The sale of Property enrolled in the Clean and Green Program may result in the loss of program enrollment and the loss of preferential tax assessment for the Property and/or the land of which it is a part and from which it is being separated. Removal from enrollment in the Clean and Green Program may result in the charge of roll-back taxes and interest. Covenants automatically renew at the end of the covenant period unless specific termination notice procedures are followed. When a breach of the covenant occurs, the then-owner is required to pay roll-back taxes and interest. A roll-back tax is the difference in the amount of taxes paid and the taxes that would have been paid in the absence of the covenant. The roll-back taxes are charged for each year that the Property was subject to the covenant, limited to the past 5 years.

DUAL AGENCY CONSENT AND CONFIRMATION AGREEMENT
(To be signed by Buyer before signing offer and to be signed by Seller before reviewing offer.)

1. Seller and Buyer acknowledge and agree that the purchase agreement they are considering involves representation by a Disclosed Dual Agent. The following information details the roles of the parties regarding Dual Agency.

Note: When the term "DUAL AGENT" is used, it will always mean the Broker (Berkshire Hathaway HomeServices The Preferred Realty) who, by contracts previously entered into, represents the interests of both the Buyer and the Seller in this agreement. The term DUAL AGENT will apply to a Salesperson/Associate Broker only if the same Salesperson/Associate Broker has been previously identified as the Designated Agent to represent the interests of both parties (Buyer and Seller) named in this agreement. If the Designated Agent of the Buyer and the Designated Agent of the Seller are not the same Salesperson/Associate Broker, then the term Dual Agent will apply only to the Broker, and the Buyer and Seller will each continue to be fully represented by their previously identified Designated Agents.

2. Dual Agent's Role: Seller and Buyer acknowledge that, prior to the creation of the Dual Agency, the Agent represented either the Buyer or the Seller. The Agent acted as the Agent of Seller or acted as the Agent of Buyer. In those separate roles, the Agent may have obtained information which, if disclosed, could harm the bargaining position of the party providing such information to the Agent. Seller and Buyer agree that the Dual Agent shall not be liable to either party for refusing or failing to disclose information which would harm one party's bargaining position and would benefit the other party. However, this Agreement shall not prevent the Agent from disclosing to Buyer any known material defects in the property or any other matter that must be disclosed by state law and/or regulation. The Agent agrees not to disclose (a) to Buyer information about what price Seller will accept other than the Listing Price, or (b) to Seller information about what price Buyer will pay other than any written offered price. In the event that Seller and Buyer do not enter into an agreement for the purchase of Seller's property by Buyer (the "Purchase Agreement"), or in the event that the Purchase Agreement between Seller and Buyer does not close, the Dual Agency role and this Agreement will be terminated.
3. Seller's and Buyer's Role: Seller and Buyer acknowledge that they are aware of the implication of the Agent's Dual Agency role including the limitation on the Agent's ability to represent Seller or Buyer fully and exclusively. Seller and Buyer have determined that the benefits of entering into a transaction between them with the Agent acting as agent for both of them outweigh such implications. Seller and Buyer understand that they may each seek independent legal counsel in order to assist with any matter relating to a Purchase Agreement or to the transaction which is the subject matter of a Purchase Agreement. Seller and Buyer agree that Agent shall not be liable for any claims, damages, losses, expenses or liabilities arising from the Agent's role as a Dual Agent. Seller and Buyer shall have a duty to protect their own interests and should read this Agreement and any Purchase Agreement carefully to ensure that they accurately set forth the terms which they want included in said agreements.
4. Seller and Buyer agree that all "comparable" property information available through the Multiple Listing Service or otherwise, including listed and sold properties, may be disclosed to both Seller and Buyer. Agent will not advise or counsel Seller or Buyer, interpret data, or make recommendations based on this information.
5. Seller and Buyer understand and agree that Broker compensation is not set by law and is fully negotiable. Broker shall have the right to collect compensation or a fee from the Seller, the Buyer, or both according to the terms of their respective agency contracts as well as the agreement of sale.
6. Seller and Buyer are advised to seek competent legal and tax advice with regard to this transaction, and with regard to all documents executed in connection with this transaction including this Dual Agency Consent Agreement.
7. Seller and Buyer recognize and agree that this document does not replace those documents signed earlier, i.e. the Buyer Agency Contract signed by the Buyer on _____, and the Exclusive Right to Sell Listing Agreement signed by the Seller on 10/21/25. However, in any areas where this document contradicts or conflicts with those documents, this Dual Agency Consent Agreement shall supersede. This agreement hereby becomes a part of the attached Purchase Agreement entered into between the parties whose signatures appear below.
8. This Dual Agency Consent form may be executed in one or more counterparts, each of which shall be deemed to be an original and which counterparts together shall constitute one and the same consent of the Parties.

I HAVE READ AND UNDERSTAND THE ABOVE AGREEMENT.
