

Home Highlights at 380 Ridgewood Avenue, Glen Ridge

Front Entry, Architectural Character & Formal Living Spaces

- Recipient of a Historical Preservation Award (2014), thoughtfully honoring the home's original architectural integrity for the gorgeous wraparound front porch featuring Brazilian redwood flooring, cypress wood ceiling, ceiling fans, and porch swing
- Front vestibule with imported tile from London leading into the gracious foyer and formal parlor spaces
- Extensive architectural detailing throughout, including gorgeous original moldings, trim work, pocket doors, custom radiator covers, and high ceilings
- Elegant front parlor with limestone ventless/direct-vent gas fireplace, oversized windows, coved ceilings, designer lighting, and oak herringbone flooring
- Pocket doors separating formal living spaces for effortless entertaining and privacy
- Oversized windows throughout the home, many replaced with Marvin windows
- 10-foot ceilings on the main level with beautiful natural light throughout
- Beamed ceilings in the foyer and family room
- Accordion-style Kolbe doors opening seamlessly from the family room to the deck and outdoor entertaining spaces
- Storage galore

Designer Finishes Throughout

- High-end designer lighting throughout
- Designer wallpaper in select spaces
- Plantation shutters and custom Roman shades
- Custom stair runner
