The books will reflect an account for each Lot.

- b) Disburse the funds of the Association as may be ordered by the Board of Directors in accordance with this Declaration, making proper vouchers for such disbursements.
- c) Render to the President and Board Members at the regular meetings of the Board or whenever they may require it, an account of all transactions made as the Treasurer, and of the financial condition of the Association.
- d) Collect all dues and assessments and will promptly report the status of collections to the Board Members.

6.14 Indemnification of Board Members: Members of the Board and any committee appointed by the Board shall not be held liable for any error or omission or action taken, provided that he or she has acted in good faith. The Association shall indemnify and hold harmless, to the maximum extent of Florida Law, each person who shall at any time serve as a Board Member or Officer of the Association or as a Member of any committee appointed by the Board from and against any and all claims and liabilities to which such persons shall become subject by reason of his or her being a Board Member or Officer of the Association or a Member of a committee or by reason of any action alleged to have been taken or omitted by him or her in such capacity. The Association shall reimburse each person for all legal and other expenses reasonably incurred in connection with any such claim or liability; provided, however, that no such person shall be indemnified with respect to, or reimbursed for any expense incurred in connection with, any claim or liability arising out of actions or omissions not taken in good faith.

**ARTICLE VII
OPERATION OF ASSOCIATION AND BOARD**

- 7.1 Fiscal Year: The fiscal year of the Association will begin on May 1st of each year and end on April 30th of the following year. The Board may select another fiscal year. The Board must prepare an Annual Budget (the "Budget").
- 7.2 Annual Meeting of Members: The Annual Meeting will be held once each calendar year for the purpose of electing the Board of Directors, passing the Annual Budget, and for any other business requiring approval of the Members at that time. Notification of the date, time and location of the Annual Meeting shall be provided to Members not less than fourteen (14) days or more than thirty (30) days prior to said meeting.
- 7.3 Special Meeting of Members: A Special Meeting of Members may be called for any purpose by the President, at the request of a majority of the Board, or 25% of the Members entitled to vote when such request has been provided in writing stating the purpose of the Meeting. Business transacted at Special Meetings will be confined to the subjects stated in the related Meeting Notice.
- 7.4 Records: The Board shall keep a record of all meetings of the Board of Directors and of the Association. For each item voted on, the record must state a tally of the votes, a description of the action, the resulting disposition, and where applicable, the key reasons driving the vote and/or action taken. The record must be available for inspection by any Member.

7.5 Board Meetings:

a) Board's Responsibility and Powers: The Board is delegated the responsibility, power and authority to act on behalf of the Association in all matters including but not limited to:

- 1) Approval or disapproval of special requests, exceptions by Owners, or applications for home or lot modifications in accordance with the Articles of this Declaration.
- 2) Management of Violations Remedies per this Declaration.
- 3) Preparation of the Annual Budget and collection of Assessments.
- 4) Employment, dismissal and control of personnel necessary for the maintenance of the entrances and islands as well as other Association business including attorneys, accountants, contractors, architects and other professionals (as the need arises) provided all such expenses are kept within the quantities approved for such employment in the Member approved Annual Budget or Special Assessments.
- 5) Designation of one or more committees of unpaid volunteers as necessary to assist the Board in meeting the Association responsibilities.
- 6) Release of Lot Owners, by written instrument, from minor violations of this Declaration. The Board may assign a Committee to assume this responsibility. Failure of any party to enforce any Covenant or Restriction shall in no event be deemed a waiver of such Covenant or Restriction or of such party to enforce it thereafter.
- 7) Except as prohibited by law, obtaining written and signed proxies in the absence of a meeting, when an action is taken requiring a vote of the Board.

b) Board Meeting Notices: The Board may meet at regular times and locations as they define. All Board meetings will be open to the Members, except for meetings permitted by law to be closed. Notification of the planned dates and times for Board meetings may be provided at the Annual Meeting, in a local newsletter, or the Board may post the date and time at the front entrance. It is the homeowner's responsibility, however, to be informed of the date and times of the scheduled Board meetings.

c) Directors' Waiver of Notice: Before or at any Board Meeting a member of the Board of Directors may waive notice of such meeting and such waiver will be deemed equivalent to them having been given notice. Attendance by a Director at any meeting of the Board will constitute a waiver of notice to him/her for that meeting.

d) Communications by E-mail: Members of the Board of Directors may use e-mail as a means of communication but may not cast a vote on an Association matter via e-mail.

e) Minutes: Minutes of all meetings of the members of the Association and of the board of directors of the Association must be maintained in written form or in another form that can be converted into written form within a reasonable time. The Association shall maintain the minutes of all meetings of the Board and the Members for at least 7 years.

