### École des Pionniers-de-Maillardville

3.21 KM away

Kindergarten, Elementary, Middle and High

1618 Patricia Ave, Port Coquitlam, BC V3B 4A8

Depuis sa fondation, l'école s'engage à donner un enseignement personnalisé, dans un environnement sain et sécurisant. Le personnel enseignant valorise la culture francophone et la langue française en offrant des activités scolaires et des sorties éducatives intéressantes et variées. Le nombre d'élèves de la maternelle à la 8e année ne cesse de grandir. Le défi actuel de l'école, tout comme celui de la plupart des écoles francophones en milieu minoritaire, est de garder les élèves tout au long de leur parcours secondaire. L'introduction du Baccalauréat International à la rentrée 2009 a mis le vent dans les voiles de l'école des Pionniers! Dans sa mission d'offrir une éducation de qualité, les stratégies de notre plan éducatif permettront de préparer les élèves à développer leurs capacités intellectuelles, personnelles, émotionnelles et sociales. Ce qui nous permettra de répondre davantage aux besoins diversifiés et grandissants de nos élèves.

## Traditional Learning Academy

5.9 KM away

Kindergarten, Elementary, Middle and High

1189 Rochester Ave, Coquitlam, BC V3K 2X3, Canada

Traditional Learning Academy offers a structured academic program which provides a setting in which all students are safe, accepted, and respected. TLA encourages the pursuit of excellence, promotes the fine and performing arts, and fosters sound character development and spiritual growth through learning, loving, and living the Catholic Faith. The program complies with, and goes beyond, the curriculum requirements of the BC Ministry of Education, and responds to the desires of parents who seek a traditional approach to learning and teaching. The school offers instruction through a structured, systematic approach which presents skill development in a sequenced manner, and builds upon what is already learned. Our traditional approach can be described as incorporating the best teaching practices which have proven effective over time, but which also embraces more contemporary techniques in instruction which promote student success.
