiency, including a solar electric power system. Combined with state-of-the-art, energy-efficient construction, appliances and lighting, this means lower energy bills and environmental sustainability.