ARTICLE VIII

FINANCES AND ASSESSMENTS

8.1 Obligation for Assessments: Each Owner, by acceptance of a conveyance of a Lot, whether or not it is expressed in such conveyance, is deemed by covenant to pay to the Association its share of the following assessments (collectively, the "Assessments"). Assessments are mandatory and are secured both by a lien on the Lot and the Member's personal obligation. Any Assessment not paid within thirty (30) days after the due date shall be considered delinquent and shall be subject to interest and late charges not to exceed 18% per annum, plus costs of collection, including reasonable attorneys' fees, including before trial, during trial or on appeal, whether or not suit is brought and shall subject the Owner to all other remedies as provided by Florida law.

a) General Assessment (a.k.a. Annual Dues): The amount charged to each Member to meet the Association's annual budgeted expenses. This Assessment must be pre-approved by an annual vote of the Members either in person or by proxy, representing a quorum as described in Article V, Paragraph 4, Sub-paragraph (b) of this Declaration. See "Article VII, Paragraph 2" for details.

b) Special Assessment: In addition to the General Assessment, the Board may find it necessary to levy a Special Assessment in any fiscal year for capital expenditures, or emergency repair or maintenance or other unexpected expenditure this Declaration requires the Association to pay. Any such Special Assessment shall require a vote of approval of the Members either in person or by proxy, representing a quorum as described in Article V, Paragraph 4, Sub-paragraph (b) of this Declaration.

c) Individual Lot Assessment: An obligation to an Owner for any charges confined to their responsibility or Lot. This is typically due to penalties imposed by the Board in accordance with this Declaration as Remedies for Violations of this Declaration.

1) The Association may at any time levy an Individual Lot Assessment against any Lot for the purpose of defraying, in whole or in part, the cost of any special services to that Lot or any other charge designated in this Declaration related to a Violation. An Individual Lot Assessment may be levied on account of any legal expenses (including those incurred before or at trial or on appeal) and costs incurred by the Association in enforcing this Declaration.

8.2 Annual Budget or Dues: A copy of the Budget must be provided to each Member or a notice must be given to the Members that a copy of the Budget is available upon request and without charge. The Budget will estimate the total expenses to be incurred by the Association in carrying out its responsibilities during the year.

a) Budget or Dues Income: This section must state dollars including:

- 1) An estimate of the revenues from the General Assessment.
- 2) The carryover balance in the Association funds from the previous year.

b) Budget Expense: This section must state dollars allocated for:

- 1) Recurring expenses such as Florida fees, insurance, utilities, supplies, P.O. Box rental, etc.

- 2) The costs of materials and wages for the rendering of services required or permitted under this Declaration including maintenance of entranceways and interior islands, etc.
- 3) Professional services such as attorneys, accountants, engineers, architects, contractors, etc.
- 4) Planned Association community events.
- 5) Planned community improvement projects.
- 6) Miscellaneous (unspecified use) shall not be more than 0.5% of the total budget.
- 7) Reserves adequate to address contingencies, emergencies and replacement activities. Extraordinary expenses not included in the Budget will be charged first against the reserves. Except in the event of an emergency, reserves accumulated for one purpose may not be expended for any other purpose.
- 8) Prior to any expenditure over \$500.00 which is not already included in the Member approved Budget, the Board must present the proposed expense and obtain approval from the Voting Members.

c) Budget Preparation and Approval: The Budget will be prepared at the direction of the Board and provided to the Members for input at least one month before the end of each fiscal year. The Budget and General Assessment must be adopted by a majority of the Board.

