This light-filled 1927 Craftsman blends modern convenience with timeless charm. A wonderful in-city condo alternative, it offers an attached garage, driveway parking, and a private backyard. The updated kitchen features quartz counters and stainless steel appliances, complemented by classic details such as coved ceilings, archways, hardwood floors, vintage door knobs, and built-ins. The main floor includes the kitchen, dining room, living room with wood-burning fireplace, two spacious bedrooms, and a renovated full bath with smart storage. Downstairs, enjoy a large family room for movie nights, games, or relaxing, plus a generous third bedroom, laundry area with room to add another bath, and access to the attached garage. The fully fenced backyard is perfect for unwinding or entertaining, with a large deck, lush greenery, shade, a firepit, and a spacious storage shed. With a brand-new roof and completed sewer repair, the hard work is done. Minutes from Greenlake, Greenwood, Phinney Ridge and all the area has to offer... restaurants, shopping and activities.
