PARK HERE

Parking Garage Etiquette

- Please navigate the garage area at safe speeds, particularly around blind turns.
- All spaces in the garage are reserved. Parking is permitted in designated spaces only. Guests must park in the rear or side lots only.
- In accordance with our **Elizabeth Lofts Codes, Covenants and Restrictions, Article VI, Restrictions on Use, Section 6.3**, "Storage of personal property is prohibited in parking areas and other common elements as defined by the Code."
These rules will be strictly enforced.
- Damage to garage structures as a result of vehicle collisions **must** immediately be reported to CAMS (Community Association Management Services) at 704-731-5560. Failure to do so will require a hit-and-run report to be filed with the Charlotte-Mecklenburg Police Department.

NORTH LAUREL AVENUE

EAST 7TH STREET

Parking

The EL parking garage provides a single, reserved parking space for each of the 43 residential units at Elizabeth Lofts. Parking spaces are numbered, but these numbers do not correlate directly with residential unit numbers. To avoid confusion, Elizabeth Lofts provides this parking assignment guide for reference. **For questions, or to report parking garage issues or incidents, please contact CAMS (Community Association Management Services) at 704-731-5560 or cscharlotte@camsmtg.com.**