d) Amendment of Budget: The Board may propose an amendment to the Budget during any fiscal year to increase the amount of the annual General Assessment for such year, or group of consecutive years, or indefinitely, if it appears that income will be insufficient to meet the obligations of the Association. Any such amendment to the Budget shall require a vote of approval of the Members as described in Article V, Paragraph 4, Sub-paragraph (b) of this Declaration.

e) Effect of Failure to Prepare or Approve Budget: Failure to prepare or approve an Annual Budget by the end of the fiscal year shall not waive or release a Member's obligation to pay General Assessments whenever the amount of such assessments is finally determined. In the absence of a Budget, each Member shall pay the Assessment at the rate for the previous fiscal period until notified otherwise. Once finally approved, Members must pay any difference between what they already paid and the newly approved General Assessment.

f) Annual Dues Payment: Upon approval of the Annual Budget each Member shall be equally obligated to pay the General Assessment set forth in the approved budget. The General Assessment shall be due and payable by the date established by the Board.

8.3 Depositories: The funds of the Association will be deposited in such banks and depositories as determined by the Board. Funds will be withdrawn only to meet Association obligations and only upon checks being signed by the Treasurer.

8.4 Financial Reporting: The Board shall prepare an annual financial report for the Association within sixty (60) days of the close of the fiscal year and provide each Member with a copy of the report or a notice that a copy is available without charge. The report must be in the form required by Section 720.303(7) of the Florida Statutes as amended from time to time.

8.5 Certificate of Amount Due/Payment: The treasurer of the Association, upon request of any Owner, shall furnish a certificate signed by an authorized member of the Board, stating whether any Assessments are owed by that Owner. Such certificate will be conclusive evidence of any amounts due and any payments received by the Association through the date of the certificate.

ARTICLE IX
INSURANCE AND INDEMNITY

9.1 Public Liability: The Board may obtain public liability insurance in such limits as the Board may from time to time determine to be appropriate, insuring against any liability arising out of, or incident to an area within Cormorant Creek Estates. When evaluating need and amount for such insurance, the Board will keep in mind that the Association does not own any Common Property. Whenever practical, such insurance shall be issued on a comprehensive liability basis and shall contain a "severability of interest" endorsement, which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association, the Board, or other Owners.

9.2 Review of Coverage: The Board will review the types and limits of insurance at least once each year.

9.3 Director Liability: The Board may obtain liability insurance against personal loss for actions taken by members of the Board and the Officers in performance of their duties. Such insurance shall be of the type and amount determined by the Board in its discretion.

9.4 Insurance Payment: Liability insurance must be included in the Member approved Annual Budget or Special Assessments prior to being purchased.

**ARTICLE X
VIOLATION REMEDIES**

10.1 Enforcement: The Covenants and Restrictions in this Declaration may be enforced by the Association or any Owner or Mortgagee in any judicial proceeding seeking any remedy recognizable at law or in equity, including an action seeking damages, injunction, specific performance, or any other form of relief provided by Florida law, against any person, firm, or entity violating or attempting to violate any Covenant or Restriction herein. The failure of any party to enforce any Covenant or Restriction shall in no event be deemed a waiver of such Covenant or Restriction or of such party to enforce it thereafter. The prevailing party in any such litigation shall be entitled to reasonable attorneys' fees and court costs at all trial and appellate levels. Each party agrees that any dispute shall be determined by a judge and not a jury and waives their right to a jury trial in any litigation arising out of this Declaration.

10.2 Informal Violation Resolution: The Association may attempt, but shall not be obligated, to resolve violations prior to following an informal resolution procedure. If a violation occurs, a minimum of two persons, one of whom is a member of the Board of Directors, may contact the Owner responsible for the violation and verbally offer a means of resolution. Should the Owner fail to

correct the violation within an agreed-to period of time, the Board of Directors may issue a "Notice of Violation."

10.3 Board Imposed Violation Remedies:

a) Once a Notice of Violation has been provided to an Owner, the Board may pursue any or all of the following actions on behalf of the Association until such issues are resolved.

b) Procedure for imposing remedies:

1) If a violation is cured before a hearing or in the written notice, the fine or suspension will not be imposed.

2) If the committee, by majority vote, does not approve a proposed fine or suspension, the proposed fine or suspension may not be imposed. The role of the committee is limited to determining whether to confirm or reject the fine or suspension levied by the Board.

