

IMPORTANT INFORMATION BEFORE YOU MOVE IN

NOTICE

- This is a smoke free building
- No driving or parking on the lawns (Moving in or anytime)

EMERGENCY DEVICES INSIDE OWNERS UNIT

- Do not remove the warning stickers on the Emergency Devices – the ambulance will come automatically if the cord is pulled or the button is pushed
- Do not remove the Emergency Devices if you paint or clean... again, the ambulance will be parked outside with paramedic's knocking at your door

PETS

- The new owner may bring in one small cat or dog when initially moving into the premises
- There is a 25-pound weight limit on any dog or cat
- The animal must be leashed when outside the owners home and may not be in any indoor common areas such as the dining room, woodworking room, the exercise room, the library, the craft room, or the guest room
- The animal must be carried while in the commons hallway
- The owner must immediately clean up fecal matter after the animal when it is in the outdoor common areas
- The animal cannot be replaced after it is deceased
