Things we love about 6304 Gunflint Dr.

I love how close this house is to the pool and playground and dog park. It's literally so convenient. The neighbors are so great everyone's nice and friendly. It's also very easy to get to several larger parks around us like skyline and Buda, the backroad makes it so fast to get to Buda or Del Valley. Also they're opening up all kinds of cute stores around us and the new ARC is literally 2 min from the house and the fire station/EMS station is also 2 min from the house makes me feel safe.
