

These are a few of my "favorite things"

(written by seller)

Property Address: 4 Loban RD Nashua NH 03063

1. I valued the one level living. Our children were younger and having their bedrooms close was convenient
2. We have thoroughly enjoyed our backyard! We had a playset, then we had a pool, we have roasted marshmallows, we've had the best memories
3. We've expanded our living area to the basement and have had family movie night, and game night. So fun!
4. I appreciated that we didn't live on a busy road. Our kids learned to ride their bikes, scooters, and long boards
5. One of my most treasured times, was volunteering at the neighborhood school down the road. Our children attended there and that was a blessing.
6. We appreciated the convenience, that everything was close by, school, banking, gas, highway, shopping, and so much more.
7. My husband and I met one of our closest friends, just a street over. So thankful to know them.
8. I was a witness to my beloved husband, make this house a home, as he's made so many updates.
9. I truly appreciated that this home had a good structure, good bones, and has been a comfortable setting for us.
- 10 and finally, Our family walks. We've walked this neighborhood countless times. And still do, today.