3) After the hearing, the committee shall provide written notice of the decision to the Owner at his or her designated mailing or email address, within 7 days after the hearing. This will include any applicable fines or suspensions that the committee approved or rejected.

4) If the proposed fine or suspension is approved by the committee by a majority vote, the fine payment is due within 30 days after the written notice is received by the Owner and, if applicable, to any occupant, licensee, or invitee of the parcel owner. Failure to do so may result in a lien on the property.

5) The Board may impose fines as provided by Florida law. A fine may be levied by the board for each day of a continuing violation, with a single notice and opportunity for hearing, except that the fine may not exceed \$1,000 in the aggregate. In any action to recover a fine, the prevailing party is entitled to reasonable attorney's fees and costs from the non-prevailing party as determined by the court.

6) The Owner may request a hearing to challenge the fine. If a hearing is requested it will be scheduled before committee assigned by the Board, which will comprised of at least 3 members who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother or sister of an officer, director, or employee.

7) The Board may suspend Association voting rights of the Owner as provided by Florida law.

8) The Board may hire third parties to correct violations at the owner's cost:

10.4. Mediation, Arbitration. In lieu of a court legal action, the Board may pursue mediation to resolve any claim or dispute arising out of enforcement of these Covenants and Restrictions that is not otherwise resolved, including but not limited to, any disputes concerning enforcement of these Covenants and Restrictions consistent with Florida or Federal law; and any other dispute under Florida or Federal law based on contract, tort, statute, or common law. If mediation is unsuccessful,

the Board may pursue binding arbitration. An arbitration hearing arising under this Article will be resolved through the American Arbitration Association (AAA), or such similar dispute resolution organization that might be acceptable to all parties. Arbitration shall be held in Duval County, Florida. In rendering a decision on the merits of the claims, the arbitrator shall apply the substantive law of Florida. Each party may be represented by counsel in connection with all arbitration proceedings. Arbitration shall inure to the benefit of and bind the Cormorant Creek Estates Homeowners Association, its officers, directors, fiduciaries, representatives, insurers, attorneys, agents, predecessors and successors; and the homeowner, his/her successors, assigns, agents, insurers, heirs, trustees, and representatives, including powers of attorney, personal representatives or executor of his or her estate.

10.5. Lien Creation:

a) The Board, on behalf of the Association, may enforce the payment of any delinquent assessment or costs incurred with enforcing these Declarations on a given Lot/Owner by placing a Lien against the property. It will be a continuing lien in favor of the Association effective upon recording a claim of lien and prior to entry of final judgment or foreclosure.

b) Subordination of the Lien to Mortgages: The lien of the Assessment Charge will be inferior to the first mortgage lien of any Mortgagee. Sale or transfer of any Lot pursuant to foreclosure of such a mortgage, including a deed in lieu of foreclosure, shall extinguish the lien as to payments, which became due prior to the sale or transfer. The purchaser or transferee of such Lot shall be liable for any assessments coming due after the sale or transfer.

c) Sale for Payment; Foreclosure of Lien: The Association may bring an action at law against the Owner personally obligated to pay the Assessment charge, or may foreclose the lien, or both. The Association, acting on behalf of the Owners, shall have the power to bid for an interest in any Lot foreclosed at such foreclosure sale and to acquire, hold, lease, mortgage and convey the Lot. No action shall be initiated to foreclose the Lien securing any assessment levied under this Article until at least thirty (30) days following the mailing of a Notice of Delinquent Assessment, duly signed by a designated officer or agent of the Association, to the Owner or Owners of the subject Lot, and the recording of such notice in the Office of the Clerk of Courts for Duval County, Florida. Said Notice of Delinquent Assessment shall state the amount of the assessment, together with accrued interest, late charges, costs, reasonable attorneys' fees, and other applicable charges; a description of the Lot against which the same has been assessed; the name or names and mailing addresses of the Record Owner or Owners thereof; and the name and address of the Trustee authorized by the Association to enforce the Lien by sale. Upon the levying of an assessment and the recording of the Notice referred to above, the Association may, at its option, declare the entire balance of all sums, then due or to become due from the Lot Owner, immediately due and payable, which total sum may then be included in any suit, action, or other procedure initiated to collect said sums, including all costs, charges, and attorneys' fees. No Owner may waive or otherwise escape liability for the Assessment Charge by abandonment of the Lot.

