Public Remarks

Every so often, a property comes along that feels like the place where you settle in, exhale, and live happily ever after — and this is that home. This beautiful home blends space, privacy, and convenience in a way that's hard to find, all tucked at the end of a quiet cul-de-sac bordering protected village land, giving you rare privacy with no neighbors on the back or one side. Inside, the home has been fully renovated from top to bottom. The main level features beautiful hardwood floors and an easy, open flow between the living room, dining area, and kitchen. Sunlight pours through updated windows, including wood-trimmed bay windows, and a stone-faced gas fireplace adds warmth and charm. The kitchen offers granite countertops, tile flooring, stainless steel appliances, and excellent workspace. Three generously sized bedrooms sit on this level, including a primary suite with its own en-suite bath, and two additional bedrooms served by a stunning hall bathroom featuring radiant-heated floors and beautifully tiled accents and shower. The walk-out lower level expands the way this home lives, with a spacious family room, laundry area, and two bonus rooms perfect for a home office, den, gym, or guest space. It truly lives much larger than a traditional three-bedroom layout. A multi-level Trex deck overlooks the expansive lawn and surrounding green space — a peaceful outdoor setting to relax or entertain. A one-car garage, central air-conditioning, and storage shed complete the picture. This home truly gives you all the space you need to live, work, play, and entertain, both inside and out, paired with the everyday convenience you've been searching for. Fast access to major highways and transportation, fine dining, shopping, recreation, and local culture right in your own backyard. Walk to Metro-North RR, nearby Northern Westchester Hospital, and just minutes from Westchester County Airport. Mount Kisco: where convenience meets community! Welcome home.
