All members shall constitute a quorum and a unanimous vote shall be required for the transaction of any business of the Committee.

2. No improvements or buildings shall be erected, placed or altered on any lot or lots until and unless the building plans, specifications and plot plan showing the proposed type of construction, exterior design and location of such residence have been approved in writing as to conformity and harmony of external design and consistence with plans of existing residences or other buildings and as to the location of the structure with respect to topography and finished ground elevation, by the Architectural Committee.

3. In order to prevent duplication of buildings or improvements to be constructed in this section or adjacent section the Committee is vested with full authority to approve or disapprove plans for the construction of any building or improvements with its major features

so similar to an existing building or improvement as to be construed as a practical duplication thereof in the discretion of the Committee.

4. In the event said Committee fails to approve or disapprove such designs and plans within 30 days after said plans have been submitted to it, or in any event, if no suit to enjoin the erection or alteration of such building or improvement had been commenced before such erection or alteration is substantially completed, such prior approval will not be required and this covenant will be deemed to have been fully complied with and no suit or claim will be available to said Committee, nor to any lot owner or other person. The right is further reserved within the 5 foot easement for grade changes and tree removal, if necessary, for the purpose of proper

landscaping and drainage, all subject to the approval of the Architectural Committee.

V/ MAINTENANCE CHARGES, RECREATIONAL FACILITIES & COMMON GROUNDS

1. On or before such time as there are one hundred families living in the subdivision, the developers shall cause an eleemosynary corporation to be formed for the benefit of the residents of the subdivision, which shall bear the name "Sugar Creek Recreational Center, Inc." The owner of every residence located in said subdivision shall be a member of said corporation, and shall be entitled to one vote, regardless of the number of lots used in connection with his residence. When title to the property is vested in two or more persons jointly, the vote shall be exercised as they among themselves determine but in such case no more than one vote shall be cast per residence. Membership shall be appurtenant to and may not be separated from ownership of the property which is subject to assessment.

2. An annual assessment consistent with the By-Laws of Sugar Creek Recreational Center, Inc., shall be levied by said Recreational Center against the owner(s) of each residence in the subdivision. This assessment shall be based on the residence only but shall be a lien upon all lots or portions of lots used by an owner in connection with his residence. Said assessment shall be due and payable to the Recreational Center on January 1 of each year. Any assessment not paid within thirty (30) days after the due date thereof shall bear interest from the due date at the highest legal rate. The acceptance of a deed by a grantee shall be construed to be a covenant by the grantee(s) to pay said assessment, which shall run with the land and be binding upon the grantee, his successors, heirs and assigns. No persons may waive or otherwise escape liability hereunder by the non-use of the facilities of the corporation or abandonment of the property.

The corporation shall have the right to suspend the voting rights and right to the use of the recreational facilities of a resident for any period during which any assessment against his property remains unpaid; and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations. In addition, the corporation shall have the right to enforce by any proceeding at law or in equity all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this instrument. In the event of non-payment of any assessment as set forth herein, the corporation may bring an action at law against the owner(s) personally obligated to pay same or foreclose a lien against the property in the same manner that a real estate mortgage is foreclosed and interests, costs and attorneys fees shall be added to the amount of such assessment. The lien of the corporation against the property must be established by, and shall be effective from the time of, filing of a Notice of Lis Pendens in the Office for the Clerk of Court of Greenville County. Failure by the corporation, or any owner, to enforce any covenant or lien herein contained shall in no event be deemed a waiver of its right to do so.

3. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage, lien of laborers, contractors or materialmen furnishing labor and materials in connection with the construction of improvements located on said property, unless prior to the filing thereof Notice of Lis Pendens has been filed by the corporation for foreclosure for the nonpayment of its assessment. Sale or transfer of any residence shall not affect the assessment lien; however, the sale or transfer of any lot pursuant to foreclosure of a mortgage or materialmen's or mechanic's lien or any proceeding in lieu thereof shall extinguish the lien of such assessment as to payments which became due prior to such sale or

transfer unless prior to commencement of said action a Notice of Lis Pendens has been filed by the corporation as set forth above. Nothing herein shall affect the right of the corporation to enforce the collection of any charges that shall become payable after the acquisition of title by a subsequent bona fide purchaser for value.

4. The annual assessment to be levied by the Recreational Center shall not apply to any lot or residence so long as it is wholly or partially owned by John C. Cothran, Ellis L. Darby, Jr., or M. G. Proffitt, or any partnership, corporation or other entity in which Cothran, Darby or Proffitt individually have at least a twenty-five (25%) per cent interest. In the case of builders who purchase lots in the subdivision for the purpose of erecting residence thereon for resale, the full annual assessment to be levied by the Recreational Center shall be first due on such lots or residences on the first day of January next succeeding the date title is transferred to the homeowner but in no event later than the first day of January of the second January following the purchase of the lot by the builder. When the homeowner takes title from the builder, the homeowner shall pay a proportional share of the assessment in effect for that year which partial assessment shall be due and payable within thirty (30) days from the date title is transferred to the homeowner. With respect to individuals who purchase lots with the expectation of later erecting a residence, when such individual takes title to the lot, such individual shall pay a proportional share of the assessment in effect for that year, which partial assessment shall be due and payable within thirty (30) days from the date title is taken.

5. Until such time as the developers form the corporation, Sugar Creek Recreational Center, Inc., the Architectural Committee is empowered to perform the functions that will be performed by the Recreational Center and for this purpose may make such rules and

regulations as it deems desirable to carry out said purposes. During this interim period, the Committee shall have the power to make an annual assessment as provided hereinabove but in no event shall such assessment exceed \$150.00 to property owners in Sugar Creek Subdivision. The funds created by the assessment shall be expended solely and exclusively for the maintenance and operation of the common grounds, street lighting and all other common facilities, including recreational. Upon the formation of the Sugar Creek Recreational Center, Inc., all unexpended funds, if any, then in the hands of the Committee shall be transferred to the Recreational Center. The assessment made by the Committee shall have the same force and effect as though made by the Recreational Center, all as set forth above.

#### VI/ MISCELLANEOUS

1. No signs shall be permitted on any residential lots except that a single sign offering property for sale or for rent may be placed on any such lot provided such sign is not more than 24 inches wide by 20 inches high.
2. The property within the subdivision is hereby declared to be a bird sanctuary and any hunting of any wild birds is hereby prohibited.
3. Nothing herein contained shall be construed to prevent Cothran & Darby Builders, Inc. and/or M. G. Proffitt, Inc., or their successors and assigns, from maintaining temporary sales offices and storage on any lot, common grounds or recreational facilities while the subdivision is in the process of being developed and houses constructed within the development.
4. The covenants herein contained are to run with the land and shall be binding on all persons claiming under them until the 31st day of December, 1994, at which time said covenants shall be

automatically extended for successive periods of ten (10) years unless by vote of the majority of the then owners of the lots, it is agreed to change said covenants and building restrictions in whole or in part.

If the undersigned, or their Successors, Heirs or Assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person owning any real property situated in said subdivision to prosecute any proceedings at all or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation.

Invalidation of any one or more of these covenants by Judgement or Court Order shall in no wise affect any of the other provisions which shall remain in full force and effect.

IN WITNESS WHEREOF, the said developers have hereunto set their Hands and Seals this 17 day of July, 1975.