10.5 Specific Violations include, but are not limited to:

a) Maintenance & Repair of Dwelling, Structures and Fixtures: Disrepair and lack of maintenance of the dwelling, structures or fixtures shall constitute a Violation. If the Owner fails to make payment within fifteen (15) days of demand, the costs will constitute an Individual Lot Assessment against the Owner's Lot. Each Owner grants the Association and their respective contractors, employees and agents a perpetual easement to enter upon the Owner's Lot to carry out the work and releases said parties from all liability with respect to such work.

b) Maintenance of Lawn, Shrubbery and Exterior Ornamentation: Failure to maintain lawn and landscaped areas of the Lot constitutes a Violation. In order to preserve the beauty, quality and value of the neighborhood, the Association may affect the necessary maintenance, the costs of which shall be payable by the Owner to the Association. If the Owner fails to make payment within fifteen (15) days of demand, the costs will constitute an Individual Lot Assessment against the Owner's Lot. Each Owner grants the Association and their respective contractors, employees and agents a perpetual easement to enter upon the Owner's Lot to carry out the work and releases said parties from all liability with respect to such work.

ARTICLE XI GENERAL PROVISIONS

11.1 Amendment: This Declaration may be modified or amended as provided in Section V.4.c, of this Declaration.

11.2 Mortgagee's Consent to Amendments: This Declaration contains provisions concerning various rights, priorities, remedies and interests of Mortgagees. Such provisions are to be construed as Covenants and Restrictions for the protection of Mortgagees on which they may rely in making loans secured by mortgages on the Lots. Accordingly, no amendment or modification of this Declaration impairing the rights, priorities, remedies, or interests of Mortgagees shall be adopted without the prior written consent of Mortgagees holding liens on thirty percent (30%) or more of the Lots encumbered by mortgages. Each Mortgagee agrees that it will either consent to a proposed amendment or give notice of refusal to consent by written notice to the party requesting such consent within thirty (30) days after the request is received. If a Mortgagee does not respond within such time, the Mortgagee's consent will be deemed given, and an affidavit to such effect (including documentation proving receipt of the request to the Mortgagee) recorded in the Public Records of Duval County by the party requesting the consent will be sufficient evidence of such consent in order to make the requested amendment. This section shall not imply or be construed as a limitation upon the rights of the Association or the Owners to make amendments that do not adversely affect Mortgagees.

11.3 Gender and Plural Terms: Whenever the context so requires, any pronoun may be deemed to mean the corresponding masculine, feminine, or neuter form, and the singular form of any noun or pronoun may be deemed to mean the corresponding plural form thereof or vice versa.

11.4 Severability; Governing Law; Amendments to Laws: In the event any one of the provisions of this Declaration shall be deemed invalid by a court of competent jurisdiction, such judicial determination shall not affect any of the other provisions of this Declaration which shall remain in full force and effect. Without limiting the foregoing, the invalidation of any of the covenants,

restrictions, terms, or conditions of this Declaration or a reduction in their term by reason of the legal rule against perpetuities shall not affect any other provisions, which shall remain in full force and effect for such period of time as may be permitted by law. This Declaration shall be governed by and construed in accordance with the laws of the State of Florida without giving effect to the choice of law rules. All references to applicable laws and regulations will incorporate amendments to the same.

11.5 Duration and Renewal: This Declaration (but excluding the easements herein created which are perpetual) and the terms, provisions, conditions, covenants, restrictions, reservations, regulations, burdens and liens contained herein, including, without limitation, the provisions for assessment of Lots, shall run with and bind all of the Lots, the Owners and their respective legal representatives, heirs, successors and assignees for a term of ninety (90) years from the date hereof, after which time this Declaration shall be automatically renewed and extended for successive periods often (10) years each unless one (1) year prior to the termination of such ninety (90) year time or of each

extension, as the case may be, a Member vote approving Revocation of these Declarations and Termination of the Association is recorded in the Public Records of Duval County, upon which event this Declaration shall be terminated when such instrument is recorded.
